Maybe we ought not to do it,

but those Mexicans over yonder

do need a licking.

The Eagle Pass News-Guide

says the woman with beef trust

ankles might as well omit the

noisy hosiery.

When, oh, when will the South-

ern Pacific ever move that hard

looking old water tank off of our

square?

Trees are budding out and

spring will soon be here and to

think that pretty soon Koennecke

will be charging us good money

for ice.

Some one has said that there

are two reasons why some people

don't mind their own business.

One is that they haven't any mind,

the other that they haven't any

business.

One thing we can't help admir-

ing about Mr. Taft, remarks the

Temple Mirror, is his optimism.

Why, that man actually believes

there is a future for the repub-

lican party.

The Austin Statesman in speak-

ing of the new spring styles,

says: "A mere man who has been

looking in the shop windows lately

says he thinks the spring styles

are beautiful, except that the

dresses seem to be upside down.

That is, the ruffles come at the

top of the skirt and the waist

measure seems to be about where

the silken hosiery and dazzling

shoe buckles come into view."

SAN ANTONIANS VISIT POSTPONED A WEEK

The Headlight received a telegram from San Antonio this morning announcing the time for the coming of the San Antonio business men to Eagle Lake had been postponed one week, making the excursion reach here on Thursday, March 26th instead of Thursday, the 19th, as first arranged. The telegram gives no cause for the postponement, and is as follows: "Jobbers and Manufacturers League trip postponed one week."

Improvement work has only begun and the trees and shrubs have not been put out yet, but the city park looks a great deal better. It is going to be an attraction to the city.

A exchange says the dear old subscriber that forgives us when the paper is on the bum and praises us when it is the least bit good, is as the shadow of a rock in the time of stress, a sign of hope in the morning.

The Houston Post last week made public a sworn statement showing its circulation to be nearly thirty-four thousand during the month of February. Truly, the Post is a great paper and is widely read in South Texas.

The Madam Editor of the St. Paul Record, writing on the modern dances, says, "The bunny-hug, the grizzly-bear and the turkey trot have become passe; the orangutan-tango has everything its own way for the present. What will be the next wild vagary? Heaven knows, but is probably ashamed to tell."

Bell county voted out the pool halls last week. Pool hall elections are being conducted in all parts of Texas, and in almost every instance they are losing out. Just at this time, we would not care to place any great amount of money in a pool hall.

The Sealy News evidently don't think a great deal of some land propositions of Austin county, judging from the following from the last issue of that paper: "A large number of Northern people who took the bait like goggle-eyed perches, are in Sealy today, en route to Orange Hill and Santeague to look over their crawfisheries and doodle-buggeries."—Eagle Lake Headlight.

The publisher of the Sealy News also edits the New Uin Enterprise, and he has a habit of saying just what he thinks about

No Substitutes

RETURN to the grocer, all substitutes sent you for Royal Baking Powder. There is no substitute for ROYAL. Royal is a pure, cream of tartar baking powder, and healthful. Powders offered as substitutes are made from alum.

Mr. W. O. Prewitt writes us from down near Cuero this week, enclosing check for another year's subscription. He says he missed the last issue of the paper, and it was like missing a letter from home. Mr. Prewitt sends his regards to all of his Eagle Lake friends.

CHILDREN ARE OFTEN LIVER LAZY

Give Them Liv-Ver-Lax Instead of Hickory Oil

Spare the rod and put the child in good physical condition. He or she will then perform the natural duties in a natural way. Too many children are given credit for laziness when their parents should be blamed for inattention to the child's physical condition.

Over eating or malarial condition, which induce laziness in the child can be quickly overcome by eliminating the poisons from the system and from the bowels.
