At Christian Church.

Don't forget that our Christmas entertainment is to be a swell one. We know the folks that have charge of the program and speak with a certainty on the subject. You had better get busy and investigate the matter, for you cannot afford to miss one of the best and most attractive exercises that was ever given by any Bible School in Eagle Lake. We have heard lots of nice things of late about our work and workers, and we trust that our past victories will be stepping-stones to a larger usefulness in the days to come.

All of the services at the church will be held next Sunday as usual. The minister will preach at 11 a. m. and 7:30 p. m. The subject to be discussed at the evening hour, "How We May See Jesus," will be the second one in a series regarding the life of the Master Teacher.
