

FRANK GIVES PLATFORM ON LIQUOR QUESTIONS

Weimar, Tex., April 23, 1914.
Mr. Jos. M. Frank,
Columbus, Texas.

Dear Sir: It has been reported to me that in the event you were elected representative to the Legislature from this district, you would favor statutory prohibition or other antagonistic changes in the liquor laws of this state.

I would like to know if this is a fact. Would you please let me know how you stand on these matters.

Yours truly,
H. Knebel.

Columbus, Tex., April 27, 1914.
Mr. H. Knebel,
Weimar, Texas.

Dear Sir and Friend:

Yours of the 23rd inst. to hand and in reply I wish to state that I have not given out any statement nor authorized any one to do so for me, outlining my position on the liquor question.

This report, regardless of whom circulated is false and without any foundation whatsoever. I am opposed to statutory prohibition on any change in the laws governing the liquor business in this state.

I am also opposed to submission of the Prohibition Amendment to the Constitution, because a statewide prohibition election has been held only a few years ago, and I think that there are other important matters of public interest to which the next Legislature should devote its attention instead of killing time on this one question, which should be considered settled for a while at least.

If elected to represent the people of Colorado and Austin counties I shall vote on all bills to the best interest and according to the sentiment and wishes of my constituents, so far as they come to my knowledge and I can state to you that I know the feeling of the people of this district on the prohibition question.

It is absurd for any one to presume that I would oppose the will of those, who, through the ballot box had expressed their confidence in me, by electing me to this honorable position.

I hope I have clearly defined my position on the question of your inquiry and in as much as this is a matter of public interest, I am taking the liberty of giving a copy of your letter and this reply thereto, to the press.

I am sincerely, your friend,
Jos. V. Frank.

CAMP HUNTERS FLEE FROM RISING BERNARD

The camp hunt on the Bernard was "rained out" last Saturday. With blankets and quilts thrown over them for protection, the party, some walking and others in a wagon, left the Bernard and went to Orange Hill where they took the train for home. Those in the party were Mr. and Mrs. J. J. Whitley, Mr. and Mrs. Bruce McCarty, Miss Bettie Bertch of San Antonio, Miss Leleene Willson of Houston, Misses Beulah Daniels and Nannie Jennings, Messrs. Robert Pogram, J. W. and Mason McCarty, W. M. Conner, "Zuzu" and "Sixteen," the latter two, driving the teams, did not reach home until several days later owing to the high waters of the Bernard from the heavy downpour of rain. The campers say they had a fine time and do not regret having gotten wet, for the camp hunt, in their opinion, is what brought the rain which came as a blessing to this section of the country.

QUARANTINE AT JONES HOME LIFTED SATURDAY

The quarantine over the Rev. R. H. Jones home was raised on last Saturday. Mr. Jones was in town Tuesday greeting his friends after being in quarantine six weeks. All members of the family have recovered and are able to be out again. In speaking of their illness, Mr. Jones says he doesn't know what the family would have done had not Mrs. Flowers sacrificed the duties of her own home and come to nurse them through their illness.

EAGLE LAKE BUSINESS MEN'S FIRST TRADE EXCURSION NEXT WEDNESDAY

A Hundred Business Men of Eagle Lake Will Visit Columbus, Altair, Garwood, Nada, Eldridge, Calhoun and Matthews Next Wednesday.

President E. Middleton of the Business League has called a meeting of all members of the league, all business men and citizens of the town who are interested in the Eagle Lake trade excursion, to meet in the Elmer men's hall tonight at 8 o'clock. The first excursion will be on Wednesday, May 13th, and the towns of Columbus, Altair, Garwood, Nada, Eldridge, Matthews and Calhoun will be visited, according to the schedule printed in this paper. When the rainy season sets in, it looked for a time that the first excursion trip would have to be postponed but since the weather has cleared off, the excursion trip will be carried out according to the original schedule. There is a great deal of business to be transacted tonight in the way of making final arrangements for the trip, to decide just who are going and in what cars they are going, and other like arrangements. It is hoped that every business man and every person that expects to go on the trip next Wednesday will be present at the meeting tonight. It is very important that every

BOONE SCHLEICHER DIED IN SAN ANTONIO

After Several Months' Illness, Estimable Young Man Died Saturday; Funeral Sunday.

