GRADUATING EXERCISES WERE HELD LAST NIGHT

Diplomas Awarded to Nine Graduates of Eagle Lake High School Last Night.

The large auditorium at the school building was filled last night when the commencement exercises of the Eagle Lake high school were given. The Eagle Lake orchestra rendered a selection after which the invocation was made by Rev. L. Pyle of the Methodist church. Mrs. Agnes Chew gave a delightful reading after which the class history was given by Misses Eva Yates and Madeline Cernal. This was followed by an instrumental duet by Miss Bessie Leha Yates and Miss Marie Paul Barbe; class prophecy by Errol Middleton; giftory by Miss Isabel Watson; class poem, Miss Annie Stephens; instrumental song by Miss Beatrice Faber; class doctor, Carroll Stephens; class will, Edmund Middleton. Then Supt. J. H. Morgan presented the diplomas to the graduating class consisting of Misses Isabel Watson, Annie Stephens, Eva Yates, Madeline Cernal, Beatrice Faber, Agnes Chew, Edmund Middleton, Errol Middleton and Carroll Stephens. After the presentation of the diplomas the orchestra rendered another beautiful selection after which Rev. R. H. Jones of the Christian church pronounced the benediction.

CLASS PLAY AT SCHOOL AUDITORIUM TONIGHT

The class play, "Arabian Nights", will be given tonight in the school auditorium by the members of the graduating class, assisted by Supt. J. H. Morgan. The auditorium will no doubt be as well filled as it was on last night when the commencement exercises were given. From the conscientious way in which it is reported the members of the cast have been applying themselves to the preparation of the play, we are sure that each of them will make a creditable showing. The admission price will be 10 and 20 cents.

Mr. Steve Grant has moved to Chesterville where he and Ernest Tilton are farming together. They are putting in fifty acres of peanuts and twenty acres of sweet potatoes. They will also plant a fall crop of Irish potatoes in order to get seed for spring planting of sweet potatoes.

BACCALAUREATE SERMON HEARD BY LARGE CROWD

There was services at but one church in the city last Sunday morning, at which time Rev. J. A. Stephen, the Baptist pastor, delivered the baccalaureate sermon to the Eagle Lake High School graduating class in the Methodist church. The house was crowded, and Rev. Mr. Stephen delivered a splendid discourse, taking as his subject, "Genesis, the Beginning." The choir rendered a special song service. At the end of the service, Rev. Mr. Pyle, the Methodist pastor, further carried out the union spirit of the services by dividing the offering among all the churches of the city. Dr. V. A. Godbey, presiding elder for this district, filled the pulpit at the Methodist church at night and Mr. Stephen at the Baptist church.

ORANGE HILL MAN DROWNED IN DRAZOS

Sealy, Texas, May 30.—Ernest Wilson, aged 21 years, was drowned at Wendts Ferry yesterday. The young man had crossed the Drazos to the Waller County shore and as he went to leave the ferry boat he lost his footing and fell into the treacherous stream. The body has not been recovered. The deceased leaves a mother and stepfather, Mr. and Mrs. Munson, of Orange Hill community, to survive him. He was in the employ of Mr. Wendt, the owner of the ferry.

Misses Madeline McRee and Manie Yates left Sunday for Houston where they will attend a seven weeks' summer normal.

BUSINESS LEAGUE ASKS FARMERS TO ATTEND

The regular meeting of the Business League will be held in the firemen's hall on Thursday night, June 11th. At this meeting the coming farmers' summer school to be held in Eagle Lake July 16th to 11th, will be one of the chief topics under discussion. Secretary E. L. Mooney of the league states that while this subject, which is going to prove of big interest to the farmers of this section, will be the leading subject under discussion, all the farmers of this section are cordially invited to attend this meeting of the league. The members of the league, who are business men of Eagle Lake, hope to have a large gathering of the farmers of this section present on this occasion.

DON'T FORGET TO REMEMBER

Some More Mechanical Advantages of the

DE LAVAL CREAM SEPARATOR

1st. As will be seen by the illustration at the left the heaviest part of the De Laval bowl is below the point of suspension and it is thus much easier to keep in balance than a bowl attached to a spindle as in the illustration on the right.

2nd. All De Laval bowls, as now made, are detached from the spindle, interlocking with the spindle only when placed in position, the bowl spindle always remaining in the machine. This avoids injury to the spindle in handling the bowl. The operator does not have an oily spindle to wash with the bowl, either.

3rd. No ball bearings to get out of order and necessitate expensive repairs. Perfectly made bearings, perfectly lubricated, give an easy running and a much longer wearing machine.

The new style De Laval is so simple in construction that anyone can put it together or take it apart without any trouble. All parts are strongly made and substantial. Clean skimming and durability are the result of perfect De Laval construction.

Come in any time and look a De Laval over for yourself. It will be well worth your while if you like to look at a well made machine.
