

# Doan's Kidney Pills

Winter Chills  
Breed Kidney Ills

Chilly, damp, changing weather is hard on the kidneys. Even more irritating are colds, grip, pneumonia, tonsillitis, quinsy and other infections. The kidneys get congested and inflamed, and this causes backache and disordered kidney action. Though serious in its latter stages, kidney disease is not hard to conquer if a good kidney remedy is used when the first signs of kidney trouble are noticed.

The best recommended kidney remedy in the world is Doan's Kidney Pills. You hear it everywhere. Get a box.

Spring is Breaking  
Backs are Aching

Backache is often the first sign of some form of kidney disease that has been coming on for months. Look for the other signs: lame back, sharp pains when stooping or lifting, dizziness, nervousness or despondency, with irregular, painful or distressing action of the kidneys; if these signs exist, decide that the kidneys need attention, ere the trouble turns to gravel, dropsy, or Bright's disease.

Read this home testimony and then give Doan's Kidney Pills a trial.

| E. P. Newsom, Eagle Lake, says: "I was nearly run down from kidney complaint. A pain centered across the small of my back and clung to me continually. If I had to use my back in any way, sharp, darting pains resulted, and to sit in a chair for a short time, caused lameness and stiffness, which made me place my hands on my sides in order to get up. I found Doan's Kidney Pills, procured at the Eagle Lake Drug Co., to be just what I needed, and a few boxes brought me relief." | Mrs. M. E. Cooper, Cemetery Ave., Eagle Lake, says: "I have found Doan's Kidney Pills a most beneficial remedy, and to those who suffer from attacks of backache and a tired, worn-out feeling, I strongly endorse them. On more than one occasion when suffering from pains and aches, due to disordered kidneys, I have used Doan's Kidney Pills, and they have never failed to give me quick relief." | "I was in a bad way with my back, and I had sharp twinges shoot through it if I attempted to move or turn in bed. My kidneys didn't act regularly, and I was obliged to get up at night. An acquaintance, learning that I was so seriously afflicted, brought me the balance of a box of Doan's Kidney Pills that he had been using, saying that they were the best thing for lumbago he had ever found. I used them and finding that I was improving, I procured a supply from Calvert's Drug Store. They permanently cured me and I have had no lumbago since." | Mrs. W. A. Thatcher, Eagle Lake, says: "While I have not used Doan's Kidney Pills, this does not prevent me in endorsing the remedy as others of my family who have suffered from disordered kidneys, have taken them. It is a positive fact that Doan's Kidney Pills have helped these cases wonderfully. I can recommend Doan's Kidney Pills to all kidney sufferers." | ordered and bothered me at night. My back ached in a dull way, and when stooping or lifting the pains became sharp and went directly to my head. I took several boxes of Doan's Kidney Pills, and I soon felt like a different person. This remedy removed all the aches and pains. I can confirm every word of the statement one of the family gave some years ago concerning my case." | Doan's Kidney Pills at any sign of disordered kidneys, and I don't mind saying that they have always given me relief. I can highly recommend Doan's Kidney Pills for such trouble and also for swelling of the feet, which was one of the annoyances I had." |
|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | MR. J. Shortt, Prairie St., Eagle Lake, says:                                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | J. C. Cooper, Cemetery Ave., Eagle Lake, says: "The kidney secretions were badly dis-                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                          | A. L. Wagner, Stevenson Ave., says: "I have the same high words of praise for Doan's Kidney Pills today as I did some years ago, when I publicly stated that they cured me of kidney complaint. The cure still remains permanent."                           |

# DOAN'S KIDNEY PILLS

Sold at all druggist and general stores, 50c a box, or mailed on receipt of price by FOSTER-MILBURN CO., Buffalo, N. Y.

### MRS. HAYNIE MATTHEWS ENTERTAINED SOCIETY.

The hospitable home of Mrs. Haynie Matthews on Walnut Avenue was thrown open to the members of the Missionary Society of the Methodist church, and other guests, on Tuesday afternoon at half past three o'clock. There were thirty-eight present, the largest number that has been at any meeting this year. Contests and music were among the leading features of the afternoon. After being served to a delicious two-course luncheon, the guests were shown over the lovely home by Mrs. Matthews, and were delighted in having an opportunity to see the furnishings in some of the rooms, including the antique furniture, some of which has been in the immediate families for more than a century and a half.

### MAULL MADE ADDRESS AT DIXIE YESTERDAY

C. A. Maull of San Antonio, community advertising agent for the San Antonio & Aransas Pass railroad, made an address to the citizens of Eagle Lake at the Dixie Theatre yesterday morning. Owing to the inclement weather, only a small crowd was present. Mr. Maull's object was to interest the local citizens in booklet advertising the railroad company is getting out. The company requested that Eagle Lake pay \$100 to have the town and country represented in the booklets. However no action was taken by the citizens, and on account of previous advertising of this nature which did not seem altogether satisfactory, it is not likely that our citizens will take up the matter.

