LANDA HAS ATTRACTIVE SHOW WINDOW DISPLAY

Mr. Max M. Landa, "The Sanitary Grocer," has an attractive show window display at his store on the west side. One window represents the manufacturing plant where the shredded wheat biscuits are made, showing in cardboard in miniature form the manufacturing plant, the Niagara Falls, at which place the plant is located, trees, streets, automobiles and people. Take a look at the window as you pass along the sidewalk in front of his store.
