## TWO SMALLPOX CASES IN THE CITY

There are two cases of smallpox in town, the patients being a negro woman and her daughter, both at the home of Will Thomas, in the colored residence section of town. The woman and girl are both from Houston, the disease developing upon them shortly after their arrival here. City Health Officer J. K. On Monday night about twenty people met at the school auditorium and organized a chorus. Those present were much enthused and hope to see a much larger number of people present next Monday night. ## WEAK KIDNEYS OFTEN THE RESULT OF OVERWORK.

On several occasions I have been unable to work and suffered severe pains in the back, due to my kidneys. I called on a doctor of Ripon, Wis. but received no relief.

I tried Dr. Kilmer's Swamp-Root, which gave me instant relief. I was then able to resume work. Swamp-Root is the only relief I can get from kidney disease which I am subject to in the spring of the year. I am writing this testimonial through my own free will that sufferers of kidney and bladder diseases will know of the wonderful merits of Swamp-Root. I recommend Dr. Kilmer's Swamp Root whenever I can and always have a bottle of Swamp-Root in my home.

I purchased Swamp-Root of Mr. J. C. Burnside, Druggist, at 202 Main Street, Ripon, Wis.

Very truly yours,  
Thomas J. Lynch.

325 Newbury St., Ripon, Wis. I have read the above statement that Thomas J. Lynch made of Dr. Kilmer's Swamp Root at my store and made on the above statement is true in substance and fact.

Malcomson of Houston, all of whom were with him at the time of his death except Mrs. McDonald.
