

Lumbago-Sciatica Sprains

"The directions says, its good for lumbago too," Sloan's cured my rheumatism; I've used it and I know. Do you use Sloan's?"

Here's Proof.

"I had my back hurt in the Boer War and two years ago I was hit by a street car. I tried all kinds of dope without success. I saw your Liniment in a drug store and I bought a bottle. The next application caused instant relief, and now except for a little stiffness, I am cured well."—Fischer Hornum, 1514 1st St., St. Paul, Minn.

"I was kept in bed with sciatica since the first of February, but I had almost instant relief when I tried your Liniment."—W. H. Gordon, Franklin, N. Y.

Sprained Ankle

"As a user of your Liniment for the last 15 years, I can say it is one of the best on the market. Fifteen years ago I sprained my ankle and had to use crutches, and the doctor said I would always be lame. A friend advised me to try your Liniment and after using it night and morning for three months I could walk without a cane and run as good as any of the other fellows in my department. I have never been without a bottle since that time."—Mr. William H. Brown, Central Islip, N. Y.

SLOAN'S LINIMENT

FURNITURE COMPANY TO HAVE A BIG SALE

The Eagle Lake Furniture Company has a two-page advertisement in this issue of the Headlight announcing the beginning of a big sale at their store on Saturday, March 14th. The Eagle Lake Furniture Company, Mr. A. R. McGeehan, manager, is one of the most complete furniture concerns in the county, carrying probably the largest stock of goods of any like concern in this

section of the country. They announce in their large advertisement that everything is included in this sale, nothing reserved. There are a great many lines that they have been handling, which they are closing out their stock on hand in these particular lines to discontinue handling the same, and you can buy many articles during this sale at almost your own price. Be sure and read over word of this advertisement. This is the first sale of this nature that has ever been inaugurated by a furniture and hardware concern in this section, and promises to be a big event.

A REAL NERVE AND BODY-BUILDING MEDICINE

We believe Rexall Olive Oil Emulsion is the best remedy made for toning the nerve, enriching the blood, building up waste tissues, renewing health, strength and energy—the best medicine you can use if you are run-down, tired-out, nervous and debilitated, no matter what the cause. It doesn't depend for its good effect upon alcohol or habit-forming drugs, because it contains none. It may not make you feel better in a few hours, but it will make you better, we are sure, just as soon as the tonic and food properties it contains have a chance to get into the blood and, through the blood, into the rest of the system. Pure Olive Oil and the Hypophosphites have long been endorsed by successful physicians, but here for the first time, they are combined into one preparation which, as a nerve food and a builder of strength and health, we believe, has no equal.

If you don't feel well, begin taking Rexall Olive Oil Emulsion today, and build your health and strengthen your system against more serious illness. To convalescents, old people, young ones, men and women who are weak, run-down or ailing, we offer Rexall Olive Oil Emulsion without personal promise that, if it doesn't make you well and strong again, it will cost you nothing. If we didn't have the utmost faith in it, we wouldn't offer it with this guarantee, nor even recommend it to you. We are sure that once you have used it you will recommend it to others. Sold only at the more than 7,000 Rexall Stores, and in this town only by us—Eagle Lake Drug Co., Eagle Lake, Texas.

LAST CHANCE—To get fruit trees, shade trees, roses, etc., this season. There are only about ten days left in which you can plant with success. If you let this chance slip, you must wait until next year. We can fill orders on short notice. **EAGLE LAKE NURSERY, (3) Eagle Lake, Texas.**

Altair Local News

Mr. and Mrs. Kaiser of Yoakum arrived Sunday afternoon and are visiting with Mrs. Kaiser's sister, Mrs. Chas. Polozek, on the Tait ranch.

Mrs. L. P. Bunge, had as her guests for dinner last Sunday, Rev. Father Strobel, Mr. Zumwalt, Mrs. Ray Middlebrook, Mrs. Stein, Misses Blanche Ehart, Lucile Stein and Lou Eva Bunge of Columbus, Mr. Zumwalt having the honor of autoing the party over.

