The Omega Rebekah lodge held election of officers at its regular meeting last Friday night. The officers elected for the coming term are: Noble Grand, Mrs. E. W. Hanly; Vice Grand, Mrs. Walter Adams; Secretary, Miss Kate Parnam; Treasurer, Miss Johanna Baring. Delightful refreshments were served at the close of the session. The officers will be installed at the next regular meeting Friday night. Refreshments will be served and it is expected that there will be a full attendance of members.

## Swallowing Scenery

Never had the engine run better. The huge car raced along the road, raising the dust in clouds and lifting past mile-stones with an easy regularity almost inimitable.

Almost lost in the roaring of the wind came his friend's hoarse grumble: "Never! I've already had a good deal more than I can swallow."—Exchange.

A little Cheyenne boy was being reproved by his mother. "Charlie," she said, "if you behave like this you know, you won't go to heaven." The child thought a little, and then said: "Well, I've been to two churches and to Uncle Tom's Cabin, and I can't expect to go every where."

Take the Headlight—it's better than Peruna.

## FISH FOLLOW FLOODS; GOOD CATCHES MADE

Columbus, Texas, June 26.—Since the recent rise in the Colorado river fishing has been unusually good. It is no unusual sight to see catches of strings, weighing from a fifth of a pound for a single fish up to 15 pounds. When caught for market they are snapped up at a bit a pound. Catfish are caught oftener than any other kind, though gaspers are mixed often in the bunches.

## To Young Men.

Say, young men, let the Herald give you a little advice. Don't start out in life by beating a debt. Stand by your word and be honest if it kills you. Remember, no man ever made a success in life by beating a debt. You simply can't afford to do it. If you can't pay what you owe, don't abuse the person you owe because he wants you to pay it, nor slip away without saying anything about it. It may be that he can afford to lose what you owe him, but you can't afford to beat him out of it. Go and tell him your condition and that you intend to do the right thing and then do it. Some men subscribe to a paper and read it for a few years and then refuse to pay for it, or maybe they leave the country and say nothing about it. We have lost many a dollar on that kind of people, and yet it has not caused the paper to stop.

## A Man's Mother.

But your mother's life has not been easy. Your father was a poor man, and from the day she married him she stood by his side fighting the wolf from the door with her naked hands as a woman must fight. She worked not the eight or ten hour day of the union, but the 24 hour day of the poor wife and mother. She cooked and cleaned and scrubbed and patched and nursed from dawn till bedtime, and in the night was up and down getting drinks for thirsty lips, covering restless little sleepers, listening for croupy coughs. She had time to listen to your stories of boyish fun and frolic and triumph. She had time to say things that spurred your ambition on. She never forgot to cook the little dishes you liked. She did without the dress she

Take Plenty of Time to Eat.  
There is a saying that "rapid eating is slow eating." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated, and swallowed. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. They are easy to take and most agreeable in effect. Sold by all dealers.—Adv.

Wild Oats.  
You're sowing wild oats, William Henry Fitzgibbon, you're playing with others the dissolute games; when you should be sleeping you're still on the jump, a-painting the village clear down to the dump; and ancient tradition looks foolishly kind on chaps like yourself who are going it blind; it says, "Let them frolic like lunatic goats, for youths must be youths, and must sow their wild oats." But merry carousers who caper and prance most pay for the halder when done is the dance. Alas for the oats that you carelessly sow! You find they are thistles when started to grow, and though you may live for a cycle, my friend, they'll prick you and sting you right up to the end. I sowed fifty bushels of oats that were wild, and while I was sowing I recklessly smiled; I laughed at the future and liked gay times, and
