Mr. Clifford was simply flooded with "fresh yard eggs" and he says he didn't know where there were so many "fresh" eggs in the country. He says it wasn't long after the paper got into circulation until all the eggs in the country around turned to "fresh yard eggs."

More Funds Needed to Carry on Work at Cemetery

Mr. J. E. Roberts, who is superintending the improvement work at the Masonic cemetery, has given the Headlight the following article for publication:

"I wish to call the attention of those who have not contributed anything to the up-keep of the Masonic cemetery, that it is very necessary for you to do so at once. I only have enough money to keep a man employed for a short while, this condition being brought about by the fact that at times, and for most of the time, I have had from three to four men working, trying to keep ahead of the nut grass which seems to be the menace, but for the past month I have been able to keep ahead with one man, and from now on one man will be able to keep the cemetery in nice condition. Those of you who are interested enough to walk up to the cemetery and note the condition of same, and compare it to the condition prior to this movement, and feel that the cause is worthy, I shall be glad to accept your offerings and will lend my best efforts to keep the work up. I think that it would be a crime if the people would allow their carelessness or seeming negligence to be the means of stopping this work."

Mr. Chas. Lengerke and Mr. H. W. Lott will leave Tuesday for a trip through Western Texas, and will spend a few weeks at Menard. Beware of Ointments for Catarrh That Contain Mercury
Mercury will surely destroy the power of smell and completely derange the whole system when entering it through the mucous surfaces. An article should never be used except on prescriptions from reputable physicians, as the damage they will do is ten-fold to the good you are possibly deriving from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.
