

All Bound Round with a Telephone Line

In a Bell connected community it's not "how far is it to neighbor Perkins?" But "is neighbor Perkins' ring three?" The ring of a bell and you have him.

In marketing, in matters of farm routine, in emergencies, the telephone adds to the farmer's ease and profit.

Are you connected with the Bell system?

Ask our nearest Manager for information or write to:

THE SOUTHWESTERN TELEGRAPH AND TELEPHONE COMPANY DALLAS, TEXAS

Mr. J. W. Courtney was in the city from Alleyton on business Wednesday. He informed the HEADLIGHT that he had purchased the Henry Heine place about two and a half miles west of Eagle Lake and expected to move to same, though he stated he will not make the move before next fall. We will be glad to have Mr. Courtney and his family move nearer Eagle Lake.

Our congratulations are extended Mr. and Mrs. W. C. Elkins on the arrival of a pretty little daughter at their home on Tuesday.

Mr. Charles B. George entertained a large number of friends at a party given at the home of Mr. and Mrs. Frank Hough last Tuesday night. Those present were: Mr. and Mrs. Sinclair and son, Simon, Mr. and Mrs. S. A. Finn, Mr. and Mrs. Mose Thomas, Mr. and Mrs. Frank Hough and children, Opal, Curtis and Adell, Misses Mary Jane Esther and Minnie Thomas, Mary Thomas, Grace and Ethel Darby, Myrtle Sunderman, Dora Cullman, Alma Balke, Myrtle Johnson, Lettie Winnett, Ada Dutchman, Edna Russell, Bertha Russell, Waddell, Lucy Smith, Cora Garrett, and the Misses Bickham; Messrs. Chas. B. and Otis George, Glen Sunderman, Griff Thomas, Claude White, William Darby, Earl Poole, Walter Fussell, Leo Herring, Ernest Balke, Otis Lee, Bicham and the Messrs. Reese. Many games were played and all enjoyed a most delightful evening.

"It is a pleasure to tell you that Chamberlain's Cough Remedy is the best cough medicine I have ever used," writes Mrs. Hugh Campbell, of Lavonia, Ga. "I have used it with all my children and the results have been highly satisfactory." For sale by all Druggists.—Adv.

County Surveyor A. F. Mitchell was a visitor to Columbus the first of the week. Mr. Mitchell did not state the nature of his visit when questioned by a reporter as to where he had been. In fact he was a little "shy" on the subject, which leads us to make the assertion that our popular county surveyor has the matrimonial bee buzzing in his bonnet.

Mr. Frank Hough of Lissie was a visitor in the city Wednesday, and while here advanced his figures a year ahead on our subscription books for which he has our thanks.

The HEADLIGHT is getting out a much larger paper these days than usual, containing a great deal more reading matter. To get out a paper the size of the HEADLIGHT at present in a town of this size, and with the equipment of a country office, requires some little work and expense, if anyone should happen to ask you. It is our endeavor to give Eagle Lake the best local paper possible, but to get out a paper larger than our regular eight page form we must have the co-operation of our advertisers in our effort to do so. When copy for changes in advertisements is received late in the week we are compelled to neglect the news department in order to set these advertisements, when had they been received earlier in the week they could have been prepared and printed earlier, leaving us the last few days of the week to making the paper a newsy one. We sincerely hope our advertisers will help us in the matter, for, and we say it without boasting, that we believe every advertising firm of Eagle Lake appreciates our efforts in getting out a paper above the average small town paper, and when they understand how much help to us they will be in hand in their changes—early in the week, they will only be glad to do so. We solicit news items of every kind, and from every section of the Eagle Lake territory. Any news item telephoned the office and sent in by mail, provided it is properly signed that we may know the writer, will be printed in the paper. We do not ask the signatures for publication, but as a matter of protection, that we may know the articles are genuine.

Mr. Sam Cohn, the popular salesman at the B. H. Daily store, spent Sunday visiting at his old home in Hallettsville.

