we desire to extend to you our
sincere appreciation in a word of
gratitude. To those who opposed
us, we request that bygones be
buried—you are our friends; we
bear you no ill will. We strug-
gled fairly and did the best we
could to win. We thank one and
all those who gave us votes for
the votes given, those who made
us work for the pleasure derived
from the work.

Bruce McCarty left Monday af-

Notice of Sale of Cattle

Colorado County offers thirty
one head of cattle for sale, to the
highest bidder for cash, at ten
o'clock Saturday, April 19th,
1913. This sale will take place
at the county farm, one mile east
of Columbus, and the right is re-
served to reject all bids offered.
This stock consists of 11 year-
lings, 12 two-year-olds, and 8
three-year-olds, all steers and
are fat and fine.

On the same day the court so-
licits sealed bids for the purchase

J. J. MANSFIELD,
County Judge.

Mr. and Mrs. W. E. McRee
and children, Mr. and Mrs. W. C.
Guyann, Joe Frazar and J. W.
McCarty spent several days
camping out on the Bernard this
week enjoying camp life, fishing
and plover shooting.

Mr. W. J. Franz, who recently
purchased the undertaking busi-
ness of Mr. O. R. Davis, on Tues-
day of this week, sold the same
to Mr. Frank May, undertaker
at Wharton. Mr. May has al-
ready assumed control of the
business. He will not move to
Eagle Lake himself, but will have
as manager of the establishment
Mr. W. J. McMahon, who has
been connected with Mr. Davis
for several months past. Mr.
McMahon is a fine man and we
are glad to know that he will
make Eagle Lake his permanent
home.

Say Bruce: I have paid you
\$1.00 per month for several
months for advertising. Have
realized so far about 60 per cent
on the investment. It pays.
Anyone wanting painting, paper-
ing and floor finishing done cor-
rectly, send 'em to me.

THE FRANK STEPHENS COMPANY

Remember the Dowden potato digger, the old reliable. Out of the twenty-seven that went out last year not a one of them was returned. \$2.00 will pay for all the repairs that went out last year. We also have cheaper potato diggers. Plenty of wire baskets to pick up potatoes in and still have a very good stock of paris green, hoes for chopping cotton, sweeps, garden tools, etc. A car load of refrigerators and a complete stock of hardware, both shelf and heavy. Our grocery, flour and feed stock is all O. K. and our bread is as good as can be made. Don't fail to give us a call.

Yours for trade,

THE FRANK STEPHENS COMPANY

The House H. NUSSBAUM of Bargains

Now Ready for You With Newest Creations From the World's Fashion Centers

THE NUSSBAUM STORE offers magnificent buying opportunities. The spring season of 1913 finds this store splendidly prepared for business. Stocks in every department are unusually large; the assortments complete; styles cor-
rect, quantities best, prices the lowest. The best advertisement this store ever had has been the goods that we have sold. We have always believed that small pro-
fits would make a big business. Our new spring merchandise exhibits show, in a marked degree, what values can be offered when the dealer is looking to his future, and considers first of all, his customers' satisfaction.

A safe store to pin faith to—not the only store, but the best. Best because it is the most liberal of any store in the county. Best because it is the most pleas-
ant and most convenient in arrangement. Best because its prices are invariably low and generally lowest. Such a store is a public utility. Just as reliable when you want to buy a suit of clothes as a paper of pins.

The Nussbaum Store is the store of bargains that saves you money. Drop in tomorrow—any day—and look over our stock—the biggest in the county, the prices the lowest. They are worth looking at. Even if you do not buy you will not find such values in any other store.

: A Spring Suit for You at Nussbaum's :

One that you will like—the kind of clothes that you have been looking for. Nussbaum's clothes for men have already earned for themselves quite a reputation in Eagle Lake and vicinity. They are recognized as leaders in styles; perfect in fit and unequalled in workmanship and materials. This spring's showing will greatly improve their reputation, for its the best, the most complete collection of men's clothes we have ever shown. All the newest styles and shades and the choicest of fabrics are here. You are welcome to come in and see them at any time.
