NEGRO BOY SERIOUSLY BURNED AT WEIMAR

Weimar, Texas, July 22.—Earl, the 11 year-old son of Jim Ingram, a negro farmer living a short distance southeast of this city, was seriously, perhaps fatally, burned while pouring kerosene oil upon some live coals at his home. One-third of the skin area of the boy's body was burned off and it is doubtful if he survives. The residence, a five-room dwelling was caught fire and was destroyed.

The drouth still continues in this section with few signs of an abatement. The corn crop is past help and will be the shortest in the history of this section. Cotton continues to bloom, although but few of the blooms "stick." The plant is showing signs of suffering and beginning to shed badly. Cotton worms are also reported in a few sections and the farmers are using every hope to check the ravages of these pests before they become too numerous.

Miss Cleo Flowers returned Sunday from a two months' visit to her sister, Mrs. J. B. Stewart, in San Angelo. She was greatly benefitted in health by her stay in the west.

THE SECRET OF SUCCESS

Genuine Merit Required to Win the Peoples' Confidence

Have you ever stopped to reason why it is that so many products that are extensively advertised, all at once dropout of sight and are soon forgotten? The reason is plain—the article did not fulfill the promises of the premiser of the manufacturer. This applies more particularly to a medicine. A medicine preparation that has real curative value, almost sells itself, as like an endless chain system the remedy is recommended by those who have been benefited, to those who are in need of it.

A prominent druggist says "Take for example Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for in almost every case it shows excellent results, as many of my customers testify." No other kidney remedy that I know of has solargea sale."

According to sworn statement and verified testimony of thousands who have used the preparation, the success of Dr. Kilmer's Swamp-Root is due to the fact that it fulfils almost every wish in overcoming kidney, liver and bladder diseases, corrects urinary troubles and neutralizes the uric acid which causes rheumatism.

You may receive a sample bottle of Swamp-Root by Parcels Post. Address Dr. Kilmer & Co. Binghamton, N. Y., and enclose ten cents; also mention the Eagle Lake Headlight.—Adv.

D. 1914, the same being the 14th day of September A. D. 1914, then and there to answer a petition filed in said Court on the 30th day of June A. D. 1914 in a suit, numbered on the docket of said Court No. 7990, wherein John B. Braden is Plaintiff, and Samuel Kennelly, F. W. Grassmeyer, F. Scranton, Frederick Scranton, D. C. Barrett, Don Carlos Barrett, Camuel Kennelly, George Barrett, Lafayette Barrett, George LaFayette Barrett, Emily W. Barrett, Eliza C. Barnett, Eliza C. Barrett, Francis A Eflinger, Francis A. Barnett, C. C. Herbert, Phoebe Barnett, Dillwyn Parrish and James Brown Potter, if living, and if any or all be dead, then of their respective heirs are defendants, and said petition alleging:

I.—That plaintiff is a resident of Colorado County, Texas.

II.—That the places of residence of each of said defendants and of each and all of said unknow heirs are unkown to this plaintiff.

III.—Plaintiff represents that he is the owner in fee simple of the following described tract of land, situated in the State of Texas, County of Colorado, being more particularly descibed as follows, to-wit: a part of the lower half of the S. Kennelly League about six miles South of the town of Altsair in the county and state aforesaid, beginning at the South East corner of a tract sold by Walter C. Jones to J. Frnka. Thence S. 650 W., with said Frnka's southern line 806 vrs. to the West side of the public road, said road being reserved for a public road for a width of 21 vrs. running S. 173 W. Thence continuing said line S 650 W. 1420 vrs. to a point in said J. Frnka's southern line. Thence South 209 E. 543 vrs. to a stake in prairie. Thence N. 659 E. 2309 vrs. for stake set for corner in A. Callison's W. line. Thence N. 259 W. to place of beginning, being, designated as survey No. 1, containing 224 and 9-10 acres of land, less two acres reserved for said public road, and less two acres deeded by said Braden and his wife to the Methodist Episcopal Church, as Von Powell by deed of record in Vol. 10, page 558 of the deed records of Colorado County, Texas, to which reference is here made for description of said two acres of land. For particular description of said 220 9-10 acres of land, reference is here made to the deed executed by Walter C. Jones conveying said land to John B. Braden, said deed being of record in Book Vol. 10, pages 558-60, deed records of Colorado County, Texas, said deed being dated Feb. 1, 1893.

