John Guynn is Dangerously Ill.

Mr. John A. Guynn, one of the most popular young men of Eagle Lake, is very low at the Norsworthy Hospital in Houston of that dread disease, typhoid. He was taken sick four weeks ago last Wednesday, but not until the early part of this week was his disease thought to be serious. On Monday, his brothers, M. E. and W. C. Guynn, were telephoned that his condition had grown alarming. Both left immediately for Houston and are still with their brother in that city. Since last Monday John's life has hung in the balance. Yesterday he rested well and passed a good night. This morning as we go to press he is resting easy. The doctors attending him are of the opinion that if he has a good day today and rests well tonight, he will have passed the crisis of his illness. John is cheerful and hopeful, which, coupled with his strong constitution and splendid physique, will be great factors in pulling him through his illness. "What's the latest you've heard from John?" is the question asked whenever two people pass on the street, showing the universal popularity in which he is held by the people of his home town, the people who have known him from childhood, whose hearts are with him during his severe illness, and whose prayers are for his recovery. May God spare his life and restore him to health and strength in the sincere prayer of those connected with this paper.

Mr. Homer Durham left the first of the week for Tyler where he is taking a business course in the Tyler Business College.

The Five Hundred Club

The Five Hundred Club was beautifully entertained by Mrs. S. H. Brown on Wednesday afternoon, at her lovely home on Prairie Avenue. The lucky ones were the honoree, Miss Price of Houston, was presented with a lovely fern dish. The ladies present were: Mesdames Smith, Frazer, Walker, Egnus, Matthews, Dreeben, Nathan, Landa, Heilbron, Pierce, Barbe, McCarty, Wilson, Lenhart, Carey, Bonner, Misses Malcomson and Price. The Club will be entertained next week by Miss Malcomson.

U., a voting party for all the young people under eighteen years of age in Eagle Lake and vicinity. "Shall the cigarette and tobacco law be enforced?" will be the issue of the day. THERE'S ALWAYS A RUSH for the refreshment table when our ice cream is served. There is a reason, of course, but what is the use of describing it. All we say is try our ice cream and you'll know why it is so popular. That's the best advice we can give.

CORROBORATION
Of Interest to Eagle Lake Readers
For months Eagle Lake citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills by Eagle Lake residents. Would these prominent people recommend a remedy that had not proven reliable? Would they confirm their statements after years had elapsed if personal experience had not shown the remedy worthy of endorsement? The following statement should carry conviction to the mind of every Eagle Lake reader. A. L. Wagner, Stevenson Ave., Eagle Lake, Texas, says: "I have the same high praise for Doan's Kidney Pills today as I did three years ago, when I publicly stated that they cured me of kidney complaint. The cure still remains permanent."

For sale by all dealers. Price 50 cents. Foster-McIlburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.—Adv.

NOTICE—Owing to the fact that so many people send to our office on Friday evening for a paper before they have been mailed in the postoffice, we often run short of papers in making up our regular mail. For this reason no papers will be sold or given out from the Headlight office on Friday evening until after the entire edition has been mailed in the postoffice. The Headlight will be placed on sale every Friday evening at least thirty minutes before they are mailed in the postoffice, at Calvert's drug store.

If you want something good to eat come to Clifford's Restaurant, McCarty building, opposite the S. P. depot.

While in swimming in the Colorado river last Sunday, Mr. T. J. Balhorn narrowly escaped drowning. He wore a baseball suit as a bathing suit, had swum the river and was about the middle of the stream coming back when, from the weight of his clothing and exertion, he could go no further. Mr. John Latenburg swam to his rescue and towed him safely to shore. Terry says it took John only a short time to reach him, but it seemed like a month to him while he was coming. Terry says, if anybody happens to ask you, you can just tell them that Terry says Terry is about up with swimming in the Colorado river, for the present season at any rate.

Mr. C. W. Calvert has purchased a farm near Brazoria and will shortly move to that place. Mr. Calvert is a most excellent citizen and we sincerely regret to see him leave Eagle Lake, but wish him the best of good fortune in his new location.

The HEADLIGHT editor is in receipt of a pretty souvenir card from Miss Sophia Daily, who, with her mother and brother, is visiting relatives in New York City. She says she has just gotten out of bed with tonsillitis. She has been sick almost continuously since she came to New York and says she hasn't gotten to see the little old "burg" yet.
