## NEWSLETTER FROM WEIMAR

Weimar has received and ship-  
ped of this season's growth (cot-  
ton) something over 5000 bales,  
and it is estimated that there is  
between 2500 and 3000 bales still  
on hand to be shipped when sold,  
making the Weimar shipment  
range something near 8000 bales.  
Weimar is strictly in it when  
it comes to the shipment of bat-  
ter, eggs, cream, poultry and  
other stuffs, and while the war  
has caused some depression, our  
Weimar farmers are getting  
along very nicely and are of good  
cheer. The banks are in an ex-  
tra healthy condition and money  
can be gotten here by anyone  
worthy of credit.

Weimar, when it comes to pay-  
ing poll taxes is still in the lead,  
having collected 500. Eagle Lake  
comes out second best with 432,  
while Columbus is third with 359.  
All other places in the county  
did well, thus showing that the  
citizens of old Colorado are inter-  
ested in the welfare of the coun-  
ty and are putting themselves in  
position to keep the county in  
line whenever her interests re-  
quire special attention.

From a letter to her home  
folks, Miss Blanch Baar, assist-  
ant principal of the Kinkler  
school, near Balleterville, reports  
the school in a thriving condi-  
tion; all the pupils studious and  
show a decided improvement over  
last year's work. The princi-  
pal of the school, Prof. Benjamin  
Mertz, has in the higher  
grades thirty-four pupils well  
advanced in their work, while  
Miss Baar has just registered  
her sixtieth pupil, and claims  
that there is not a "numb-skull"  
in her lot.

Mr. Henry Farris of Flatonia,  
a prominent dairy man and cattle  
raiser, and citizen of Fayette  
county for over fifty years, was  
visiting Rev. Isaac Sellers and  
family, and other old time  
friends, in Weimar Friday and  
Saturday of last week.

Saturday was a bright and  
beautiful day and farmers were  
in town in goodly numbers, and  
as a consequent business, not-  
withstanding the tightness of the  
times, was good.

We noticed in last week's Head-

light in the newsy notes from  
Nedra that the citizens of that  
community have gotten a move  
on themselves and have at last  
circulated a petition to move the  
postoffice from Bonus to Nedra,  
and while we are vitally interest-  
ed in the move, we had to find  
out the occurrence through the  
paper. Hurrah for the Headlight  
and its able correspondents, who  
give "all the news all the time."

Mr. Rich, a traveling show  
man, visited Weimar several days  
last week and gave nightly ex-  
hibitions of strength, slight-of-  
hand and other stunts at the O.  
K. Theatre before each perform-  
ance of the movies. He performed  
upon a trapeze, doing stunts  
of daring in mid air upon a tra-  
peze forty-five feet from the  
ground built on top of the two-  
story business house of Joseph  
Shimick. The acting was indeed  
marvelous and he is truly named  
as "Crazy Rich," or the man who  
flirts with death.

We regret exceedingly to learn  
of the severe illness of our dear  
old "Uncle Charles," Brunson,  
and our particular friend, Joe  
Dick Wooten, who have been re-  
ported very much under the  
weather. It is hoped ere this  
appears in print that these high-  
ly respected and much loved citi-  
zens of Columbus will be seen  
on the streets again very much  
improved in health.

We congratulate the Headlight  
in securing such an able corre-  
spondent at Nedra. The items are  
well written and newsy. We were  
not fortunate in making the ac-  
quaintance of the writer, but  
having read the Nedra items sev-  
eral times on our return to Wei-  
mar we find them most interest-  
ing reading, and ask that our  
best regards be presented to W.  
W. Moore, Dick and Louis Oben-  
haus, J. W. Carter and other  
friends of that community. We  
came very near forgetting to  
mention Mr. O. Green, whom we  
succeeded as postmaster at Bon-  
us, and if the office is transfer-  
red to Nedra we sincerely hope  
he will accept same, as they  
could not select a better or more  
faithful servant and in whom the  
people will be pleased. —B. B.

### FORMER EAGLE LAKE MAN WILL MOVE TO SMITHVILLE

Passing through Smithville  
Sunday afternoon the Headlight  
man had the pleasure of a short  
chat with Mr. A. F. Mitchell, a  
former citizen of Eagle Lake,  
who is now making Smithville  
his home. Mr. Mitchell in-  
formed us that the Schuhmacher  
Company was making arrange-  
ments to put in a wholesale house  
at Smithville with Mr. J. T.  
Trigg as LaGrange in charge.  
Mr. Trigg and his family former-  
ly made their home in this city,  
and in their removal to Smith-  
ville that city will gain most ex-  
cellent citizens.

