"THE STORE THAT SAVES YOU MONEY"

IT HAS ALWAYS BEEN THE POLICY OF THIS STORE never to engage in "mud-slinging" or lying to attract attention. It believes in higher ideals, its methods are too clean, its purposes too pure. The fellow that resorts to such, discloses to the public the fact that he has been "hard hit" and his jealousy has boiled over, that's all. --: --: --: --:

Although we are the youngest store in Eagle Lake it is universally conceded that we have built up the largest Dry Goods business in the county, only three months having past since the portals of the NEW STORE were first swung open to the public—three months that have been filled with a succession of TRADE TRIUMPHS. We can with all propriety say that this store has fulfilled the mission it was created for and that the public has appreciated its efforts.

We buy and sell more merchandise than any other firm in the county. We buy more because we sell more and we sell more because we sell cheaper, and we sell cheaper because we buy cheaper and this is where we have a decided advantage. It is safe to trade here because we refund money, its your greatest safe guard, whenever you do not like your purchase you can get your money back, quick as a wink, at this store.

THERE'S A WELL BEATEN PATH

It leads directly to our doors; throngs traverse it day by day. Shows that we are strengthening the friendly business relations between the store and the public, without which there can be no success. Want you to keep coming; want you to tell your friends and neighbors about this store; we want to serve them as faithfully as we are serving you. Confidence once established, the rest is easy.

McCray, of Silsbee and other State experimental men and demonstrators. Mr. Singleton, who had charge of the swine department of the Texas State Fair at Dallas, has been a practical hog breeder in Texas for years. He was formerly a member of the faculty of the Colorado State Agricultural College. Mr. Johnson and Mr. McCray are both practical poultry experts. The poultry car is a specially equipped fifty-foot baggage car, having on one side pens for all the prominent breeds of hens for egg-producing purposes on the market. There are two or three pens of each breed, and on the opposite side of the car are modern poultry houses and all practical poultry appliances. The hog car is a stock car fitted up by the Fort Worth Stock Yards Company, containing ten of the best types of hogs for market purposes. Model hog pens and hog appliances are also shown. Don't waste you money buying strengthening plasters. Chamberlain's Liniment is cheaper and better. Dampen a piece of flannel with it and bind it over the affected parts and it will relieve the pain and soreness. For sale by all Druggists.—Adv.

In this issue of The Headlight will be found the Eagle Lake Drug Company's ten dollar prize advertisement. This company a few weeks ago advertised that it would pay \$10.00 to the person writing the best advertisement on them. A large number of advertisements were submitted. A committee of disinterested persons was appointed and all of the ads turned over to them. This committee selected the advertisement that appears in today's paper, and same was written by Mr. T. L. Loughridge, to whom the Eagle Lake Drug Company paid a crisp \$10 bill.
