

A PACKAGE OF SWEETNESS
Is what many people call a box of Harris' ice cream. That they are absolutely right you will agree if you just try the cream. It comes in all flavors and is so smooth and delicious that each spoonful creates a "moreish" feeling as delightful as it is novel. Test it by tasting.

your stomach or bowels give them a trial. For sale by all druggists. Adv.

THE HEADLIGHT

AN ORGANIZATION NEEDED

Potato Growers Will Probably Form Association to Handle Next Year's Crop.

Much favorable comment has been heard among the potato growers and the business men of Eagle Lake, who are naturally interested in the potato industry, since the last issue of the HEADLIGHT containing an article on the urgent need of a potato growers' association. While it is no doubt too late now to begin the organization of such an association for this season, it is not too late to begin talking it so such an organization may be in force by the time next year's crop of potatoes is thrown on the market. If such an association is to be formed, and it will have to be, sooner or later—some one will have to take the lead in the move. It has been suggested

that Westmoreland, both potato growers and both men thoroughly in touch with the potato business, assume the lead in the matter and see what can be done along the line of organization. Both are good men for the work, and just as soon as the potato men are through with this season's crop, an effort will be made by these and other gentlemen to see what can be done in the matter.

Dance at Opera House

A pleasant dance was given here in the opera house Wednesday night by Mr. Brahan Frazar and other young men of the city. In compliment to the Misses Stinnett of Amarillo, who were here en route home from San Antonio. The Eagle Lake orchestra furnished the music for the occasion. The following were among those present: Misses Stinnett, Amarillo; Misses Allie Hall, Wharton; Mollie, Belle Matthews, Glen Flora; Pauline Hubner, Margaret Hubner, Lois Moore, Bay City; Lois Neilson, Houston; Ruth Westmoreland, Park Green; Esther Westmoreland, Mae Webster, Ethel Davis, city; Mesdames Stinnett, Duncan, Bonner, Burger, Walker, Dallas, Menefee, and Messrs. Brahan Frazar, Waldo Terrell, Joe Frazar, Chas. Von Lengerke, A. F. Mitchell, Vance Duncan, Geo. Bonner, Warren Walker, John Beard, J. W. Westmoreland, Allen Conner of San Antonio; Rex Cabiness of Glen Flora Will Northington of Egypt; Dick and Spencer Clements of Lane City and others whose names we probably failed to note.

Mrs. J. W. Mead left last week for Wortham, Freestone county, from which place she will accompany her mother, who is in poor health, to the western part of the state.

There never was a time when people appreciated the real merits of Chamberlain's Cough Remedy more than now. This is shown by the increase in sales and voluntary testimonials from persons who have been cured by it. If you or your children are troubled with a cough or cold, give it a trial and become acquainted with its good qualities. For sale by all druggists. Adv.

To Christian Church Members: It is important that the May meeting of the Christian Aid Society be held. McCarty. Monthly dues 25c each. Every woman in the church is asked to be present and help in this effort to raise the deficit on the last fund, amounting to \$58.00. Reporter.

Are you in favor of a Fourth of July celebration in Eagle Lake? It has been several years since anything of the kind has been given here, and really Eagle Lake owes something like this to the people of the surrounding community who do their trading here. If you are in favor of a big, free celebration and barbecue here on the Fourth let it be known.

The roads within the corporate limits of Eagle Lake are getting in a mighty bad fix. Ruts, ruts everywhere! Even the public square is in poor condition. Our town needs road work, and the council promises that now the city's finances are getting in shape so that the proper road work can be done, the city will begin a regular campaign of road work.

Poor appetite is a sure sign of impaired digestion. A few doses of Chamberlain's Stomach and Liver Tablets will strengthen your digestion and improve your appetite. Thousands have been benefited by taking these Tablets. Sold by all druggists. Adv.

Miss Edith Hanly leaves tomorrow for Austin to be present at the commencement exercises of the Whitt's College, her sister, Miss Frances Hanly being a member of the graduating class. She and Miss Frances will return home next Thursday.

He Wanted Instruction

Herbert and Helen were sitting on the beach in the moonlight when, moved by the impulse he couldn't resist, he suddenly kissed her.

"Oh! Herbert," she exclaimed, "that's not right."

"I'm very sorry, Helen," replied Herbert, humbly. "I did the best I knew how. Won't you show me the proper way?"

Time to Call a Halt

It has not been but a few years since the editor of this paper was one of the "leading spirits" in all the dances of the community. Then—not in the dim, distant past—but only three or four years ago, the dance and the "popular" dance of today are two separate and distinct dances. This "fancy," we don't know exactly what they do call it, but it must be the "Boston Wiggle" or the "Worm Dance," is all the go nowadays. That is, it is all the go in towns that will permit it to go. Just where such a disgusting dance originated, we are at a loss to say, and just at this time we are not going to comment on this new dance, but in a later issue we expect to do so, and when we do, we are going to "call a spade a spade." To say the least of it, this new dance, to those who never knew it in their dancing days, is disgusting.

As the word "go" has been called on these new dances in about half of the cities of Texas, and in the opinion of this paper, it is about time the smaller towns of the state are taking some action in the matter. Words in a newspaper are impossible to tell just how this dance appears to the onlookers—you must see it for yourself. Mothers should see it, and in our honest opinion, their daughters would forever and eternally be barred from doing the "worm" or the "wiggle" or whatever the "society kids" of the present-day label this sickening and disgusting stunt.

Mesdames Sam Damon of Smithville, Byron Smith of Richmond and Newt Phillips of Winchester arrived here last Wednesday to be with their sister, Mrs. Wm. M. McKinney, for a few days. The days spent together were in the form of a reunion which lasted until Monday when Mrs. Damon left for Eagle Lake to visit other relatives. LaGrange Journal.

A meeting of the fire department is called for Monday night, May 20th, 8 p. m. Business and practice drill. Smoker on the side. All members requested to be present.