IV.—Plaintiff represents that in addition to his fee simple title, he and those under whom he claims, and whose estate he has, have had and held peaceable, notorious, actual, and adverse possession of said land and premises cultivating, using, and enjoying the same, and paying all taxes due thereon, and having the same actually and entirely enclose by a good and lawful fence, and claiming the same under deeds duly executed, registered, and recorded in the county clerk's office of Colorado County, Texas, and in the deed records of said county for a period of more than five years prior to the assertion of any claim or claims to any part or portion of said land and premises by defendants or any of them; wherefore, plaintiff says that he now has good title to said property and premises under the five years statute of limitation of Texas, and he now pleads said five years statute of limitation against any and all claims of any nature whatsoever asserted or that might be asserted by defendants or any of them.

V.—Plaintiff further alleges that in addition to his fee simple title and his title under the said five years statute of limitation, he and those under whom he claims, and whose estate he has, have had and held actual, notorious, peaceable, and adverse possession of the lands and premises above described, cultivating, using, and enjoying the same, and having the same actually and entirely enclosed by a good and lawful fence for a period of more than ten years prior to the filing of this suit, and of the assertion of any claim or claims by defendants or any of them; wherefore, plaintiff says that he has good title to said property and premises by prescription under the said ten years statute of limitation of the State of Texas, and he now pleads said ten years statute of limitation in addition to said fee simple title and said five years statute of limitation, against any and all claims of any nature whatsoever that are or may be asserted by defendants or any of them.

VI.—Plaintiff would further represent that defendants heretofore mentioned are setting up or attempting to set up some sort of claim or claims to said property and premises adverse to plaintiff's the exact nature and character of which is unknown to him.

VII.—Plaintiff further represents that if any of the above named defendants be dedeased then whatever claim or claims their respective heirs may have to said lands and premises accrued to them as the heirs of said defendants, but that plaintiff does not know the exact nature of such claim or claims, but whatever claim or claims they or any of them may have or had, extends to and is a claim of ownership to said property and premises or to a portion thereof and to the right of possession of said property and premises or to a portion thereof; wherefore, plaintiff says that such claim or claims constitute a denial of plaintiff's title and right of possession, thereby casting a cloud upon plaintiff's title and preventing the free and unrestricted use and alienation of said premises by plaintiff.

VIII.—Wherefore, plaintiff prays that said defendants, and each of them and their unknown heirs be cited in terms of law by publication to appear and answer this petition at the next regular term of this court, and upon a final hearing that he have judgment for the title and possession of said premises and property, for the removal of any and all clouds from said title, and for cancellation of any and all claims that said defendants may have against said premises, for costs of suit, and for such other and further relief both in law and in equity that plaintiff may be entitled to.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under My Hand and the Seal of said Court, at office in Columbus, Texas this the 30th day of June A. D. 1914.

W. C. PAPENBERG, Clerk,
District Court, Colorado County.

Leif Ericsson—The Discoverer of America

THE FIRST WHITE MEN to tread American soil were Leif Ericsson and his sea-dashed Viking crew. This was nearly a thousand years ago, when the Scandinavian peoples ruled the seas and held the secrets of navigation. The history of the fair-haired, liberty-loving sons and daughters of Sweden, Norway and Denmark is rich in song and story. We have millions of these splendid folk in our own land, and wherever the standard of Liberty and Human Progress has been raised they are found in the front rank, bravely fighting for the Right. Better citizens or greater lovers of Personal Liberty are unknown. For centuries our full-blooded Scandinavian brothers have been moderate users of Barley-Malt brews. Who can truthfully say it has injured them in any way? It is the ancient heritage of these peoples to revolt at Prohibitory Laws, and their vote is registered almost to a man against such legislation.
