

LOWRY FOR CONGRESSMAN

If everybody knew Jim Lowry as well as we do there would not be a vote cast against him in the July primary. He is honest, able, big hearted and true. Man never held a heart more attuned to sympathy for all mankind, or more generous in devotion to sentiments that enrich the soul with deeds of Christian love. The Texas delegation in congress will be strengthened by his election. —Minneapolis Monitor.

J. H. LOWRY

Jim Lowry deserves any success that he may achieve. He is just plain, honest Jim Lowry with a head full of good hard horse sense any time you meet him. He is a well posted man and true to the right as the needle to the pole. He feels that he is a brother to every man and delights in rendering a valuable service to his men. His election to congress will broaden the field for his work. —Van Alstyne Leader.

Texas will elect on the 25th of July two Congressmen for the

State-at-large. There are a number of candidates, but voters must remember to vote for only two of them. The Banner hopes that its readers may see fit to make Hon. J. H. Lowry of Honey Grove one of the two they will vote for in this contest. He is a plain honest man. He is brilliant and his presence in Congress would add power to the Texas Delegation. His life has been a blessing to many and a great benediction to the young men and young women of Texas for whose educational advancement he has labored incessantly. Make him one of the two you will vote for as Congressman-at-large. —Troop Banner.

Mooney has appointed the following delegates to attend the meeting of the convention to discuss the removing of the raft from the Colorado river, which convenes at Wharton on July 15th: John W. Burns, Fox Stephens, Fritz Engelhard, J. E. Roberts, R. E. Walker, Hayes Stephens, Dr. P. T. Gordon, Ito Terrell, J. U. Frazier, P. P. Herbert, C. M. Womack, Bruce McCarty, E. Middleton, A. H. Koennecke and R. S. Simmons. Mayor Mooney is very anxious to have as many people from Eagle Lake attend this meeting as possible, and hopes that all names on the committee and as many others as can, will be present at the meeting.

Miss Merle Dickey of Houston was the guest of Miss Lelia Wilson last week.

FARMERS' SCHOOL IS FAIRLY WELL ATTENDED

Many of the Farmers Are Attending the Sessions and Are Highly Pleased With The School.

The Farmers' School this week at the Dixie Theatre, which was begun Monday morning, is being carried out according to the program previously issued. While the sessions have been fairly well attended, the attendance is nothing like it should be, but for the facts that this is a busy time of the year with the farmers and owing to the extreme hot weather, no doubt the attendance would have been much larger. The attendance has run from about twenty up to sixty. One of the most interesting numbers of the

program yesterday afternoon by Miss Bernice Carter. Miss Carter is a young lady of pleasing appearance, and an exceptionally fine talker. There were many ladies out to hear her, both from the country and from the city. It is expected that the attendance tomorrow morning will be the largest of the school. The important subject of tomorrow's program will be "Farm Record Keeping," the discussion of which will be led by Mr. Ridgeway.

The Business League deserves much credit for promoting the school, which through the efforts of County Demonstration Agent, O. G. Kolberg, it was secured for Eagle Lake. Mr. Kolberg has been a faithful attendant, assisting the lecturers in every way possible. It is the pity that more of the farmers of the county did not take advantage of the school and attend all of its sessions.

Mrs. Ralph Hart of Palestine is visiting in the city, the guest of her parents, Mr. and Mrs. J. Nathan.

BUSINESS MEN WILL GO TO BERNARDO MONDAY

Business Men's Auto Excursion To Bernardo Next Monday Promoted By The Business League.

At the meeting of the Business League last night, it was decided to have an excursion of the business men of this city on next Monday, at which time all business men in the city are urged to visit Bernardo. On this occasion there will be a big barbecue and fest held at that place, and while all of the excursions which were scheduled for May were rained out it is hoped by the Business League that all who signed to go on those trade trips will be ready next Monday and take in this trip. All who will go on the trip are requested to be on the trip at 11:00 o'clock.

Mooney not later than Saturday evening, and all automobiles, and it is hoped that every automobile owner in town will take part in the trip and take his car, are requested to be on the square by half past seven o'clock Monday morning, in order that the procession may be able to leave here promptly at 8 o'clock, arriving at Alletton at 9 o'clock. The excursion will leave Alletton at 9:30 o'clock and arrive at Bernardo at 11:00 o'clock.

Miss Gertrude Truitt of Palacios is visiting in the city, the guest of her grandmother, Mrs. Mary Truitt, and other relatives. Be wise and read the Headlight \$1.50 a year.

POSITIVE PROOF.

Should Convince the Greatest Skeptic in Eagle Lake.

Because it's the evidence of an Eagle Lake citizen. Testimony easily investigated. The strongest endorsement of merit.

The best proof. Read it. "I was in a bad way with my back, and I had sharp twinges shoot through it if I attempted to move or turn in bed. My kidneys didn't act regularly, and I was obliged to get up at night. An acquaintance, learning that I was so seriously afflicted, brought me the balance of a box of Doan's Kidney Pills that he had been using, saying that they were the best things for lumbago he had ever found. I used them and finding that I was improving, I procured a supply from Calvert's Drug Store. They permanently cured me, and I have had no lumbago since. There is nothing I can say too strong for Doan's Kidney Pills. I willingly confirm my former endorsement."

Price per bottle, 25c. Do not simply ask for a kidney remedy, get Doan's Kidney Pills—the famous "Doan's" made by Dr. J. C. Doan, Buffalo, N. Y.

VII.—Plaintiff further represents that if any of the above named defendants be deceased their heirs, claim, or claims their respective heirs may have to said lands and premises ac-

quired to them as the heirs of said defendants, but that plaintiff does not know the exact nature of such claim or claims, but whatever claim or claims they or any of them may have or had, extends to and is a claim of ownership to said property and premises or to a portion thereof and to the right of possession of said property and premises or to a portion thereof; wherefore, plaintiff says that such claim or claims constitute a denial of plaintiff's title and right of possession, thereby casting a cloud upon plaintiff's title and preventing the free and untroubled use and alienation of said premises.
