BRONCHITIS CONQUERED

Royersford, Pa., Man Tells How.

At this season of year with such sudden changes, it is so easy to take cold, and almost before one is aware there is inflammation in the bronchial tubes—a hard cough and unless checked in time chronic pulmonary troubles may result.

Townsend Young of Royersford, Pa., says: "A severe bronchial trouble contracted caused me much difficulty about breathing. My chest felt clogged up and there was considerable soreness. I tried different remedies without help; but I am glad to say that Vinol cured my bronchial trouble which had lasted for three months. My breathing is all right and the soreness entirely gone from my chest."

Vinol contains the curative, healing principles of fresh cod's livers (without oil) and tonic iron. We guarantee it to be delicious in taste and to satisfy you with its medicinal effects.

Special Attention given to ladies' gowns, coats and gloves. We give quick service and guarantee satisfaction. We call for and deliver.

A Talk on Good Tailoring

It is a mistaken idea of economy if you don't have your clothes made to order by expert union tailors. Our clothes are very reasonable in price—always give long wear and keep their shape. The union label assures you of skillful work, produced in clean, sanitary workshops.

Geo. Redford, Merchant Tailor.

Mrs. J. G. Cooper and Miss Cora Cooper spent Sunday in Wharton with Mr. and Mrs. J. G. Hilliard.

MRS. MOONEY BLUE

RIBBON CAKE BAKER

The Headlight returns thanks to Mayor and Mrs. E. L. Mooney for a fine angel food cake sent to our office yesterday. Mr. H. S. Walker shopped in Eagle Lake last Friday.

Mr. and Mrs. Clay Youngkin, Mrs. J. H. Walker and Miss Marjorie were visitors in Eagle Lake the first of the week.

Mrs. L. P. Bunge and Miss Wilson departed Tuesday for Eagle Lake and Houston.

Misses Lucile Stein, Loueva Bunge, and Master Lester Bunge of Columbus came over Friday to attend the barbecue Saturday.

Miss Francis, McClanahan of Eagle Lake was the guest of Miss Helen Walker for the barbecue Saturday.

Mrs. H. Lee Johnson of Eagle Lake and son, Lee Reed, arrived Friday and were present at the barbecue Saturday.

During the heavy rain that fell here Monday morning lightning killed a duckling on the property of C. R. Pavlu.

School closed here last Friday and we celebrated on Saturday with a barbecue in honor of our teacher, Miss Lelia Wilson, and the school children. The weather was threatening. However, we loaded on tents, wagon sheets, coats and various other wraps, and proceeded to the creek. Everybody arrived dry, nevertheless they did not lose any time in putting the tents up. After several hard showers, we found it was 12 o'clock, so hustled dinner on the table, which consisted of bread, pickles and delicious

barbecued beef, ice tea and hot coffee which was enjoyed by all. When the rain commenced, and we returned to our tents, some one suggested going home, and everybody got busy, fairly flew, and last but not least, caught the biggest docking some of us ever had.

A few dewberries were brought in and sold here Wednesday.

Mrs. R. J. PUTNEY

THE GREATEST KIDNEY REMEDY ON EARTH," SAYS A GRATEFUL WOMAN.

I want to tell you how much good your Swamp-Root did me. About four years ago, I suffered from what the doctors called fistula and for two years of that time, I endured what no tongue can tell. I also had inflammation of the bladder and I tried doctors' medicine without receiving any help. Someone told me about Dr. Kilmer's Swamp-Root.

After giving it a thorough trial I received relief, so kept on using it and today I am a strong and a well woman. If I ever feel badly or out of sort, I take Swamp-Root and it always straightens me out. I honestly believe that this medicine would cure all troubles you recommend it for and it is a pleasure for me to send my testimony and photograph to you. I think Dr. Kilmer's Swamp-Root is one of the greatest medicines on earth.

Respectfully yours, Mrs. John Bailey, West Main St., Portland, Ind.

Subscribed and sworn to before me this 12th day of July, 1909.

Notary Public.

Letter to Dr. Kilmer, 215 E. 12th St., Indianapolis, N. Y.

Prove What Swamp-Root Will Do For You

Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Eagle Lake Headlight. Regular fifty-cent and one-dollar size bottle for sale at all drug stores.—Adv.

THE MEXICANS ARE ALL LEAVING THIS SECTION

Mexicans in this country are leaving almost every day, going west and it is presumed working their way back to Mexico. Mexicans have furnished the greater part of labor here during the potato digging season, and this year labor is going to be scarce. In speaking of this, Mr. Ed. McReesays if the Mexicans continue to leave this country as they have been doing the past week, there won't be enough of them left here to supply the tamale demand, let alone dig potatoes.

Mr. W. E. Bridge, candidate for sheriff, was here from Columbus this week mixing with the voters.