Mrs. H. S. Walker and son Tanner shopped and visited in Columbus Monday.

Master Alvey Werila visited in Eagle Lake from Saturday until Monday.

Mrs. Tom Wright of the Bunker ranch visited her sister, Mrs. Will Wright, on the Slater place, several days last week.

Mrs. J. W. Walker and the Altair correspondent were on the sick list since Sunday, and wish to thank our kind neighbors for courtesies extended.

Our weekly norther and rain arrived Tuesday night on due time, and it is too cold to hunt for news.

POPE DIED MONDAY ON THE ABBE FARM

Mr. E. L. Pope, about seventy-three years of age, who has been farming on the L. Abbe place, died at his home on that farm Monday afternoon about two o'clock of cirrhosis of the liver.

The body was prepared for burial by Undertaker DeBord, the interment being made in the Lake-side cemetery Tuesday afternoon.

WILL ERECT PRETTY BUNGALOW HOME

Mr. L. E. Burttschell expects to begin about the first of April the erection of a pretty bungalow home, opposite the home of Mrs. C. Abbe. The new home will cost about \$2500, and in resemblance will be very much on the order of the pretty home of Mr. T. J. Balhorn. Contractor R. M. Eggers has secured the building contract.

The Grandest Achievement Known to the World of Musical Invention--the new Edison Diamond Disc

THE EDISON PHONOGRAPH

"The Brand of Perfection."

Is a Musical Instrument that should grace the hearth of every family circle. It not only brings to your home the music of the world—the instrumental masterpieces, the grand opera, the popular and old-time songs—but is the one sound-reproducing instrument [for talking machine] that gives the exact character and quality of the finest music and the richest voices, reproducing every tone color. It develops and strengthens in youth and age the natural love for music. The wide range of music this instrument puts at your command adds to the gayety and joy of youth, is a soothing pleasure to maturer mankind and reaches the tenderer, softer side of every life, leaving in its wake a fullness of purity and goodness, which after all is music's worldly mission, and which the Edison Diamond Disc, in its perfectness, develops to the fullest.

The First Was an Edison 1877

The first talking machine, the Phonograph, was invented in 1877 by Thomas A. Edison, the greatest inventor the world, in any age, has ever known. When Edison turned from his labor to hand to the world this first phonograph, he knew and said that something was lacking: the fundamental tones were reproduced but not the overtones and tone colors, and to this, the baffling problem of acoustics, he turned to seek the solution. From that time, 1877, until 1913, for over 36 years, Mr. Edison, with his characteristic patience and tenacity of purpose, struggled with the difficulties standing in the way of the perfect recording and reproduction of music, until the year 1913, when his labors were rewarded with success, and he again turned to the world and said, "here is now a sound-reproducing instrument which is perfect in every detail—THE EDISON DIAMOND DISC."

Last and Best an Edison 1913

And this instrument, "The Edison Disc," when offered to the public, set a new standard in the reproduction of sound. You cannot conceive how great this advance has been until you hear it. A comparison of the tone of the Diamond Disc with other makes of disc machines reveals the fact instantly that something has been missing all these years and that you are hearing it now for the first time. Call it what you will, you hear it in the Edison and find it missing in the others. The Edison Diamond Disc has overcome the imperfections of other talking machines; and Mr. Edison, as he points to it with pride, says "let the public hear it and decide."

Thus We Want to Demonstrate to You the New Diamond Disc.

Things to Remember About the Edison Diamond Disc

No bother with the changing of needles, the Edison Diamond Disc has a needle with a diamond point. Plays all makes of records. Tone modifier that enables you to change the tone while playing—loud, medium or soft—like the pedals of a piano. Records can be played over two thousand times (compare this feature with the 200 or 500 times of the ordinary needle record). A 10-inch record has as much recorded on one side as any other 12-inch needle record made.

If there is a lingering doubt in your mind as to the musical value of the new Edison Diamond Disc, we will gladly send an Edison to your home any time for comparison, then you pass your own judgment.

You will never regret the few moments you spend in investigating this instrument before you purchase any other.
