SHOULD PUT BAN ON FUSS-MAKING AUTOS

There are about three old worn out automobiles in Eagle Lake that ought to be condemned as public nuisances and kept off the street. By the way, isn't there a law against running automobiles in the city limits without mufflers? If some good man would make the race for most any city office with but one plank in his platform—and that to keep these old fuss-making nuisances out of town, we believe his candidacy would receive the hearty support of every business man in the town.

Mr. J. Kotzebue of the Bernardo section was a pleasant caller at our office Monday while in the city, renewing his subscription to the paper and that of a friend, Mr. J. H. Miller, who lives in the Bernardo community.

HAIL STORM AT WEIMAR DOES MUCH DAMAGE

Weimar, Tex., May 18—Reports have come in that an immense rain, accompanied by a terrible hail, visited the Clear Creek section, about four miles southwest of Weimar, Saturday night, doing great damage to the crops of cotton and corn. The corn was split into ribbons, while the cotton stalks were stripped of every leaf, and in many instances the tiny stalks beaten into the earth. Nearly all of this cotton will have to be replanted, although it is believed the corn will come out all right. The hail worked destruction along a strip about a mile in width and several miles in length. The rain which accompanied the hail was a heavy one and washed the fields very badly. The crop outlook for this section, due to many heavy rains, is very poor. Many of the farmers are unable to dig and ship, but are unable to get into the fields, and unless the rains cease the potatoes will soon begin to rot.

Methodist Church Notes.

Subject for the 11 o'clock morning service: "How to Get Rich." For the evening service, "How Municipal Affairs Should be Conducted." Everyone should aspire to having a competency, and to attain to this is an all absorbing question. Every citizen should have a vital interest in all questions pertaining to the well-being of the city. May I ask for a hearing on these two subjects? The public is cordially invited to attend. Always good music. R. L. Pyle, Pastor.

Mrs. W. L. Davidson and little daughter returned to their home in Glen Flora Saturday morning after a pleasant visit here of a few days to her sister, Mrs. W. A. Moore.

HOLINESS PEOPLE MOVE TO THE FRANZ BUILDING

Rain Prevented Meetings in Tent and Revival is Moved to the Franz Building.

The Holiness people began their meeting in Eagle Lake last week in a tent on the Keith lot, but on account of the extreme

wet weather they have moved to the Franz building on Main Street, where the services are now being conducted. The building is comfortably seated, well lighted and has cement floors, a good ventilation, thus insuring a cool and inviting place to hear the Gospel. Rev. W. R. Cain, who is doing the preaching, is a splendid talker and his audiences are increasing all the time. He is an ex-railroad man and a splendid musician. He has served in the ministry for a number of years, both as pastor and evangelist. He is also field secretary of the Kansas State Holiness Association, which is inter-denominational in its character, and has eighteen hundred members. Everybody is cordially invited to come out to the Franz building and hear Evangelist Cain. Services each evening at 8 p. m. There will be two services Sunday, at 3:00 p. m. in the afternoon and at 8 o'clock in the evening. A hearty welcome awaits you.

While at his place on the river yesterday, Mr. O. W. Smith's gray buggy horse took a plunge in the stream. The horse walked too close to the bank, attempting to drink from the river, when the bank caved in with him. Mr. Smith and others went further down the river and roped the animal as he came by, and with spades and shovels dug a place out of the steep bank so the horse could be rescued.

The Colorado river this morning was reported thirty-three feet at Columbus, having fallen a foot at Bastrop during the night. The river will likely go out over some of the low lands, but no serious damage is expected.

Lissie has been graded by the county a high school only three years and Miss Esther is its first graduate. Rev. R. J. Rees made a very pleasing and appropriate presentation address, after which the following program was carried out:

Recitation, "Ten Little Indians," quartet, "Juanita," school play, Pocahontas. Several appropriate songs were given between the acts of the play. Despite the rainy weather and muddy roads, about two hundred people enjoyed the entertainment.

CHRISTIAN AID SOCIETY WITH MRS. MIDDLETON

The Christian Aid Society met Tuesday with Mrs. E. Middleton, not exactly as Shakespeare's witches, "in thunder, lightning and rain," but there were showers and plenty of mud. Seven members and two visitors were present, Mrs. Ford Frazar and Bro. Barnes, the district evangelist. The collection was \$8.05. Mrs. Middleton (as is her custom) served delicious refreshments. Bro. Jones several times pronounced the ice cream "The best he ever ate." And his actions spoke louder than his words. And as good as it was, the sun-cooked strawberry preserves gave a delightful finish. It goes without saying, the several varieties of cake bespoke a number one cook. The next meeting will be with Mrs. Simmons, with Mrs. Middleton, leader.
