ADVERTISING COPY TO
OFFICE BY WEDNESDAY

Our advertisers are kindly asked
to furnish us with their copy
for advertisements or changes in
regular advertisements by noon
Wednesday to insure publication
in the issue of the same week.

It is almost impossible for us to
change advertisements when the
copy reaches us later in the week
than the time above mentioned.

As this is very important to us to
get the paper out on time, and
not neglect the news columns,
we hope our advertisers will as-
sist us in keeping the paper up
to its standard of news service
by getting their copy to us as
early in the week as possible—
and not later than at noon on
Wednesday.

DANCING PARTY ON LAST FRIDAY NIGHT

A pleasant dance was given by

punch was served during the
evening. Those present were,

Mrs. O. L. Miller, Mr. and Mrs.

Weimar, Texas, Feb. 7.—John
H. Brooks purchased a 20-acre
tract of land, adjoining Weimar
on the south, from Wells Town-
send for \$1000. Mr. Brooks al-
so purchased a residence for him-
self in Weimar from R. G. Stegeman
of Brownsville for \$350.

Columbus, Texas, Feb. 10.—
Since the flood fishermen here
have been sounding the depth of
the river and state they find in
many places that it was washed
out to a great depth, one of them
saying "no bottom could be
found," and he thought it must
be fifty feet deep. Fish have
been caught easier, too since the
overflow and a couple of 11 and
12-pound gaspers have been land-
ed.

connected with the Telephone
Company here but now of Eagle
Lake, was here Wednesday visit-
ing relatives.—Rosenberg Her-

Didn't Bother Mother.

The mother of a family that
had just moved to a small Okla-
homa town was being sympa-
thized with by a visitor because
of the distance of the house from
the creek which furnished water
for household purposes.

"It must be quite a tax upon
your strength to carry water for
the Saturday night bath for your
large family," the visitor sug-
gested.

"Oh, no, I don't mind," was
the cheerful reply. "Besides, I
gave 'em all a good wash before
we left Texas."

Mrs. R. T. Atwell spent last
week visiting relatives in Rosen-
berg.

Peculiar After Effects
of Grip This Year.

Leaves Kidneys In Weakened
Condition.

Doctors in all parts of the country
have been kept busy with the epidemic
of grip which has visited so many
homes. The symptoms of grip this
year are often very distressing and
leave the system in a run down con-
dition, particularly the kidneys which
seem to suffer most, as almost every
victim complains of lame back and
urinary troubles which should not be
neglected, as these danger signals of-
ten lead to dangerous kidney troubles.

Druggists report a large sale on Dr.
Kilmer's Swamp-Root which so many
people say soon heals and strengthens
the kidneys after an attack of grip.

Swamp-Root is a great kidney, liver
and bladder remedy, and, being an
herbal compound, has a gentle healing
effect on the kidneys, which is almost
immediately noticed in most cases by
those who try it. Dr. Kilmer & Co.,
Rochester, N. Y., offer to send a
sample size bottle of Swamp-Root, on
receipt of ten cents, to every sufferer
who requests it. A trial will convince
any one who may be in need of it.
Larger size bottles, 50c. and \$1.00.
For sale at all druggists. Be sure to
mention this paper.—Adv.

Columbus, Texas, Feb. 10.—
Vital statistics of Colorado Coun-
ty for the month of January, as

Weimar, Texas, Feb. 6.—Mrs.

leton, one of the oldest settlers
in Chapman county, died and was
buried here.

Mr. A. C. McCann, manager
of the McClanahan Lumber
Company visited his brother, Mr.
John F. McCannahan, at Center
Point, the early part of the week.
He says John is doing nicely since
going to the western part of the
state and has gained about thirty
pounds in flesh, which will be
good news indeed to John's many
friends here.

Mr. Chas. LeGondro of Vic-
toria was a visitor in the city last Sat-
urday, accompanying home Mrs.
LeGondro who has been spending
several days here visiting Miss
Willie McFarland and other re-
latives.

After a winter of almost ideal
spring weather, a cold norther
came down upon us last Friday
and by Saturday morning there
was plenty of ice everywhere.
The rose bushes and fruit trees
had already begun to put out, all
the new growth being wilted by
the freeze. As the fruit trees
were not budded out to any great
extent, it is not believed that the
cold spell will have any effect on
the fruit crop. Many people of
the town had young gardens up,
but most all of them covered the
young vegetables, which do not
seem to be injured by the cold
spell.

We note from the last issue of
the Rosenberg Herald that Mr.
John Stephen is now editor of
that paper, having begun his
duties with the last issue. Mr.
Stephen is a son of Rev. and
Mrs. T. A. Stephen of this city
and spent a few weeks here re-
cently as bookkeeper at the Eagle
Lake State Bank during the
absence of the regular bookkeep-
er, Mr. W. L. Peterson, from the
city. We wish Mr. Stephen
much success in his newspaper
venture.

How Is Your Boiler?

It has been stated that a man's stom-
ach is his boiler, his body is his en-
gine and his mouth the fire box. Is
your boiler (stomach) in good work-
ing order or is it so weak that it will
not stand a full load and not be able
to supply the needed energy to your en-
gine (body)? If you have any trouble
with your stomach Chamberlain's
Tablets will do you good. They
strengthen and invigorate the stomach
and enable it to do its work naturally.
Many very remarkable cures of stom-
ach trouble have been effected by them.
For sale by all dealers.—Adv.

The Fact Remains

No amount of misrepresentation by the
peddlers of alum baking powders, no jug-
gling with chemicals, or pretended analysis,
or cooked-up certificates, or falsehoods of
any kind, can change the fact that

Royal Baking Powder
has been found by the offi-
cial examinations to be of the
highest leavening efficiency,
free from alum, and of absolute
purity and wholesomeness.

Royal Baking Powder is indispensable
for making finest and most economical food.

ALL WRONG

The Mistake is Made by Many
Eagle Lake Citizens.

Look for the cause of backache.
To be cured you must know
the cause.

If it's weak kidneys
working right.

A resident of this vicinity
shows you how.

A. J. Hill, barber, Hallettsville,
Tex., says: "I suffered acutely
from pains across my loins and
an irregularity in the passages of
the kidney secretions. Some-
times the misery was almost un-
bearable. Learning of Doan's
Kidney Pills, I got a supply and
began using them. They regu-
lated the passages of the kidney
secretion, removed the pain in
my back, and benefited me in
every way. I still think as high-
ly of Doan's Kidney Pills today
as I did several years ago, when
I gave a statement recommend-
ing them. I gladly confirm all I
then said."

Price 50c, at all dealers. Don't

same that Mr. Hill had. Fos-