Mr. Boone Schleicher, youngest son of Mrs. G. Schleicher of this city, died at half past two o'clock Saturday morning in San Antonio, following an illness covering several months.

While attending the Rice Institute in Houston, and trying out with the football team of that institution last fall, he was stricken with rheumatism, thought to have been brought on by over-exertion in athletics. He spent quite a while at Marlin and improved to some extent while there. After returning home, he was taken to San Antonio for treatment, and under the treatment improved rapidly, and was able to walk about the city without his crutches. While out in the city two weeks before his death, he was caught in a rain, and hurrying to his room, fell in the doorway, having been stricken with something like apoplexy, from which he never rallied, his death having been momentarily expected since that time.

Boone was a most estimable young man, and had he lived would have been a fine young man of age next December. He was a boy of excellent habits, polite, and kind to everybody, and through these 'manly' traits of character, had won the friendship and esteem of everyone who knew him, and was one of the most popular members of Eagle Lake's younger social set.

All deaths are sad, but this one, just in the bloom of manhood, with a bright and promising future before him, is doubly so.

The funeral was held at Hallettsville at half past four o'clock Sunday afternoon, the services being conducted at the Episcopal church by the rector, Rev. Samuel G. Porter.

Many and beautiful were the floral offerings, and some wreaths having been sent from the Rice Institute, from San Antonio and from Eagle Lake.

The pall bearers were Fritz von Rosenberg, Cap Washburn, Ernest Neuhaus, Hayden James, D. H. Coers and Roland Engleking.

To the heart-broken mother, the sorrowing brother and sister, the Headlight extends its sincerest sympathy in their hour of grief.

MR. STEPHEN'S MOTHER DIED AT FRANKLIN

Our deepest sympathy is extended Rev. J. A. Stephen, the Baptist pastor, in the death of his mother, Mrs. A. D. Stephen, who died at her home in Franklin on April 27th, in her 78th year. Mr. Stephen was at her bedside when the end came, having been called there on account of her illness.

Miss Ivy English, a pretty and popular young lady of Scholburg, is the guest of Miss Sue Webb.

Mr. R. S. Simmons spent several days visiting in Houston last week.

CONTINUED RAINS DO DAMAGE TO CROPS

Rains Every Day For a Week Are Damaging to Growing Crops Of All Kinds.

On account of the continued rains, grass has almost taken charge of some of the fields, and the farmers are considerably delayed in their work. Some of the fields are drying out since the rains have stopped, but where they are able to get back into the fields, are again at farm work this week. By next week, if no more rain falls in the meantime, nearly all of the farmers will be able to resume work, and it will be a busy week for the farmers. It is estimated that the potato crop has been damaged about ten to fifteen per cent. Where the water stood in the low places the potatoes have rotted, but the increase in yield on the higher ground will offset the loss in low places. Mr. W. J. Wright, at Alletton reports his potato loss at fully fifty per cent. All of the planters have lost some acreage. Probably one of the heaviest losses is Mr. J. U. Frazar, the overflow waters from the lake having inundated the greater portion of his farm.

Mrs. J. W. McCarty and Miss Mary Maud McCarty returned home Monday from a few days' visit to Houston.

EDUCATION GETS NEGRO IN CLUTCHES OF LAW

Know How to Write And Signed R. A. Walker's Name to a Check For Five Dollars.

Andrew Anderson, a young negro man who has been working at the R. A. Walker livery stable, was arrested Sunday by City Marshal H. S. Vineyard, on a charge of forgery. The negro was turned over to Deputy Sheriff H. P. Hahn, who conveyed him to jail in Columbus the following day. Anderson is alleged to have forged and cashed a check on his employer, Mr. Walker, for five dollars. The check in question bears the date of April 25th, and is on the Eagle Lake State Bank. It is made out to "Andrew Anderson" and the "Walker Livery Stable" rubber signature stamp being used, and on the dotted "by" line is written "R. A. Walker." The forgery on the check was first noted from improper usage of capital letters. After the negro had been arrested, he is stated, admitted to Mr. Walker of having written out the check while Mr. Walker was absent from his office, but says he did not intend to cash it. It was cashed at Altair by Mr. H. C. Miller, while the negro was making a livery trip to that place. Mr. Walker says Mr. Miller says he cashed the check for the negro paying him four silver dollars and two halves.
