

CALLAHAN HEADLIGHT PRINTER, FLEW COOP

J. K. Callahan, who has been with the Headlight for over two years, "blew" on last Saturday night and left for parts unknown without the formal "good-bye." He enjoyed the friendship and esteem of every one in town, and much regret as well as surprise is expressed that he should have taken his leave in such a manner. For the present the Headlight force is working short-handed, and our advertisers are requested to send in all advertising copy by Wednesdays, at noon.

We are glad to learn that Mrs. S. Garmon is recovering from a very severe spell of rheumatism.

MOTORCYCLE FOR SALE!

The Headlight editor has on his hands against his wish—a Twin Indian Motorcycle, that he can't ride and don't want if he could, that will be sold for \$150, if taken at once. Used but little and as good as new. Equipped with Presto light, Presto tank, wild cat whistle and speedometer. A bargain for somebody.

ALL WINTER STOCK
OF GOODS MUST GO

January Clearing Sale

Now Going on in Full Blast

And continues until we are rid of every article of winter merchandise in stock. This is not a time for profit making! It is not even a time for counting the cost! It is the time for clearance—and that is the one sole object toward which we are bending our energies. If you have been waiting until January to buy some article you need, then tomorrow is your day. The sooner you can come, the better. Through the very nature of things stocks are not complete. Some lots are small and will go quickly; others are too large and they, too, will go quickly—by the magic of greater than usual reductions. Not all the things on sale are mentioned in this ad. A sale so general in character would require several pages to exploit every article. Whatever you need, it will be safe to try Nussbaum's first. No doubt you will find it with a reduction tag attached. THESE PRICES ARE A CRITERION AS TO WHAT YOU WILL FIND THROUGHOUT THE HOUSE