The Nairn Bros. company was here this week, giving three performances in the opera house on Monday, Tuesday and Wednesday nights. Each performance was good and this company is far superior to the troupes making the towns of this size. In fact, there were four actors in the cast that were exceptionally clever and none were bad. The comedians were especially good. We are sorry to say that while this was the best company that has played the opera house this season, it was patronized the poorest. Probably this was due to many conflicting entertainments, the carnival here, the one at Houston and other counter attractions. The Nairn Bros. is a good show and we take pleasure in recommending it to other towns. We trust that this company will visit Eagle Lake again when our people can show their appreciation more substantially than they did on this occasion of a good, clean and deserving performance.

Is your husband cross? An irritable, fault finding disposition is often due to a disordered stomach. A man with good digestion is nearly always good natured. A great many have been permanently cured of stomach trouble by taking Chamberlain's Tablets. For sale by all Druggists.—Adv.

Mr. Joe R. Tatam, who is leader of the carnival band, is also a very fine printer, and is putting in his time during the day while here in the HEADLIGHT office. Mr. Tatam is a printer of much experience, as well as a fine musician.

Mr. W. E. Wilson has purchased a lot on McCarty avenue, facing Mrs. S. S. Lott's and will build a home on same. The new home will be five rooms and a bath and Mr. Wilson expects to begin work on it in the very near future.

Baking Helps

Learn to Regulate the Heat of Your Oven

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine

There is just one way to make your cakes rise high and keep an even surface. Have your oven moderate at first, until the cake is fully risen; then increase the heat, so as to brown it over quickly. Extreme heat stiffens the dough. If you stiffen the outside of the cake before the rising is complete, you stop the rising process. Then the leavening gas, forming inside, will bulge up the center, where the dough is still soft, and spoil the shape of the cake.

Now—Biscuits or other pastries made with dough that are cut into shapes for the oven, bake in a hot oven. This is because the cut surfaces of the dough do not seal over, but rather leave the pores open, allowing the leavening gas to escape and the heat to penetrate readily. Small ovens cool quickly; therefore they should be made several degrees hotter than a larger oven, and the less the door is opened the better. Do not attempt to bake bread and pastry together. Bread requires a prolonged, moderate baking; pastries, a quick one.

Have a strong underheat for baking powder preparations, especially pastry.

These are only a few of the many baking helps found in the K. C. Cook's Book—a copy of which may be secured by sending the colored certificate taken from a 25-cent can of K. C. Baking Powder to the Jagers Mrs. Co., Chicago.

There will be a grand ball at Altair in the Harris Hall Saturday night, November 16th, to which all are invited. Prof. Polozek's orchestra will furnish the dance music.

Our sympathy is extended Mr. and Mrs. G. T. Harris in the death of their infant child at their home last Friday night. The funeral was held at Rock Island Sunday.

Mrs. Chas. Harter and little daughter were among the visitors to the Houston carnival this week.

OUR MOTTO IS

"CONFIDENCE"

And that is what the people of Eagle Lake and surrounding country have in H. Nussbaum. And our motto is to keep this confidence the people have in us. Why this confidence? Because Nussbaum sells goods as advertised. Because Nussbaum keeps the largest and best up-to-date stock of Dry Goods, Clothing, Shoes, Hats, and Ladies' and Misses' Ready-to-wear Suits, Skirts and dresses in the city, and because Nussbaum sells reliable goods for LESS money.

The first week of our "FORCED TO RAISE MONEY SALE" was a great success, and we were busy as bees for people came from all the surrounding country and as far as thirty miles from Eagle Lake and they bought, too. Several of them bought so much that they could not take their purchases home with them in their buggies and we were compelled to ship same by freight.

H. NUSSBAUM'S FORCED TO RAISE MONEY SALE WILL LAST TWO WEEKS LONGER. - THOUSANDS OF BARGAINS ARE WAITING FOR YOU

H. NUSSBAUM

THE HOUSE OF BARGAINS - EAGLE LAKE, TEXAS

P. S.—Some of my competitors are trying to open the pot with a four legged jack. The good people of Eagle Lake know that it takes four live jacks and then some to beat Nussbaum's hand. Why? Because Nussbaum's motto is confidence! And that's what the people of Eagle Lake have in H. Nussbaum.
