METHODIST LADIES GIVE BANQUET FRIDAY NIGHT

Ladies of That Church Give Fine
Banquet to Men Members;
Presiding Elder Present.

The banquet given to the men
of the Methodist church on last
Friday night in the Franz build-
ing on Main street, by the ladies
of that church, in honor of Pres-
iding Elder, Dr. V. A. Godbey
of Austin, was a great success,
the ladies having served an elegant
four course turkey dinner to
thirty-four invited guests.
The evening was spent in re-
sponding to toasts. These
speeches were crisp, spicy and
to the point in every case. Many
pleasant anecdotes were narrat-
ed, some changed and made to
suit the occasion. By common
consent the banquet was a
big success, but one of the most
enjoyable affairs that Eagle Lake
has experienced in a long time.
That the good ladies of the Meth-
odist church may repeat the af-
fair in the near future, is the
desire of all the men who
were fortunate enough to be
present.

CALOMEL A GREAT
DANGER TO MANY
Has Bad Effect on Some--Dod-
son's Liver Tonic Takes Its Place
and is Perfectly Harmless.

If you will enquire at Calvert's
drug store you will find that Dod-
son's Liver Tonic is guaranteed
to be a safe, reliable remedy to
take the place of calomel and a
harmless liver stimulant having
no bad after-effects. Indeed, any
firm will refund purchase price
(50c) without question if you are
in any way dissatisfied with this
vegetable liquid.

It is very unwise to take calomel,
ever dangerous, as many
people suffer from the poison
afterwards, even though they may
appear at first to be temporarily
relieved. On the other hand,
Dodson's Liver Tonic works easi-
ly and naturally (really assisting
nature) with no pain nor gripe
and correcting all bilious con-
ditions and ill effects of constipation,
clearing away the sick headache
and the coated tongue, brighten-
ing the dulled brain and strength-
ening the weakened body at the
same time that it removes collect-
ed waste from the overburdened
system.

Those who have tried Dodson's
Liver Tonic have found that it
made them healthier and happier.
A test may prove of great benefit
to you right now. Adv.

PATENT SECURED FOR SOUTH TEXAS INDUSTRY

By a patent just granted to W.
T. Eldridge of Sugar Land on a
stock food formula, another im-
portant industrial enterprise of
far-reaching proportions is guar-
anteed to this section.

For the past year Mr. Eldridge
has been engaged in marketing
his product, which already covers
a wide section of Texas and ex-
tends beyond state boundaries.
With the granting of the patent
Mr. Eldridge will organize
his forces for much larger pro-
duction and much wider distri-
bution.

Tests of packing houses and
by the federal government have
demonstrated the value of the
formula. The foundation of the
formula is black strap molasses,
a by-product of cane, which up
to a few years ago was regarded
largely as waste. Houston

The Land of Pretty Soon

I know of a land where the streets
are paved
With the things we meant to

It is walled with the money we

And the pleasures for which
we grieve.

The kind words unspoken, the
promises broken,
And many a coveted boon,
Are stored away there, in that
land of somewhere.

The land of "Pretty soon."

The Tragedies of Life.

Once upon a time not so very
many months ago, there appear-
ed in a Texas paper an editorial
what is called the "greatest trag-
edy in the world," it being the
case of a man working and striv-
ing to accumulate something in
the world of commerce and a wo-
man companion, who is extrava-
gant and succeeds in keeping him
in a hole. Newspapers in Texas
have reproduced that editorial in
every section rolling it as a sweet
morsel under the tongue.

We have wondered why some-
body did not turn the other side
of the picture to the gaze. There
is a tragedy on the other side of
this "living and saving proposi-
tion." The struggling little moth-
er who wears her life out work-
ing and stinting and saving in an
effort to raise decently and edu-
cate the children of an improvi-
dent father. A husband who
freedom to spend his earnings
as he pleases, leaving a half-fed,
half-clothed family to face an un-
friendly world. There is no great
or tragedy this side the entrance
of hell, than rages in the heart
of a proud, loving mother who
watches, helplessly, her children
as they grow into manhood and
womanhood uneducated and but-
feted about by those more fortun-
ate. Hamilton Herald.

A Winter Cough
A stubborn, annoying, depressing
cough hangs on racks the body, weak-
ens the lungs, and often leads to se-
rious results. The first dose of Dr.
King's New Discovery, Tones, relieves,
Henry D. Sanders, of Cavendish, Vt.,
was threatened with consumption, af-
ter having pneumonia. He writes:
"Dr. King's New Discovery ought to
be in every family; it is certainly the
best of all medicines for coughs, colds
or lung trouble." Good for children's
coughs. Money back if not satisfied.
