We Should Have Union Depot.

It would be a mighty fine thing
if our three railroads would build
a union passenger station in Eagle
Lake. Our town deserves it. The
Santa Fe, it is true, has a nice
little depot, but the other two
are a step in the face to Eagle
Lake. And that old disgracefully
looking eye-sore of the Southern
Pacific standing right in the heart
of town, that old water tank, should
be removed. If the railroad company
just positively refuse to move it,
they city council should devise ways
and means to move it anyhow.

Hon. Geo. Herder Was Here.

Hon. Geo. Herder of Weimar,
Colorado County's representative,
was the guest of his daughter,
Mrs. D. A. Allen, Tuesday
and Wednesday. Mr. Herder is
just home from a visit to Marlin,
and his many friends in Eagle
Lake are rejoicing that he is
rapidly regaining his health and
strength after a severe siege of
meningitis.

for a visit to her sister, Mrs.

were shown through the mysteries of
Woolcraft—and it is said they were
duly initiated. There are twelve more
applications for initiation at the

on the ground. With this new church,
the new oil mill, new stores and new
residences, East Bernard is in line with
the most progressive towns of South
Texas.

LOCAL DRUGGIST

MAKES STATEMENT

Says Dodson's Liver Tonic is the
Best Remedy for Constipation
and Shaking Liver He
Has Ever Sold.

Every person who has tried
Dodson's Liver Tonic and knows
how surely and gently it starts
the liver to working and relieves
biliousness will bear out Calvert's
drug store in this statement about
Dodson's Liver Tonic.
"It is a purely vegetable liquid
that entirely takes the place of
calomel, harmless and pleasant
to the taste, that has proven itself
the most satisfactory remedy for
a slow-working liver that
most of our customers have ever
tried. A large bottle sells for
fifty cents and we do not hesitate
to give the money back to any
person who tries a bottle on the
strength of this statement and is
not satisfied with the result."
In these days of doubtful medicines
and dangerous drugs, a statement
like the above is a pleasant
assurance that Dodson's Liver
Tonic is a reliable remedy for
both children and grown-ups.
In buying a bottle for immediate
or future use it is well to make
sure you are getting the genuine
Dodson's Liver Tonic and not
some spurious imitation that
has copied our claims, but do not
stand back of their guarantee.
You may be certain of getting
the genuine if you go to Calvert's
drug store for it.—Adv.

Rain at Garwood Sunday.

Mr. Ed. R. Frnka of Garwood
was a business visitor in the city
Tuesday and called at the head-
light office to put his subscrip-
tion figures a year ahead. Mr.
Frnka says they had a pretty
nice rain in the Garwood vicinity
last Sunday evening. The rain
did not cover a wide area and
seemed to follow up the river.
This is the first rain sufficient to
put water in the ditches and low
places, Mr. Frnka says, that has
fallen in that vicinity in ninety-
nine days.

that date will be assumed by me.

his mother, she having sent him
a basket filled with tomatoes of
like size.

Studebaker

"The LIFE of a wagon is what counts
—that's why I buy a Studebaker"

"That's reasonable, isn't it?"
"A wagon that doesn't last is expensive no matter
what price you pay for it."
"Suppose you buy three wagons, one after the
other, and the three of them don't last as long as one
Studebaker—which is the best bargain?"
"I didn't find this out myself. I heard my grandfather say it
a good many years ago. He said he had proved that it paid to buy
a Studebaker. I followed his advice to my own satisfaction."
"A wagon can't have life in it unless it has the material and
work and finish in it. The Studebaker people have been making
vehicles for sixty years. They ought to know how to make wagons
right—and they do. They have the reputation because they've
produced the goods. They don't put the name Studebaker on
until the wagon's right, and when you see the name Studebaker
on a vehicle of any kind it is your insurance of quality."
"That's why I buy a Studebaker. I trust a Studebaker wagon
because I trust the people that make them. It's good business."
"A Studebaker promise is always made good."
