

A petition was circulated this week by Mr. A. H. Koennecke and signed by almost every business firm in Eagle Lake, asking the Wells Fargo Express Company to establish a separate express office at some point in the business part of the town and place a special express man in charge of the business. From all indications the express business of Eagle Lake is now entitled to this service, for under the present system, it is very unhandy for the patrons of the express company to take every package down to the Santa Fe depot to have them sent by express.

Rev. G. W. Storey, the Presbyterian minister, will hold services at the Dixie Theatre Sunday morning and evening, March 23rd. A congregational meeting will be held after the morning service at which important business will come up.

Anton H. B. Schell of Montz were among the visitors in the city Tuesday.

Dinner Next Wednesday

Don't forget that the ladies of the Presbyterian church will serve dinner next Wednesday, March 20th, the day of the good roads bond election. The ladies are giving this dinner for the benefit of the church and hope that the people of Eagle and vicinity will extend them the liberal patronage usually extended the efforts made by the ladies of Eagle Lake. They hope that the merchants and employees will ask their wives to join them down town that day, and that the farmers will arrange to come in about noon and all assist the ladies in making the dinner a financial success.

Mr. J. W. Schneider has moved his tailoring shop to the room in the former O. W. Westmoreland building, next door to the Oliver Stewart barber shop.

Mrs. R. L. White of Luling was the guest of Mrs. W. A. White. Mrs. White is working in the Galveston News contest, and was here in the interest of gathering new subscriptions for that publication.

Best for Skin Diseases

Nearly every skin disease yields quickly and permanently to Bucklen's Arnica Salve, and nothing is better for burns or bruises. Soothes and heals. John Deye, of Gladwin, Mich., says, after suffering twelve years with skin ailment and spending \$400 in doctors' bills, Bucklen's Arnica Salve cured him. It will help you. Only 25c. Recommended by Calvert's drug store.—Adv.

Mr. T. B. Russell of Cuero, formerly with the Cuero Creamery Co., arrived in this city this week and is now in charge of the ice cream and butter business of the Eagle Lake Creamery Co. Mr. Russell has the reputation of being among the very best ice cream and butter makers in the state of Texas.

Mr. and Mrs. Wm. Nickels spent Tuesday with Mrs. R. A. Toliver while en route to Yoakum from Glen Flora.

You judge a man not by what he promises to do, but what he has done. That is the only true test. Chamberlain's Cough Remedy judged by this standard has no superior. People everywhere speak of it in the highest terms of praise. For sale by all dealers.—Adv.

One of our promising young dry goods clerks has formed the habit of saying "yes, I've often noticed that" in agreeing with what people say to him. The other day a gentleman was buying some hosiery for his wife and remarked that she always wore black hosiery. "Yes, I've often noticed that," said the clerk from force of habit. He has been very industriously trying to get over the habit ever since.

Mrs. Mason McCarty expects to leave Monday for Laredo where he will spend several weeks buying onions for some of the brokerage firms he is representing.

Mrs. McHenry of Houston spent a few days last week visiting her daughter, Mrs. Cleveland Guynn.

SYMPTOMS OF CONSUMPTION

Yield to Vinol.

The medical profession do not believe that consumption is inherited, but a person may inherit a weakness or tendency to that disease.

A prominent citizen of Evansville, Ind., writes: "I was ill for five months with pulmonary trouble, and had the best of doctors; I had hemorrhages and was in a very bad way. Through the advice of a friend I tried Vinol, and I feel that it saved my life. It is all you recommend it to be. I believe it is the greatest medicine on earth. I have advised others to try Vinol, and they have had the same results." (Name furnished on request.)

Vinol soothes and heals the inflamed surfaces and allays the cough. Vinol creates an appetite, strengthens the digestive organs and gives the patient strength to throw off incipient pulmonary diseases.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

Chesterville News

Mrs. Henry Larson is on the sick list this week.

Mr. C. R. Salladay made a business trip to Corpus Christi Saturday.

Mr. Antone Bachus and son, Rheine, spent part of last week in Altair.

Mr. and Mrs. A. B. Crawford from the country spent Sunday in town with the former's mother, Mrs. J. Crawford.

Miss Lenora Fulford was called to Dallas Monday on account of the illness of her sister, Mrs. Durham.

Messrs. Gay and Ed Green were called to Corsicana on account of the serious illness of their brother, Doctor B. Green.

Mrs. Ed. Headley and little daughter, Edna, are visiting in the country near Eagle Lake with Mr. Chas. Banning and family.

Mr. F. A. Bruhl, who left last week for Putnam, Texas, to take treatment at a sanitarium, returned Tuesday, not having been pleased with the situation there.

