HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Came Up in Despair. Husband Came to Rescue.

Patron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes that she had been in a state of despair for four years, with various troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without tiring me, and am doing my work.

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of wonderful success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

He says his hills will average from two to five shippers and the stock of excellent quality. A GAME WARDEN WILL PROTECT BIRDS HERE

Relative to several articles in this paper about people shooting quail and ducks here before the season opened, the State Game Warden's department sent a special man here from Austin to investigate the matter and to obtain the names of those who hunt before the season opened. We do not know just what the matter and that several arrests will likely occur soon. The headlight was informed by the representative of the department that Eagle Lake will be given protection in the future. A game warden will be located here for a month immediately after the close of the season, and two men will be placed here during the month of October, one whose duty will be to watch the lake hunting and the other to keep watch on the quail hunters.

At Christian Church.

Our church is happy over the results of last Sunday's services. Our victory was even greater than we had anticipated. We believe that at least eighty per cent of the membership was at the communion service, and the Bible School attendance was the greatest in the history of the school. We would not have any one to believe, however, that what was done was accomplished without effort upon the part of our devoted faithful few. Were you one of the boosters? If not get in the booster biz!

You be kind enough to meet us next Sunday morning at the Christian church with your Bible and spend an hour with us at the Lord's house, and if your whole life is not made better and happier by the investment, we will confess that we do not know what we are talking about. The subject for the morning sermon, "Has God Ever Failed to Keep His Promises?" "Joy of Obedience" will be the topic for the evening sermon.

R. H. JONES, Pastor.

Mr. J. I. Farrel, block signal man for the Katy, with headquarters in Denison, is here today. Jack is just back from a visit to Kansas City.
