

Make Us Prove It!

We back our claims by an honest promise to refund your money in every instance in which you do not derive absolute satisfaction.

Do not take anybody's word for it. Do not even take our word for it. Make us prove it.

When we say to you that we believe that Rexall Remedies are the most honestly made, the most scientifically made, the most-effective, nearest-perfect-in-every-way of any line of remedies ever offered for the relief of human ills, we are ready to back that statement to the limit. Every sale of every one of the

REXALL REMEDIES

is always made with the positive guarantee that it will give satisfaction—that it will give relief—that it will do all that is expected of it—or the money paid for it will be refunded without question or formality. This guarantee goes with every sale of every one of the Rexall Remedies. It is a guarantee authorized by the manufacturers, and backed in every instance by our own personal guarantee.

There is no red tape to this—no string to this offer—nothing to sign. All you have to do in any instance in which a Rexall Remedy does not give satisfaction—does not do all we claim for it or that you expect of it—is to come back to us empty-handed, and upon your mere say-so, we will cheerfully and promptly give back your money.

Isn't that fair? Can you doubt our honesty of purpose? Is there any reason for you to hesitate or doubt?

WHEN HER BACK ACHES

A Woman Finds All Her Energy and Ambition Slipping Away.

Eagle Lake women know how the aches and pains that often come when the kidneys fail make life a burden. Backache, hip pains, headaches, distressing urinary trouble, dizzy spells, are frequent indications of weak kidneys and should be checked in time. Doan's Kidney Pills are for the kidneys only. They attack kidney diseases by striking the cause. Here's proof of their merit in an Eagle Lake woman's words:

Mrs. M. E. Cooper, Cemetery Ave., Eagle Lake, Texas, says: "I have found Doan's Kidney Pills a most beneficial remedy and to those who suffer from attacks of backache and a tired, worn-out feeling, I strongly endorse them. More than once when suffering from pains and aches, due to disordered kidneys, I have used Doan's Kidney Pills, produced at Calvert's Drug Store, and they have never failed to give me quick relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.—Adv.
