Dream on, Kid!

A little girl in Linwood is just about old enough to have a beau, and she is perfectly crazy about any pompadoured, tall, skinny lad that—well, let us tell our little incident without adding adjectives.

The maidens lovely boy friend went out of town for a week, but she wrote letters. And the maiden's sister started kidding. "What!" exclaimed sis. "Another letter from Rob? When do you expect to marry him, dear?" "Oh, very soon," cried the little one, encouraged by such a display of sympathy.

"Robert has only two years more in the preparatory school. And then he will go to Harvard and be graduated with highest honors. After he gets his degree he will go out west and make his fortune, and then we shall be married. Oh, it all seems so beautiful!" "Dream on kid!" exclaimed the older sister tenderly. "Do you want to go to another picture show with me this evening? There's a long time to wait, and we've got to put in the time somehow." Cleveland Plain Dealer.

Mr. H. F. Clifford, who has been conducting a restaurant in the McCarty building for some time, is packing up preparatory to opening up a restaurant in Houston at the corner of Main and Congress. Mr. Will Hadley will also go to Houston to work in Mr. Clifford's restaurant. This leaves Eagle Lake without a restaurant, and the building formerly occupied by Mr. Clifford is for rent. For particulars apply to S. O. McCarty.
