ADVERTISING COPY TO OFFICE BY WEDNESDAY

Our advertisers are kindly asked
to furnish us with their copy
for advertisements or changes in
regular advertisements by noon
Wednesday to insure publication
in the issue of the same week.
It is almost impossible for us to
change advertisements when the
copy reaches us later in the week
than the time above mentioned.
As this is very important to us to
get the paper out on time, and
not neglect the news columns,
we hope our advertisers will as-
sist us in keeping the paper up
to its standard of news service
by getting their copy to us as
early in the week as possible
and not later than at noon on
Wednesday.

south of Weimar, at \$25 per acre.

Weimar, Tex., Feb. 7.—Charles
Fahrenbold purchased a farm of
125 acres near Borden five miles
east of this city, at \$36.50 per

Columbus, Texas, Feb. 10.—
Vital statistics of Colorado Coun-
ty for the month of January, as
furnished by County Clerk John
Hasted, are: Births 18, deaths
9. The number of marriage li-
censes issued for the same pe-
riod were 28.

Kit Stapleton, wife of Sebe Sta-
pleton, one of the oldest settlers
of Colorado County, died and was
buried Monday.

Weimar, Texas Feb. 7.—John
H. Brooks purchased a 20-acre

Columbus, Texas, Feb. 10.—
Since the flood fishermen here
have been sounding the depth of
the river and state they find in
many places that it was washed
out to a great depth, one of them
saying "no bottom could be
found," and he thought it must
be fifty feet deep. Fish have
been caught easier, too since the
overflow and a couple of 11 and
12-pound gaspers have been land-
ed.

Mr. Chas. LeGendron of Victoria
was a visitor in the city last Sat-
urday, accompanying home Mrs.
LeGendron who has been spending
several days here visiting Miss
Willie McFarland and other re-
latives.

After a winter of almost ideal
spring weather, a cold norther
came down upon us last Friday
and by Saturday morning there
was plenty of ice everywhere.

The mother of a family that
had just moved to a small Okla-
homa town was being sympa-
thized with by a visitor because
of the distance of the house from
the creek which furnished water
for household purposes.

"It must be quite a tax upon
your strength to carry water for
the Saturday night bath for your
large family," the visitor sug-
gested.

"Oh, no, I don't mind," was
the cheerful reply. "Besides, I
gave 'em all a good wash before
we left Texas."

Mrs. E. T. Atwell spent last
week visiting relatives in Rosen-
berg.

Peculiar After-Effects of Grip This Year Leaves Kidneys in Weakened Condition.

Doctors in all parts of the country
have been kept busy with the epidemic
of grip which has visited so many
homes. The symptoms of grip this
year are often very distressing and
leave the system in a run down con-
dition, particularly the kidneys which
seem to suffer most, as almost every
victim complains of lame back and
urinary troubles which should not be
neglected, as these danger signals of-
ten lead to dangerous kidney troubles.
Druggists report a large sale on Dr.
Kilmer's Swamp-Root which so many
people say soon heals and strengthens
the kidneys after an attack of grip.
Swamp-Root is a great kidney, liver
and bladder remedy, and, being a
herbal compound, has a gentle healing
effect on the kidneys, which is almost
immediately noticed in most cases by
those who try it. Dr. Kilmer & Co.,
Binghamton, N. Y., offer to send a
sample size bottle of each Chamberlain's
Tablets will do you good. They
strengthen and invigorate the stomach
and enable it to do its work naturally.
Many very remarkable cures of stom-
ach trouble have been effected by them.
For sale by all dealers.—Adv.

The Fact Remains

No amount of misrepresentation by the
peddlers of alum baking powders, no jug-
gling with chemicals, or pretended analysis,
or cooked-up certificates, or falsehoods of
any kind, can change the fact that

Royal Baking Powder
has been found by the offi-
cial examinations to be of the
highest leavening efficiency,
free from alum, and of absolute
purity and wholesomeness.

Royal Baking Powder is indispensable
for making finest and most economical food.

ger of the McClanahan Lumber
Company visited his brother, Mr.
John F. McClanahan, at Center
Point, the early part of the week.
He says John is doing nicely since
going to the western part of the
state and has gained about thirty
pounds in flesh, which will be
good news indeed to John's many
friends here.

Don't You Believe It?
Some say that chronic constipation
cannot be cured. Don't you believe
it? Chamberlain's Tablets have cured
others—why not you? Give them a
trial. They cost only a quarter. For
sale by all dealers.—Adv.

the kidney secretions. Some-
times the misery was almost un-
bearable. Learning of Doan's
Kidney Pills, I got a supply and
began using them. They regu-
lated the passages of the kidney
secretion; removed the pain in
my back, and benefited me in
every way. I still think as high-
ly of Doan's Kidney Pills today
as I did several years ago, when
I gave a statement recommend-
ing them. I gladly confirm all I
then said."
