A Talk on Tailoring

Why go to a ready-made cloth-
ing store, and be limited to a
choice of only three or four dif-
ferent patterns, the few styles
that are made up in your size,
when we can show you over one
thousand patterns and give you
your fit in every one?

We build clothes to your own
personal measure, the kind
that the best dressed men all
over the world are wearing. You
can not duplicate the material
and workmanship in our \$25.00
garment for less than \$35.00
elsewhere. GEO. REDFORD.

Article of Interest to School Patrons

The election held Saturday,
July 19th dissolved the Eagle
Lake Municipal Independent
school district and formed the
Eagle Lake Independent school
district. When it dissolved the
old district it also abolished the
tax, making it necessary to call
an election to re-levy the school
tax, NOT to vote an additional tax
or to vote another tax, but to
RELEVY THE SAME TAX.

Under the old district the school
board could levy fifty cents on
the \$100 taxable values for main-
tenance and twenty-five cents on
the \$100 valuation for bonds, or
seventy-five cents on the \$100 for
all purposes. Under the old dis-
trict the board never levied more
than forty-five cents for both
maintenance and bonds and un-
der the new district the board is

limited to fifty cents on the \$100
for all purposes.

The board promises that it will
not levy the full fifty cents that
it will not increase the taxes, but
if the assessable values warrant
it, to decrease the taxes. In any
event the tax will not be more

than forty-five cents on the \$100
valuation for all purposes. With-
in the past four years the enroll-
ment has increased from 225 to
350 pupils, the faculty has had to
be increased from six to eleven
teachers and another grade, or
year's work, has been added.

With all of the above increase
the board has never raised the
taxes.

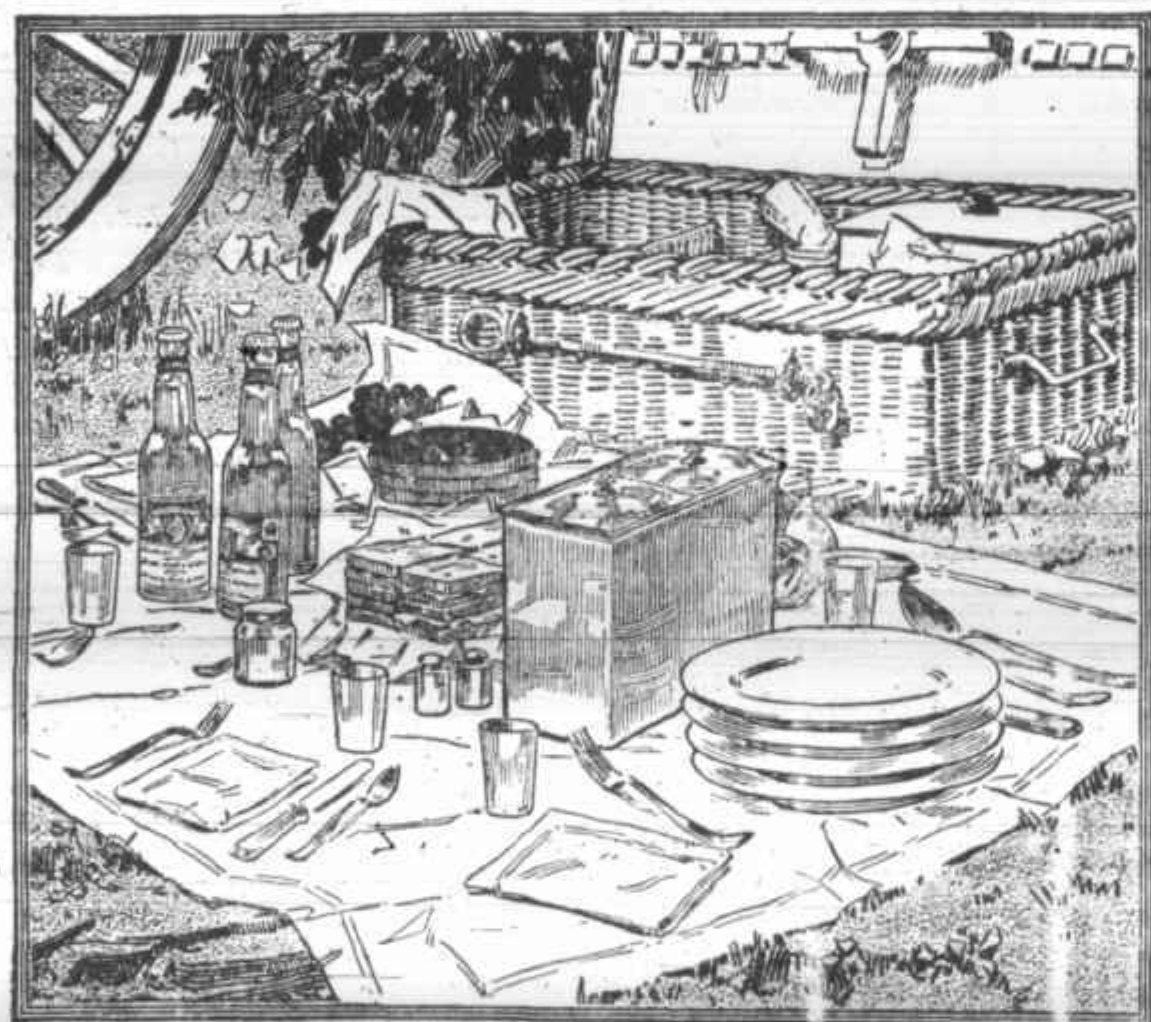

It also must be taken into ac-
count that the board just about
\$1500 per year in delinquent taxes
from firms and individuals who
take advantage of all technicali-
ties in the law to evade pay-
ment of their taxes. The board has
tried to follow the law in forming
the new district so there will be
no way to avoid paying taxes in
the future and all will pay their

defeated it will mean the closing
of the schools next year. The
per capita tax from the state will
only run the schools three
months. Teachers can not be
employed for this short time nor
can the grade work be kept up.
If you wish the schools to be
kept going next year go to the
polls and vote for the tax. If the
tax is defeated we will have no
school next year.

Rid Your Children of Worms
You can change fretful, ill-tempered
children into healthy, happy young-
sters, by ridding them of worms. Toss-
ing, rolling, grinding of teeth, crying
out while asleep, accompanied with in-
tense thirst, pains in the stomach and
bowels, feverishness and bad breath,
are symptoms that indicate worms.
Kickapoo Worm Killer, a pleasant
candy lozenge, expels the worms, regu-
lates the bowels, restores your chil-
dren to health and happiness. Mrs.
J. A. Brislin, of Elgin, Ill., says:
"I have used Kickapoo Worm Killer
for years. I could not be without it."
