## HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Calron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without tiring me, and am doing my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 30 years of wonderful success, and should surely help you, too. Your druggist has Cardui for sale. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

## TWO ALARMS OF FIRE WERE TURNED IN HERE YESTERDAY

Two alarms of fire were turned in yesterday and the fire boys got some good practice runs. The first alarm was about nine o'clock in the morning when an alarm was turned in from Mrs. Odom's residence on Lake Avenue. Some parties rooming at the house had built a fire in the stove in their room. The fire having become stopped up the room soon filled with smoke, and thinking surely the house was on fire the alarm was given.

The second alarm was from the home of Mrs. F. O. Norris. A gasoline stove in the kitchen, where a colored woman was ironing, exploded. The blaze had been extinguished before the arrival of the fire company. No damage was done in either instance.