### A Word About That Family Washing.

The Eagle Lake Steam Laundry now has a system of handling rough dry work that is giving perfect satisfaction. This system is giving satisfaction in most of the cities of Texas, and we know that we can satisfy the people of Eagle Lake, if you will only give us a trial. We will do your family washing for the small sum of 25c per dozen. What we mean is we will call for your soiled clothes, wash starch and dry, those that are to be starched, and iron the linen, such as sheets, pillowcases, towels, napkins, and will deliver back to your home. Give us a trial bundle and then figure the cost by what the washwoman is charging you. Phone 1-42 and we will be glad to send our wagon at once.

### BURGER BUYS THE NEW UNDERTAKING BUSINESS

A deal was made Wednesday wherein Mr. L. J. Burger purchased the business of the Eagle Lake Undertaking Company, including all funeral supplies, hearses, etc. Mr. Burger has moved the stock of coffins and other funeral supplies to the second story of the H. Nussbaum store building where the business will be continued. A licensed embalmer will be in charge, and Mr. Burger expects to put in some big improvements and will make the Eagle Lake Undertaking Company's parlors over the Nussbaum store up to date in every particular.

### NEW PICTURE SHOW OPENS TOMORROW

The "Idle Hour" is the name of the new theatre in the Pranz building on Main Street, which will open with a matinee Saturday afternoon at half past two o'clock. Mr. Fred White of St. Louis is the owner and manager of the new show, with an experienced operator in charge. The new show will give a matinee bill every Saturday afternoon. The "Idle Hour" will give its opening bill Saturday afternoon, showing a program of six reels. The show opens at 7:30 every night, giving a continuous program as long as there are people in the audience. They will show a six reel program on Saturday night. Mr. White states the admission price of the "Idle Hour" Theatre will be 5 and 10 cents.

The Grandest Achievement Known to the World of Musical  
Invention--the new

# Edison Diamond Disc

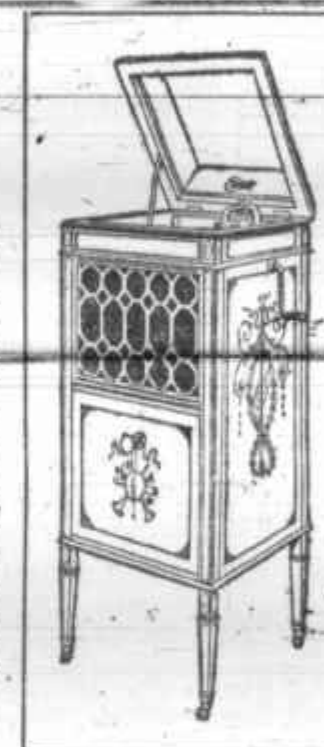

Is a Musical Instrument that should grace the hearth of every family circle. It not only brings to your home the music of the world—the instrumental masterpieces, the grand opera, the popular and old-time songs—but is the one sound-reproducing instrument [or talking machine] that gives the exact character and quality of the finest music and the richest voices, reproducing every tone color. It develops and strengthens in youth and age the natural love for music. The wide range of music this instrument puts at your command adds to the gaiety and joy of youth, is a soothing pleasure to maturer mankind and reaches the tenderer, softer side of every life, leaving in its wake a fullness of purity and goodness, which after all is music's worldly mission, and which the Edison Diamond Disc, in its perfectness, develops to the fullest.

"The Brand of Perfection."

## The First Was an Edison 1877

The first talking machine, the Phonograph, was invented in 1877 by Thomas A. Edison, the greatest inventor the world, in any age, has ever known. When Edison turned from his labor to hand to the world this first phonograph, he knew and said that something was lacking; the fundamental tones were reproduced but not the overtones and tonic colors, and to this, the baffling problem of acoustics, he turned to seek the solution. From that time, 1877, until 1913, for over 36 years, Mr. Edison, with his characteristic patience and tenacity of purpose, struggled with the difficulties standing in the way of the perfect recording and reproduction of music, until the year 1913, when his labors were rewarded with success, and he again turned to the world and said, "here is now a sound-reproducing instrument which is perfect in every detail—THE EDISON DIAMOND DISC."

## Last and Best an Edison 1913

And this instrument, "The Edison Disc," when offered to the public, set a new standard in the reproduction of sound. You cannot conceive how great this advance has been until you hear it. A comparison of the tone of the Diamond Disc with other makes of disc machines reveals the fact instantly that something has been missing all these years and that you are hearing it now for the first time. Call it what you will, you hear it in the Edison and find it missing in the others. The Edison Diamond Disc has overcome the imperfections of other talking machines; and Mr. Edison, as he points to it with pride, says "let the public hear it and decide."

Thus We Want to Demonstrate  
to You the New Diamond Disc.

## Things to Remember About the Edison Diamond Disc

No bother with the changing of needles, the Edison Diamond Disc has a needle with a diamond point. Plays all makes of records. Tone modifier that enables you to change the tone while playing—loud, medium or soft—like the pedals of a piano. Records can be played over two thousand times (compare this feature with the 200 or 500 times of the ordinary needle record). A 10-inch record has as much recorded on one side as any other 12-inch needle record made.

If there is a lingering doubt in your mind as to the musical value of the new Edison Diamond Disc, we will gladly send an Edison to your home any time for comparison, then you pass your own judgment.

You will never regret the few moments you spend in investigating this instrument before you purchase any other.
