The Most Popular Cake This Season by Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine This is considered by many cooking authorities the finest cake that can be made, though in reality it is not at all

K C Lady Baltlmure Cake One cup butter; 2 cups granulated

tugar; I clip milk; I teaspoonful rose water; 31/2 cups flour; 3 level teaspoonfuls K & Baking Powder; whites of 6

Cream the butter and beat in the sugar gradually. Sift together, three times the flour and baking powder, and add to the batter and sugar, alternately with the milk and rose water. Lastly, add pans. Put the layers together with the following frosting. Norn-The cake is a large one and sells at

Stir the sugar and water until the sngar is dissolved, then let boil without stirring until the syrup from a spoon will spin a long thread; pour upon the whites of the eggs, beaten dry, beating constantly meanwhile. Continue the beating until the frosting is cold; add the fruit and spread upon the cake. The E C Cook's Book contains ninety just such delicious recipes, bread, muffins, cakes and pastry. You can secure a copy/rec by sending the certificate packed in every 25-cent can of E C Baking Powder to the JACUES Mro. Co., Chicago. Small cans do not contain Cook's, Book explication.

fair, and interesting presentation of world events. In condensed form it is the text book on world history in many of our leading universities. And now it bids fair to establish eyen a new record for popularity and big sales.

### More Absorbing than Fiction

Every volume tingles with full-blooded life, as the fascinating story of the undying heroes, the famous men, and beautiful women, of Greece, Sparts, feudal France, dark Italy, and modern times is unfolded. As in a dream you are guided through the wars of Caesar, the Cossades, Napoleon, Lee and Graht. From first to last it is more captivating, more engrossing than the liveliest fiction Yet none of its accuracy has been sacrificed. Clear, concise, well arrange his history gives you an appreciation of past ages, and an understand in present-day problems of life that you cannot get from any other source; s no history of equal comprehensiveness which is at once so up-to-date
