NEXT SUNDAY IS GO TO CHURCH DAY FOR CITY

Church People of Eagle Lake are
Making Active Campaign to
Get Large Attendance.

An active campaign has been
made by the local pastors and all
church people of this city to make
"Church-Going Day" in this city
on next Sunday, January 26th, a
big success. A great many peo-
ple who are not in the habit of at-
tending any church, have given
their promise to attend services
at some one of the churches in
the city on next Sunday morn-
ing and night. There will be
special services at every church
in the city, and you will be heart-
ily welcomed at any of the church-
es. Be sure and attend some
of the churches Sunday and make
Eagle Lake's "Church-Going Day"
one long to be remembered
in this city. If you have no
special church to attend, then
attend services at one church in
the morning and go to a different
church in the evening, but be
sure you go to some one of the
churches. The church people
are anticipating a large attend-
ance at every church in town
Sunday, and it is hoped that not
only the people living here in town
will attend, but that all the peo-
ple living in the country around
Eagle Lake will come in for ser-
vices on this day. Your pres-
ence is wanted in some church
next Sunday. The church peo-
ple have worked hard to make
this day a success, and they sin-
cerely hope that you will visit
some one of the churches on this
day. The campaign has been
made to get all the people to at-
tend church on Sunday, and if
you do not attend, you are
leaving a gap in the church
for you to attend, but
they want you to attend any
church in town that you prefer to
go to. If you have never attend-
ed church before in your life, or
if you have not been in a church
in many years, you are expected
and will be welcomed in any
church in the city next Sunday.
Don't disappoint the church peo-
ple, but attend some church next
Sunday, for all the members of
the various churches have work-
ed hard and faithfully to make
"Church-Going Day" in Eagle
Lake a big event, and a day long
to be remembered as a day of
banner attendance at all the
churches.

FOUR CANDIDATES HAVE ANNOUNCED FOR MAYOR

Mayor's Race is Getting Warm
But Poll Tax Payments Are
Coming in Rather Slowly.

With the announcement of A.
M. McCarty for mayor in this
week's issue, there are four can-
didates in the field for mayor,
Dr. H. Fitzgerald, W. B. Welhausen,
Strickland and W. M. Williams,
son having previously announced.
There is a great deal of in-
terest being taken in the coming
city election, which gives prom-
ise of being warm ere the close.
All candidates, in our opinion, are
in the race to stay and we do not
believe that any of them will get
"cold feet" before the day of the
primary, so with four candidates
it is a hard matter for the "book-
makers" on the outside to center
on the winning candidate. In the
opinion of this paper the mayor's
vote is going to be so divided, that
it is going to be a hard matter to
tell who will be the winning can-
didate until every ballot is counted.
No other candidates for alderman
have announced, leaving up to this
time three candidates and two of-
fices to be filled. The marshal's
race is unchanged since last is-
sue of this paper, only the two
candidates that have previously
announced, Messrs. N. W. Calli-
son and H. S. Vineyard. The
marshal's race, in our opinion, is
just about an even break. Both

Lumbago-Sciatica Sprains

Here's Proof.
"I had my back hurt in the Boer War
and two years ago I was set on a horse
car. I tried all kinds of things without
success. I saw your Liniment in a drug
store and got a bottle to try. The first
application caused instant relief, and now
except for a little stiffness, I am almost
well."—Fletcher Jerome, St. Louis, Mo.
Instant Relief from Sciatica
"I was kept in bed with sciatica since
the first of February, but I had almost in-
stant relief when I used your Liniment."

Sprained Ankle
"As a user of your Liniment for the last 15 years, I can say it is one of the best on
the market. Fifteen years ago I sprained my ankle and had to use crutches, and
the doctors said I would always be lame. A friend advised me to try your Liniment
and after using it eight and a half months I could walk without a cane
and run as good as any of the other fellows in my department. I have never been
without a bottle since that time."—Mr. William H. Brown, Grand Rapids, N. Y.

FOR STOMACH TROUBLE

John W. Skillen of Sidney, Ohio,
Has Found a Remedy.

Experts declare that the reason
stomach disorders are so common in
this country is due to hasty and care-
less habits of eating. Stomach
troubles and run-down conditions
usually go together.

John W. Skillen of Sidney, Ohio,
says: "I had a bad stomach trouble
for years, and became so weak that
I could hardly walk or do any work.
My appetite was poor, and it seemed
impossible to get any relief. Since
taking 'Vinol' I find a remarkable im-
provement in my health, my digestion
is much stronger, and I have gained
in weight. I would not be without
'Vinol'.

'Vinol' makes weak stomachs strong
because it strengthens and tones up
the weakened, tired and overtaxed
nerves of the digestive organs. 'Vinol'
is easily assimilated by the weakest
stomachs, and is delicious to the taste.
Try a bottle of 'Vinol' with the un-
derstanding that your money will be
returned if it does not help you.
