

THE CITY PARK IS BEING IMPROVED

Eagle Lake's City Park Will Be
Converted From an Eye-Sore
Into City's Beauty Spot.

Improvement work has been begun in the city park. In a few more days the entire park will be plowed up and dragged to the center. The iron fence has been taken down, and same is offered for sale by the city. Instead of the park being round in the future, it will be made square. There will be no fence around it, only the iron cable which will be stretched tight, which will be continued in use as a hitching rack. In making the park square instead of round, it will afford about one hundred more feet of

magnolias and probably other, will be set out, and it is likely an ornamental hedge of some kind will be planted just on the inside of the hitching cable all around the entire park. When the improvements have been completed, you are not going to know that place, but it is going to be a great improvement to the town. The Headlight has been censured by some for having kept everlastingly hammering on the subject of improving the park, but it has been neglected and we are truly glad that it is now coming in for some attention. Nicely fixed up and properly kept, the park is going to be attractive and an advertisement to our city.

LOCAL WOMEN AGREE WITH STAGE BEAUTIES

Of all women in the world, probably those on the stage are most particular about their personal appearance, and especially in the care of the hair; and when such leading stage beauties as Ethel Barrymore, Elsie Ferguson, Natalie Alt, Louise Dresser, Rose Coghlan, Laurette Taylor, and many other are so enthusiastic about Harmony Hair Beautifier as to write in praise of it, that is certainly evidence that it does just what they say it does—that is, beautifies the hair. There are many women right in this town, and men too, who regard it as indispensable, because it makes the hair glossier and more silky, easier to dress and make stay in place. Sprinkle a little on your hair each time before brushing it. Contains no oil; will not change color of hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick thorough cleansing. Washed off just as quickly the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness.

Both preparations come in odd-shapes very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall Stores, and in this town only by us.—Eagle Lake Drug Co., Eagle Lake Texas.

are, we honestly believe, the best remedy made for Indigestion, Dyspepsia and all other Stomach Ills

We Know They're Good

Rexall Dyspepsia Tablets, in addition to other ingredients, contain Pepsin and Bismuth, two great digestive aids used by the entire medical profession. They soothe the inflamed stomach, check the heartburn and distress, stimulate a healthy secretion of the gastric juice, aid in rapid and comfortable digestion of the food and help to quickly convert it into rich red blood, and thereby into flesh, bone and muscle. They relieve stomach distress promptly, and, used regularly for a short time, tend to restore the stomach to a comfortable, easy-acting, healthy state. They aid greatly to promote regular bowel action.

Delays Are Dangerous

Don't neglect indigestion, for it frequently leads to all sorts of ills and complications. The pain and discomfort is not the most unfortunate part. The fact that when the stomach is not acting right, the material needed to repair the wastes that are constantly taking place in the body is not being given to the blood either in the proper condition or fast enough is far more serious. Nothing will cause more trouble than an unhealthy stomach. The blues, debility, lack of strength and energy, constipation, biliousness, headaches and scores of other serious ailments result from the failure of the stomach to properly do its work.

You Risk No Money

Our willingness to have you use Rexall Dyspepsia Tablets entirely at our risk proves our faith in them. We always sell them this way, and it is because we know that they have greatly benefited scores of sufferers to whom we have sold them. There's no red tape about our guarantee. It means just what it says. We'll ask you no questions. You needn't sign anything. Your word is enough for us. We know that when they help you you will consider it money well spent even if they had cost you ten times as much. If they don't help you, the money you paid for them is yours, and we want you to have it.

Sold only at the more than 7,000 Rexall Stores—the World's Greatest Drug Stores. In convenient boxes—three sizes: 25c, 50c, \$1.00

COLORED TEACHERS HOLD SESSION HERE

The Southwest Texas Teachers' Association, colored, held an enthusiastic meeting in this city last Friday and Saturday. A splendid program was executed, embracing helpful topics of vital importance.

W. J. McCann of Wharton, county, is president of the association, W. H. Isaacs, first vice president. Quite a number of colored teachers from various parts of the country were in attendance. The next session of the association will be held in Bay City on February 11th and 12th, of next year.

The local talent entertainment, "American Beauties," given at the Dixie Theatre on Tuesday night, under the direction of Mrs. T. J. Atkinson of Houston, for the benefit of the Lakeside Cemetery Association, was a most successful affair. All on the program rendered their parts splendidly, the audience showing its approval of every number by a hearty applause. The door receipts amounted to \$55.00, which, after all expenses were paid, was divided equally between the director, Mrs. Atkinson, and the ladies of the cemetery association, each realizing \$27.00.

The Headlight is in receipt of a pretty souvenir card of the interior of the Pierce Hardware Company's store. The card is a fine picture and shows off the store to an advantage. "Does it pay to advertise? We think so," says Mr. Pierce.
