The union revival meetings began on Wednesday at the Methodist church as previously announced, with the rain coming down in a way that discouraged most of the people from attempting to go to the services that evening. The rains were badly needed, and Dr. Stanley says the meeting will have more power after the fine rains. Services will continue as indicated on the programs which have been distributed throughout town.

### A Great Record

Hard to Duplicate It in Eagle Lake.

Scores of representative citizens of Eagle Lake are testifying for Doan's Kidney Pills. Such a record of local endorsement is unequalled in modern times. This public statement made by a citizen is but one of the many that have preceded it and the hundreds that will follow. Read it.

J. C. Cooper, retired farmer, Cemetery Ave., Eagle Lake, Texas, says: "I can substantiate every word of the testimonial a member of my family gave three years ago, concerning my case. I will say for the benefit of other kidney sufferers that Doan's Kidney Pills have permanently cured me of kidney complaint. The kidney secretions were badly disordered and bothered me at night. My back ached and when stooping and lifting the pains became sharp and went direct into my head. I took several boxes of Doan's Kidney Pills and I soon felt like a different person. This remedy removed all the aches and pains and corrected the kidney disorder. This happened three years ago and since then I have used Doan's Kidney Pills off and on as a preventive with excellent results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

### Lissie Happenings

Saturday night at 7:30 at the home of the bride's father, Rev. Geo. Causey, occurred the marriage of Miss Claribel Causey to Mr. Mose Thomas, Rev. Geo. Causey pronouncing the solemn marriage ceremony. The ceremony was witnessed by relatives and a few intimate friends, who were invited to the dining room where a bountiful wedding supper was spread. The out of town guests were Mrs. A. Arnold of San Antonio, grandmother of the bride, Charles Causey of San Antonio, brother of the bride, Mrs. Arnett Thomas and Mr. Frank Ferrell of Houston, Miss Mary Thomas of Eagle Lake, cousin of the groom. Miss Clara has lived in Lissie five years and is loved by every one. She is attractive and has a voice of remarkable sweetness. The groom is indeed to be congratulated for having won this sweet girl. Mr. Thomas is the third son of Mr. and Mrs. G. E. Thomas and is an ambitious young rice farmer. The many presents received attest somewhat to the popularity of this young couple. We wish them every happiness.

No town is what it ought to be until its sanitary condition is marked up to 100 per cent, and this can never be down until every citizen becomes a sanitation enthusiast. Eagle Lake should be made absolutely free of trash, filth, tin cans and rubbish of every character, both on the residence streets and in the business section. Now that the rains have set in after such a long and severe drouth, a general clean up should be made, thereby destroying all the breeding places of disease distributing germs during the winter, thereby destroying them during the cold months, and next spring and summer you will note the difference in the general health conditions of the town. Every person in Eagle Lake should take pride enough in his home to keep his yard and premises clean and sanitary. A clean town means a clean bill of health for the people that live in it.

When you have a bad cold you want the best medicine obtainable so as to cure it with as little delay as possible. Here is a druggist's opinion: "I have sold Chamberlain's Cough Remedy for fifteen years," says Enos Lollar of Saratoga, Ind., "and consider it the best on the market." For sale by all Druggists.

The Jennings Show Company is in the city for a week's engagement, but with the exception of Monday night when they played to a capacity house in their tent on the Keith lot, the company has been rained out every night. Tonight they present "An American Lady," in four acts, with plenty of comedy and good specialties. The managers of the Jennings Show are among the most clever people this paper has had business dealings with. Misses Mark Little and Kathleen, the thirteen year old twin daughters of Mr. Jennings, who take leading roles in the plays, are exceptionally good. They are both pretty and attractive girls and at perfect ease on the stage. When the Headlight man saw them in Monday night's play he was of the opinion that they were grown young ladies, so well did they do and look their parts.

### Chicken Pot Pie

The Chef's Favorite

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine.

Some folks think that only "colored mummies" can cook chicken, but a trial of this famous chicken pot pie disproves that assertion. Every member of the family will thoroughly enjoy it.

**K. C. Chicken Pot Pie, Baked Doughless**  
One fowl cut in joints; 1/2 cup flour; 1/2 teaspoonful salt; black pepper; 2 cups flour; 1 level teaspoonful K. C. Baking Powder; 1/2 teaspoonful salt; 1/2 cup shortening; milk or cream.

Cover the fowl with boiling water and let simmer until tender, then remove to a baking dish. Mix the 1/2 cup flour, salt and black pepper with cold water to a smooth paste and use to thicken the broth. Remove the fat from the top of the broth if necessary before adding the thickening. Pour this gravy over the fowl, until it is nearly covered, and reserve the rest to serve apart. Sift together the flour, baking powder and salt, and mix with this work the shortening.

When young, tender chickens are scarce, this presents a most satisfactory way of serving old fowls. You or your guests in this manner is more appetizing than when served as a stew. Try this and the other delicious recipes in the K. C. Cook's Book, a copy of which may be secured free by sending the colored certificate packed in the 25-cent can of K. C. Baking Powder to the J. A. M. Co., Chicago.

Mr. and Mrs. G. E. Fussell returned this morning from a visit to the Dallas fair. He brings the good news from Mr. Yates, who is in charge of the Colorado county exhibit, that Colorado county has captured eight blue ribbons and nine red ones, as follows: First prize on figs; second on ribbon cane; second on egg plants; first on cane sugar; first on sugar display; first and second on wines; first and second on vinegar; first and second on rice in sheaves; first and second on bulk rice; first on display of rice products; second on broom corn; second on brooms; second on sorghum hay. Mr. Yates sends the Headlight the following message: "Sweepstate contest tomorrow; we are running hard for first place and going to win or I'll eat my hat." Pull hard, Mr. Yates, for all the people here at home are pulling with you.