Messrs. O. L. Miller and C. P. Salladay made a trip to Eagle Lake Tuesday in the automobile, and on the return trip they stuck in the mud, and like good boys, they took off their shoes, rolled up their pantaloons and waded to free their car. Another good argument for good roads.

Mrs. Ollie Mayfield of Cape Girardeau, Mo., who has been visiting her parents, Mr. and Mrs. E. S. Miller, returned to her home this week. She was accompanied to Houston by her sister, Miss Hazel, and Mrs. O. L. Miller. They were met there by Mr. Miller on his return trip from the North, and together they went to Galveston sight-seeing.

We are informed that through the efforts of Mr. O. L. Miller, our real estate man, that representatives of the American Drainage Co. of Dubuque, Iowa, will be here next week to make public demonstrations of their system, which, as we understand it, is a verticle tile system draining the surface water into the sand and gravel beneath the surface. As our energetic and prosperous farmers are always on the lookout for paying im-

provements, we extend a cordial invitation to all to be present.

Little Paul, the three year old son of Mr. and Mrs. Martin Larsen, who was kicked by a mule two weeks ago, died and was buried Friday in the Chesterville cemetery. Thus another precious little one is torn from the arms of loving parents, leaving sad and aching hearts and a lonely home. As we look upon his lifeless form, we could but say, "Thy will be done." Knowing He doeth all things well. We extend our sympathy to the bereaved parents in their hour of deep sorrow.

Card of Thanks—Through the Headlight we wish to thank our kind neighbors and friends, for the courtesy shown us during the recent illness and death of our little son, Paul.

Mrs. W. J. Taylor and Mrs. Party were pleasant callers at the HEADLIGHT office Tuesday. Although Stafford Taylor has been working at the HEADLIGHT office for a long time, this was the first visit to the office of Mrs. Taylor. She says now since we have moved to the ground floor she will be able to call occasionally, and we will always be glad to see her.

Mr. Geo. H. Northington, Sr., one of Wharton county's most prominent citizens and largest planters, was a business visitor in the city from Egypt last Saturday. Mr. Northington has many friends in Eagle Lake who are always glad to see him.

Sit and Wait

Rule Review: Don't advertise if you believe you are wasting your money. Let your competitors waste the money on advertising, and perhaps in this way you can put him out of business. Just stand back and laugh at him when you see him squandering his money for printer's ink.

That's it. If you are bothered by a competitor who hasn't any more gumption than to advertise, just stay calm and sit around and whittle as usual. Just be patient and take things easy, while the spiders spins webs across your cash drawer and the dirt daubers build them yet more stately mansions on your store shelves. Just wait, and keep on waiting. And if the competitor doesn't go broke from paying advertising bills—if, on the contrary, he gets more and more business as the months and years pass—well, you know that advertising doesn't pay, and just as certain as you are about that, just that certain you may be that he will become bankrupt, after which you may have a chance to dispose of your shelf-worn goods. Be patient and whittle. Be calm and keep knocking. Be wise and save the money you might spend for advertising. And when the public has forgotten you, when the flies have left their insignia upon every bit of merchandise in your house, and when you have become an old and disappointed and embittered man, out of tune with the times, out of the current of modern life, and failure is writ large upon your consciousness, you may still be consoled by the reflection that your foolish competitor has built up a business so big that it is about to give him nervous prostration.

"Your reports of the damage to the potato crop have not been overestimated," remarked Mr. W. J. Magee, a practical potato man, to the Headlight this morning. "They can say the crop is not hurt if they want to," he said, "but they'll find out different." Mr. Magee says the crop is badly injured.

NO REASON FOR IT

When Eagle Lake Citizens Show a Way.

There can be no reason why any reader of this who suffers the tortures of an aching back, the annoyance of urinary disorders, the pains and dangers of kidney ills will fail to heed the words of a neighbor who has found relief. Read what an Eagle Lake citizen says:

J. C. Cooper, Cemetery Ave., Eagle Lake, Texas, says: "I can confirm every word of the testimonial one of my family gave three years ago, concerning my case. I will say for the benefit of other kidney sufferers that Doan's Kidney Pills have permanently cured me of kidney complaint. The kidney secretions were badly disordered and bothered me at night. My back ached and when stooping or lifting, the pain became sharp and went directly to my head. I took several boxes of Doan's Kidney Pills and I felt like a different person. This remedy removed all the aches and pains."

For sale by all dealers. Price 50 cents. Foster-McIlburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.—Adv.

56 Bales of Long Staple Cotton From 50 Acres

Read what Mr. F. P. Herbert says about the

Columbia Big Boll Cotton

"From 50 acres of this cotton I sold 56 bales, which brought an average of over 15c. It cost no more to raise and is as easy to pick as any variety.

"Because mine was poorly picked and trashy, the price was not what it should have been, but nevertheless, the result was entirely satisfactory.
