MUCH INTEREST FELT IN PROPOSED EXCURSION

Great enthusiasm is being put into Eagle Lake's coming trade excursion by the business men of the city. Large flashy pennants have been ordered with which the automobiles will be decorated, and many of the business firms will distribute advertising novelties on the trip. All interested persons should clip the schedule of the trip printed in this paper today and retain it for future reference. The Eagle Lake band will accompany the excursionists and will furnish music at every stop. Our home business excursion is going to make that San Antonio business men's excursion look like thirty cents in Confederate money after the fall of Richmond.

The Elgin Courier pays high compliments to Evangelist Nathaniel Jacks, who is now in a big and successful revival at that place. Evangelist Jacks and his son, Mr. Ezra Jacks, choir leader, arrived in Eagle Lake today and will begin a revival meeting at the Christian Church in this city on next Sunday. The meeting will begin with the morning service Sunday, and a cordial invitation is extended to all the people of this city and surrounding country to attend all the services during the revival.

On A False Trail.

It was Sunday and the plainclothes cop was indignant as he burst into the saloon.

"I just saw a man leave here with a can under his coat labeled 'Coffee,'" he said.

"Right?" replied the bartender.

"Don't you know that under Section 2147 of the Penal Code of the State of New York it is forbidden to sell tea or coffee on Sunday? Aren't there enough posters about it around the town?"

"Sure I know," said the bartender. "But he didn't have coffee in that can. Honest, mister he didn't. He brought it in here empty and I sold him a dime's worth of beer."

"A thousand apologies," murmured the cop. "But we have to be very careful, you know. Crime is so rampant."

Mr. T. Y. Mason of Bonus was a visitor in the city yesterday and while here advanced his figures on the Headlight's subscription books.

WHO GETS FINE COAT IS DECIDED TONIGHT

The handsome hand embroidered coat, made by Mrs. Harry Landa, will be given away to the person drawing the lucky number at the Dixie Theatre tonight. There will be one hundred and fifty numbers, from one to one hundred and fifty, placed in a hat or bag and some one from the audience will be asked to come up to the stage and draw out one of the numbers from the hat. The number drawn, corresponding to the same number on the list, will be the lucky one. The coat is indeed a beautiful one and has attracted a great deal of attention in the show window at H. Nussbaum's store.

A local contributor cites a fresh example of the fashion in which the youth of today trips the unwary parent.

"Father," said the son home from school, "I must have a room at college. Why in the place I'm going, now there isn't even hot water to shave with in the morning."

"Son, when I was your age, I never had hot water to shave with. Did it when the weather wasn't too blooming cold out in front of the wood shed and made lather out of any old soap I could find."

"But, father," expostulated the son, didn't you say you sent me to college that I might have the advantages you didn't have?"

MRS. BALHORN HOSTESS TO MERRY MATRONS CLUB

Mrs. T. J. Balhorn entertained the "Merry Matrons" at her pretty home on Prairie Avenue yesterday afternoon in her usual charming manner. The invited guests included Mesdames, Henry Carey and Tobie Meyer. The hostess served a delicious salad course consisting of chicken salad, pimento and cheese balls, bread and butter sandwiches and ice tea. The club meets next week with Mrs. Doyle.

Thank God every time you see a group of girls dressed neatly and sweetly, modestly and in good taste. On the streets of all our big cities we see every day hundreds of women dressed with one purpose—that of attracting attention. And they have the satisfaction that their wish is granted. What they do not know is that every sensible man who

sees a woman so dressed, thinks there are many modest women left. It is a dangerous thing—this desire to cultivate admiration. Many women have wrecked their homes because their husband could not keep up their demand for dress and society. Men are wearing stripes in the penitentiary because their wives nagged them for money for dress and other things which they could not afford.—Yorktown News.

PROSPECTS GOOD FOR LARGE POTATO YIELD

Potato Crop Looking Splendidly And is Giving Promise of Big Yield of Spuds this Year

Potato crops prospects are very encouraging to the farmers at this time. Northern seed are now up to a good stand. The plants are hardy and healthy, and those that were killed back by the frost have come out again and look as healthy as any of the others. There is plenty of moisture in the ground now to carry the potato crop for three or four weeks, and with one good rain then a big crop of potatoes will be assured. Three years ago when our potato men made such a good crop, the weather was just about the same as it is now.

There have been several additions to the band since last year, and Mr. Henry Moebes of El Campo, who was director of the band here several years ago, will come up every concert night and assist in the music. Mr. Monroe Koch of New Elm, who formerly lived here and played with the band, is expected to return to Eagle Lake shortly and will be with the musicians again this season. A subscription list will be circulated shortly to see how much can be raised for the band boys, the amounts to be given as monthly payments during the summer concert months.

A STEPPING-STONE TO GOOD HEALTH

Thousands Suffer From Liver Trouble and Never Know It

Many a man and woman goes through life working along the line of greater resistance when they could take the easy path of health and happiness. Many a slight disordered liver is the cause of lack of energy and financial loss.

In olden times calomel used to shock many a liver into its natural activities and improve the health. But there was many sad cases of salivation and even death from its use.

Modern day medical science has eliminated calomel by finding a better remedy in the form of GRIGSBY'S LIVER-LAX, which does all the work of calomel without its disagreeable effects or dangers.

It is purely vegetable and sold under a strict guarantee of money refunded.

Messrs. R. S. Simmons, J. J. Whitley, H. Lee Johnson, W. F. B. Wicker and Mentor Northington were in Columbus Monday to attend the funeral of Mr. Conrad Byars.

A young minister, unexpectedly called upon to address a Sunday school, asked to gain time: "Children, what shall I speak about?"

A little girl on the front seat, who was in the habit of reciting at entertainments, had committed to memory several declamations, so that she was always prepared for any occasion. Sympathy and interest shone in her face as she held up her hand and in a shrill voice inquired: "What do you know best?"

BAND CONCERTS WILL BEGIN AGAIN IN MAY

Band Concerts in Park Will Begin For Summer Months With First Week in May

The Eagle Lake band is getting in shape for the summer concerts again this summer. The weekly concerts in the park will begin with the first of next month, and will be given once a week, on Tuesday or Thursday nights, the night not having yet been decided upon. Mr. L. E. Burttschell of this city will direct the band this season. Mr. Burttschell is a good musician and has offered his services as director in order that the band's expenses may be cut down. It is said that the band will be better than it was last summer.

There have been several additions to the band since last year, and Mr. Henry Moebes of El Campo, who was director of the band here several years ago, will come up every concert night and assist in the music. Mr. Monroe Koch of New Elm, who formerly lived here and played with the band, is expected to return to Eagle Lake shortly and will be with the musicians again this season. THE REASON FEWER PEOPLE TAKE "SALTS"

We find the use of salts and other harsh physics is becoming less every year because more and more people are using Rexall Orderlies, which we and they firmly believe to be the best bowel remedy ever made. They taste so much like candy that even the children take them. In fact, they act so easily and naturally that there is no purging, griping or pain. They promptly remove the constipation and, by soothing and strengthening the bowels, make it less liable to occur again. We have the utmost faith in them. We know what they are made of and the pleasant, beneficial results that always follow their use.

You needn't take our word for it. If Rexall Orderlies don't help you—if they don't entirely relieve all your bowel troubles—come back and tell us and we'll give back your money. In vest pocket boxes; 10c, 25c, 50c.
