Recognized Advantages

You will find that Chamberlain's Cough Remedy has recognized advantages over most medicines in use for coughs and colds. It does not suppress a cough but loosens and relieves it. It aids expectoration and opens the secretions, which enables the system to throw off a cold. It counteracts any tendency of a cold to result in pneumonia. It contains no opium or narcotic, and may be given to a child as confidently as to an adult. For sale by all dealers. Adv.

The Light of the House

When The Texas Company first introduced its illuminating oil into the Northern States and other parts of the country, the value of this high quality oil was unknown.

Today the distributing facilities of The Texas Company and its agents are carrying this light into the homes of the people of many lands, and all over the world the quality is known and the service appreciated.

It is, in fact, preeminently "the light of the home," burning with a clear, white light which is easy to read or work by. Burning just as brightly with the last drop as the first.

SYMPTOMS

Slight Symptoms Sometimes Presage Serious Results

Do you feel tired, have you a yellow complexion, constipation, headache, bad breath, sleeplessness or circles around your eyes? If so, you are undoubtedly suffering from some liver complaint.

Perhaps you don't feel very badly now, but delay is dangerous. To allow your liver to continue out of order, is to invite a serious chronic illness.

Whenever you have the slightest symptoms of liver trouble, stop it immediately. You can do it harmlessly and mildly by taking Liv-Ver-Lax the natural vegetable compound that is replacing calomel everywhere. It has all the effectiveness, not the effect of calomel. Insist on getting the original Liv-Ver-Lax, bears the likeness and signature of L. K. Grigsby, which is guaranteed to give satisfaction or money refunded. For sale by Eagle Lake Drug Company.

Mr. J. W. McCarty of Orange, with the Southern Rice Growers' Association, spent Sunday and Monday here, having come up from Houston where he had been on a short business trip.

High Grade Merchant Tailoring. Any time you want a new suit or a pair of trousers, you will get a Square Deal. And the Best of Service and attention every time. All work done here is guaranteed satisfactory. And you will find the prices as low as they can be. Especially when you consider the high quality of work. Geo. Redford, Practical Tailor.

Reason Enthroned. Because meats are so tasty they are consumed in great excess. This leads to stomach troubles, biliousness and constipation. Revise your diet, eat reason and not a pampered appetite control, then take a few doses of Chamberlain's Tablets and you will be well again. For sale by all dealers. Adv.

FAREWELL ENTERTAINMENT
FOR DR. W. R. STRICKLAND

One of the most pleasant entertainments of the season was the one given Monday night by the Baptist choir at the home of Mr. and Mrs. A. H. Wiggins, as a "farewell" to Dr. Strickland, an honored member of the choir, who left Tuesday morning for his home in St. Louis.

Dr. Strickland has made many friends during his sojourn in this city and will be greatly missed in social circles as well as the church.

After the guests had arrived, a contest of "hearts" was introduced. Nine questions were asked and each was to be answered with a word beginning with heart. After this, white paper hearts were distributed and each guest asked to write adjectives beginning with a given letter descriptive of a man. These were collected and when read caused much merriment, as it was found that the initial letters, when placed side by side, spelled the name of the honored guest.

A beautiful booklet, designed by the talented Miss Mary Nail, was then presented to Dr. Strickland and accepted with a graceful speech. All present were then requested to fill the book with autograph good wishes. After a delightful "Dutch lunch" auf wiedersehen was spoken, and the guests departed voting Mr. and Mrs. Wiggins royal entertainers.—E. D. S.

Mr. and Mrs. Gray Payne left Saturday afternoon for Brenham to see their son, Oscar, who was so dangerously injured when he fell on an electric light wire at that place, a full account of which accident appeared in the last issue of this paper. Mr. and Mrs. Payne returned home Monday, Oscar is recovering nicely and is doing as well as could be expected. He is in the hospital at Brenham where he is receiving every attention.