### Colds and Croup in Children.

Many people rely upon Cham-  
berlain's Cough Remedy implicitly in  
cases of colds and croup, and it never  
disappoints them. Mrs. E. H. Thomas,  
Logansport, Ind., writes: "I have  
found Chamberlain's Cough Remedy  
to be the best medicine for colds  
and croup I have ever used, and never tire  
of recommending it to my neighbors  
and friends. I have always given it  
to my children when suffering from  
croup, and it has never failed to give  
them prompt relief." For sale by all  
dealers.—Adv.

Dr. H. E. Craig of San Antonio  
was here this week on his regu-  
lar visit to this city, and while  
here was the guest of his brother-in-  
law, Mr. S. C. Smothers,  
and family.

### FORTY-THREE AT BANQUET OF BUSINESS MEN LAST NIGHT

The largest crowd that has ever  
attended one of the monthly din-  
ners of the Eagle Lake Business  
League, was present last night  
when Mrs. Wm. Heiney served  
dinner at the Eagle Lake Hotel to  
forty-three. The George Wash-  
ington idea was beautifully car-  
ried out during the evening  
both in decoration and menu.  
The pretty dining room was  
tastefully decorated in red, white  
and blue, with the cherry tree  
stumps as center piece. At each  
place was a little basket, either  
red, white or blue, filled with  
mints and salted nuts. Across  
the little basket was a little red  
hatchet on which was printed, "I  
cannot tell a lie." The tables  
were arranged in a horse shoe  
fashion, an emblem of good luck.

The delightful menu consisted  
of tomato bisque, fried chicken,  
French peas, creamed potatoes,  
asparagus on toast, perfection  
salad, olives, pickles, celery,  
brick ice cream in the National  
colors of red, white and blue and  
angel food cake. There were a  
number of visitors present among  
them Mr. Oscar Graham and  
Messrs. H. B. Mayo, industrial  
agent of the Southern Pacific and  
R. W. Watkins, superintendent

of the same road, the last two  
from Houston, who came up on a  
motor car for the occasion at the  
invitation of President E. Mid-  
dleton. Mr. Mayo made a splen-  
did talk on diversification stating

that the Southern Pacific had  
the friendliest feeling for Eagle  
Lake, even if they had't moved  
the water tank. He was followed  
by Mr. Watkins, and Mr. Gra-  
ham gave a beautiful reading.  
The next dinner of the business  
men will be given at the Oliver  
Brown Cafe. Those enjoying last  
night's spread were J. E. Robert-

### SOPHOMORES CHAMPIONS OF EAGLE LAKE HIGH SCHOOL

The question of athletic su-  
premacy of Eagle Lake High  
School was settled last Friday  
afternoon when the Sophomores  
won seven of the nine events.  
Points made by teams were:  
Sophomores, 38; Seniors, 26;  
Frogs, 9 and Juniors 7, the  
Freshmen not being represented.  
The winning team was composed  
of Welhausen, Chew and Cearnal,  
the Seniors' of Heffly and Land-  
the Juniors' of Nussbaum, Buff-  
ington and Middleton, and the  
"Frogs" of Cummings, Causey,

Rain had caused the ground to  
be too soft for the best of work  
and some of those who had been  
showing up so well during prac-  
tice seemed to weaken with tem-  
porary fright when time for  
their trials arrived. Especially  
was this true of the "Frogs"  
who were in good training and  
the picked winners of several  
events.

### MEETING OF THE C. W. B. M. LAST TUESDAY AFTERNOON

A very interesting meeting of  
the C. W. B. M. of the Christian  
church was held with Mrs. R. S.  
Simmons Tuesday afternoon.  
The meeting was largely attend-  
ed and two new members report-  
ed. The leaders, Miss Flowers  
and Mrs. Deats, had prepared a  
good program. In the paper  
read by Mrs. E. G. Harris a good  
many interesting facts were  
brought forth regarding the Amer-  
ican Indian. There were other  
good papers also. We are glad  
to say our women are taking so

much interest in the Missionary  
meetings. The young babies at-  
tracted much attention with their  
mothers. Mrs. J. F. Canaday  
collected the babies and their  
mothers and took them over in  
her car, while Mrs. Simmons  
furnished the little folks with a  
quiet resting place, so the moth-  
ers could enjoy the meeting. The  
hostess served us with a delicious  
social course. We adjourned to  
meet next month with Mrs. H.  
C. Thomas.—Mrs. R. H. Jones.

### MR. AND MRS. WOMACK MOVE TO FORT WORTH

Mr. and Mrs. R. A. Womack  
will leave tomorrow for Fort  
Worth, he having been transfer-  
red by his firm, Swift & Co., to  
that city. Both Mr. and Mrs.  
Womack have made many friends  
during their sojourn in Eagle  
Lake who regret to see him and  
his charming wife leave our city.

Mr. C. A. McFarland of Bay  
City has arrived in the city and  
will succeed Mr. Jack Measles at  
the Pantatorium barber shop.  
Mr. Measles will leave tomorrow  
for his new home in New Willard.
