

CHASE-LISTER SHOW. IS MAKING GOOD

Always Favorites in Eagle Lake, the Chase-Lister Company is Playing to Big Houses.

The Chase-Lister Theatre Company, according to announcement, came in last Sunday afternoon from Yoakum and is playing a week's engagement here. The tent is stretched on the usual grounds, the Keith lot. On Monday night the company gave a splendid bill, "An American Girl." Although the weather was cold, a good crowd was present. Tuesday night, the weather being so cold, and on account of a local talent counter attraction, there was no performance at the tent. On Wednesday night the company played "A Country Boy," and last night's bill was "A Fighting Man."

Mr. Chase says this is one of the company's strongest bills, and that it is something entirely different. Saturday afternoon at half past two, "The Girl From Goldfield" will be the matinee attraction, closing the engagement here on Saturday night with "The Last Roundup." This is the third visit of the Chase-Lister Company to Eagle Lake and unfavorable weather has prevailed every time the company has been here. The Chase-Lister show is so far ahead of the average show company that there is no comparison. The bills are all good and clean and handled by a clever bunch of actors. The management is pleasant, agreeable and strictly on

the square. It is a pleasure to have the Chase-Lister people with us, and they will always find a welcome when they come to our city. Really, we would like to see this excellent company visit Eagle Lake once during good weather, for we believe, under favorable weather conditions, their large tent would be packed to its full capacity each night.

SIDE STEP CALOMEL

It's Poison to the Human System and Works Great Harm

You perhaps know cases in your own experience when people have been salivated—injured for life by the use of calomel. Such cases are matters of daily occurrence. Modern medical science has discovered a vegetable remedy which eliminates liver poisons more effectively than dangerous calomel and at once saves you all the disagreeable effects. It is gentle in effect, no griping, no nausea, no chance of salivation. It cleanses the system thoroughly.

It is known as GRIGSBY'S LIVER-LAX, and is sold in 50c and \$1 bottles by Eagle Lake Drug Co. under an absolute guarantee that your money will be refunded if you wish it after trying this wonder remedy.

For your protection and the protection of the druggist, the likeness of L. K. Grigsby appears on every bottle.—Adv.

To The Voters of Eagle Lake.

I want to thank every one that came to my assistance in my race for mayor from the depths of my heart. Those that voted against me I hold no malice at all. As mayor of Eagle Lake, I will have no friends to reward or enemies to punish. My only aim will be to be mayor to all the people. To my opponents in this race I love you all. You made a clean fight and I admire you for it. Now the election is over, let's bury the differences and work together to build up Eagle Lake. I want you to help me to make the best mayor possible, with malice toward none and the kindest feeling for all. Again thanking you one, and all, I am yours for Eagle Lake now and all time to come.

Yours very truly,
E. L. Mooney.
