

ENTERTAINED IN HONOR OF GUESTS.

Last Monday evening the pretty home of Mr. and Mrs. M. G. Calvert was open to their many friends in honor of the Misses Carlton of Velasco. Tables were arranged on the lawn that the guests might enjoy the cool breeze in the soft moonlight. After games of buncos and pinochle, delicious refreshments of pipe apple ice and angel food cake were served. The evening was a round of pleasure. Those present were: Misses Julia Smith of Yorkville, S. C., Ruth McElhinney of Crowley, La., Virginia Holmes of Turtle Bayou, Mary Simmons of Brenham, Gertrude Russell of San Antonio, Rebecca Watson of San Antonio, Leleue Wilson of Houston, Fay Wood of Uvalde, Myrtle and Doris Carlton of Velasco, Madeline McKee, Fannie Williamson, Pansy Green, Mary Edna Boothe, Nell and Cora Green, Pearl Lee, Lelia Wilson, Cleo Cross, Margaret

and others. After the guests had departed, the hostess, Mrs. Calvert, and her daughter, Miss Lillian, were left alone. They were talking over the evening's events when Mrs. Calvert said: "I wish we had the time to hear it over and over." The quartet by Misses Cora Green, Mary Edna Boothe, Mary Thomas and Mrs. Horace McKee moved and melted all hearts. Miss Bessie Lena Yates then gave a selection on the piano which made us know why music had such matchless charms. Indeed it was a rare treat that few had the privilege to enjoy. A beautiful benediction was pronounced by Rev. J. E. Lovett, of the Methodist church. After this fruit punch was served. This ended one of the sweetest services it has been our pleasure to attend. Long may this band of Christian workers live to carry on their blessed work.

The following is the list of articles received, there still being some out: 19 bath towels, 14 plain towels, 12 linen towels, 5 sheets, 20 pillow cases, 2 dresser scarfs and \$5.00 in cash. The class wishes to take this opportunity to thank each and every one who helped to make this shower such a success. Contributed.

LINEN SHOWER A GREAT SUCCESS.

The linen shower given by the Philathea Class of the Baptist church Tuesday evening was a success. At half past four the ladies began to gather at the church. A large basket was placed on the inside on the left of the front entrance to receive the offerings of generous people, which was presided over by Misses Nell Green and Mary Terrell, the ushers being Misses Madeline McKee and Ruth Cooke. At five o'clock, the president, Mrs. Hayes Stephens, called the house to order, being opened with prayer led by Rev. J. A. Stephen. A solo was rendered by Mrs. R. E. Walker to the delight of all. Rev. Mr. Stephen gave the history and purpose of the Houston sanitarium. A violin solo was rendered by Miss Dinkelspiel. She charmed her hearers as her master hand held the bow that produced such classic notes. Miss Gene Welford sang as only she can, "One Sweetly

AID SOCIETY MET WITH MRS. BRUCE.

The Baptist Ladies' Aid Society was entertained in the hospitable home of Mrs. Bruce at the last meeting. Eight members, and two past members, whom we were glad to welcome, were present. The devotional hour was opened with prayer by Mrs. Stephen. The lesson, 6th chapter, 2nd Cor., was read and discussed. Mrs. Bruce read a very interesting piece on the work in China, and Mrs. Brown a much needed lesson on "Christian Love". Contributions were then made for Baylor College. An appropriate song on the phonograph finished the program. Refreshments of fruit ice and two kinds of delicious cake were served during the social hour by the hostess, assisted by Miss Grace Stephen and Miss Aline Margaret Thatcher. Next meeting will be with Mrs. Boothe. Contributed.

TO ATTEND SCHOOL IN SAN ANTONIO.

Mr. Dick Lott is now working at the Headlight office, having begun work at the office Monday. He is getting in shape to succeed Mr. Claude Barrow, who will resign his position with the Headlight shortly to go to school in San Antonio. Claude is one of the best boys that has ever worked in this office, and we regret to have him leave us. He has been taking a business course in the school here, between work hours, in order to prepare himself for the school in San Antonio when he enters. We wish Claude much success in his school work, and we are sure it will be successful, for he has plenty of ability and plenty of stick-to-it-iveness, and with the two combined he is sure to succeed at most any thing that he undertakes.
