FACT

Local Evidence.

Evidence that can be verified.
Fact is what we want.
Opinion is not enough.
Opinions differ.
Here's an Eagle Lake fact.
You can test it.

G. J. Shortt, Prairie St., Eagle Lake, Texas, says: "I was in a bad way with my back and there were sharp twinges if I attempted to move or turn in bed. My kidneys did not act regularly and I had to get up at night. An acquaintance learning that I was so seriously afflicted, brought me the balance of a box of Doan's Kidney Pills that he had been using, saying that it was the best thing for lumbago he had ever found. I used them and finding that I was improving, I procured a supply from Calvert's Drug Store. They cured me, and I have had no lumbago since. There is nothing I can say too strong for Doan's Kidney Pills. The cure they made in my case has been permanent. I willingly confirm my former statement."

The Moon Girl Tonight

The Moon Girl, the merry Billie Burke farce will be the offering at the Frazar Opera House tonight. Billie Burke never wrote any thing funnier than the Moon Girl; there is life and action throughout the two acts. The Moon Girl takes on speed before the first act is five minutes old, and never slacks up until the curtain falls. There is a plot and continuity to the story. The whole entertainment was concocted for laughing purposes, with highly successful results. The musical interruptions are many and pleasing. To those who like to be amused, the comedy should make a direct appeal. To those who like to see clever men and women who really can do something, the production is cheerfully recommended.—Adv.

You can say goodbye to constipation with a clear conscience if you use Chamberlain's Tablets. Many have been permanently cured by their use. For sale by all dealers.

Our sympathy is extended Mr. E. A. Cearnal in the death of his father which occurred at his home in Houston Monday of heart failure. Mr. Cearnal attended the funeral which was held at Houston the following day.

Mr. J. F. Ulery of the jewelry firm of F. S. Ulery & Son, left Tuesday for Houston to meet a representative of a large New York firm to place his order for holiday goods. While it seems a little early to be thinking of holiday goods, Mr. Ulery says in order to handle the class of goods that he expects to this season it is necessary that the order be placed now. He says the next holiday season will see a line of goods at his store that has never before been brought to a town of this size in Texas.
