

Lameness

Sloan's Liniment is a speedy, reliable remedy for lameness in horses and farm stock. Here's proof.

Lameness Gone
"I had a horse sprain his shoulder by pulling, and he was so lame he could not carry foot at all. I got a bottle of Sloan's Liniment and put it on four times, and in three days he showed no lameness at all, and made a thirty mile trip without a hitch."—*W. J. Simpson, Le Sueur, La.*

For Splint and Thrush
"I have used Sloan's Liniment on a fine mare for splint and thrush. It makes the horse feel better, and I have recommended it to my neighbors for thrush and they say it is the best. I find it the best Liniment I ever used. I keep a bottle of Sloan's Liniment in my house and use it on my horse and on my neighbors' horses."—*W. J. Simpson, Le Sueur, La.*

LITTLE WILLIE BROSIG BREAKS RIGHT ARM.

Little Miss Willie Brosig, youngest daughter of Mr. and Mrs. C. H. Brosig, while skating with a number of children Wednesday afternoon on roller skates, fell on the sidewalk in front of the F. P. Herbert home and broke her right arm above the wrist. Dr. Fitzgerald was summoned and promptly set the injured member, and the little patient is getting along now just as well as could be expected.

With a few more days of this pretty sunny weather and all kinds of vegetation will be putting out. Plum and pear trees are in full bloom and peach and other trees are beginning to put out in leaf. Potatoes are beginning to come up, but there is a cold spell predicted for the middle of this month which is causing the potato men some uneasiness. Crop conditions of all kinds are very encouraging at this time.

Mr. E. A. Toliver says he can go these fellows who have been blowing about their fine laying hens "a few" better. He says he has forty hens and seven roosters and yesterday he got forty-seven eggs. Mr. Toliver says from that record it's pretty evident that everything laid. Dr. Davidson happened to be present and called Mr. Toliver's hand. The doctor says, "That's no record to be crowing over, why I have one old hen that lays an egg every day of the week and on Sunday always deposits two." We are waiting to hear from Mr. Carothers and Mr. Damon.

LESS DYSPEPSIA NOW

—HERE'S THE REASON

The fact that there is less dyspepsia and indigestion in the community than there used to be is largely due to the use of the famous Rexall Dyspepsia Tablets, hundreds of packages of which we have sold. No wonder we have faith in them. No wonder we are willing to offer them to you for trial entirely at our risk. Among other things, they contain Pepsin and Bismuth, two of the greatest digestive aids known to medical science. They soothe the inflamed stomach, allay pain, check heartburn and distress, help indigestion, the food, and tend to quickly restore the stomach to its normal, comfortable, healthy state.

There is no red tape about our guarantee. I mean just what it says. We'll ask you no questions. Your word is enough for us. If Rexall Dyspepsia Tablets don't restore your digestion easy and comfortable, we want you to come for your money. They are sold only at the 7,000 Rexall Stores, and in this town only by us. A young minister was invited to pass his vacation at the summer home of a wealthy member of his congregation. The little daughter watched the young man closely during the visit, and one morning sat down beside him and began to draw on her slate.

"What are you doing?" the minister inquired.

"I'm going to draw your picture," replied the child.

The young man sat very still and the little girl worked away earnestly. Suddenly she stopped and compared her work with the original.

"I don't like it very much," she said. "I guess I'll put a tail on it and call it a dog."

YOU CAN'T EARN MONEY WHEN YOU'RE LAID UP

There are a lot of people in this town who cannot afford to be sick. Perhaps none of you feel that you can, but certainly some of you can't, for as soon as you are sick, your wages stop and worry and debates begin to pile up. The sensible thing for you to do, as soon as you feel run-down and worn out, no matter what the cause, is to take something just as quick as you can to build up strength and health. Make yourself more comfortable and provide against serious sickness.

We don't believe there is any other medicine made that will do as much towards saving your health and thus helping you save your money as Rexall Olive Oil Emulsion. It is a medicine that gets right at the trouble and relieves it by toning the nerves, enriching the blood, and gives new strength and health to the whole body. It doesn't do this by means of alcohol or habit forming drugs, because it contains none. Its strength and health giving power is due to pure Olive Oil and the Hypophosphites, long endorsed by successful physicians, the one for its food value, the other for its tonic value. Here for the first time, they are combined, and the result is a real nerve, blood and body building medicine—a real strengthener that we are proud to tell you about. You don't need to hesitate in using it, because if it doesn't do all we say it will and satisfy you in every way, it will cost you nothing. If it doesn't make you strong and well again, come back and get your money. It will be given to you without word or question. Sold only at the more than 7,000 Rexall Stores, and in this town only by us. \$1.00. Eagle Lake Drug Company, Eagle Lake, Texas.
