Tobacco.
Oh, Clarence, do not learn to
use those "foullest weeds" that
grow; the foolish youth who
smokes or chews is storing fu-
ture woe. For years I've spent
my hard-earned wheels to keep
my briar fed; I always smoked
save when at meals, or in my
trundle bed. And t'other day
the sawbones came and took my
work apart, and said, while paw-
ing o'er my frame, "You have a
cabbage heart. It's fierce," he
said, "I've never seen such wild,
spasmotic thumps, unless you
quit the noxious weed you'll
surely bump the bumps." And
now I've quit; life's on the blink
the world's dream, my friends,
and I can only sit and think of
fancy Turkish blends. My ner-
vous system is a scream, the
tears stream down my cheek, and
in my fevered sleep, I dream of
barley and perque! My agony
is too intense to be before you
blurred. I bid you, my friends,
cents and every penny plucked
So, Clarence, do not learn to
smoke, and keep no pipes about;
believe me, son, it's no joke when
you must cut it out!—Walt Ma-
son.

salve with best results. For sale by all

METHODIST REVIVAL IS POSTPONED UNTIL JULY

The revival meeting which was
scheduled to begin at the Metho-
dist church in this city on Sun-
day, June 28th, has been post-
poned until July 19th. The post-
ponement was made in order that
the evangelist who is to conduct
the meeting could get in a meet-
ing at another point before begin-
ning here. The meeting will be
conducted by Rev. H. M. Whaling
of Austin, who is one of the finest
preachers in the State. Rev. Mr.
Pyle, the local pastor stated that
on account of the very warm
weather, it is very likely that ar-
rangements will be made for an
out door meeting. That this mat-
ter may be given further atten-
tion, and for the fact that the
Methodist people did not want to
begin their revival so near the
close of the one now in progress
at the Christian church, also had
a bearing on the postponement.
