ANOTHER INSTANCE WHERE IT PAID TO ADVERTISE

Mr. Henry Walker, proprietor of the Walker Livery Stable, is another believer in advertising. Mr. Walker placed a small advertisement in this paper advertising barn yard fertilizer delivered at 50c per load. "You might as well take that little ad out," he said this week, "for I have sold about a hundred and fifty loads, in fact just about all I had at the barn."

WESTON BAILEY, VERY LOW: SUFFERS PARALYTIC STROKE

Mrs. Bertha Bailey Riordan of Fort Worth passed through on the Santa Fe yesterday morning en route to Wharton, in response to a message from that place that her father, Mr. Weston Bailey, a former citizen of Eagle Lake, was in the hospital there very low, and that he was not expected to live through the day. Mrs. R. S. Simmons joined Mrs. Riordan here and accompanied her to Wharton. Mr. Bailey suffered a paralytic stroke on Wednesday morning, since which time his death has been momentarily expected.

Surprise Birthday Party.

A delightful evening was spent in playing forty-two at the home of Mr. and Mrs. Hayes Stephens last Monday night, the occasion being a birthday surprise party to Mr. Stephens. Hayes "said" he was thirty-two. So complete was the surprise to him, the honoree greeted the first arrivals coatless and collarless. Those present were Mrs. P. T. Gordon, Mr. Sam Cohn, Messrs. and Mesdames Horace McRee, B. H. Daily, T. P. Doole, S. A. Davidson, A. R. Pierce, A. M. McCarty, N. W. Callison, John Matthews and Hayes Stephens. Delicious refreshments of peach mounds, wafers, Boston rocks and Delaware punch were served. A most enjoyable evening was spent, but the guests are still wondering if Hayes really thinks they believed that "thirty-two" tale.

EFFECT OF GREAT KIDNEY REMEDY IS SOON REALIZED.

I feel it my duty to let you know what Swamp-Root did for me. I was bothered with my back for over twenty years and at times I could hardly get out of bed. I read your advertisement and decided to try Swamp-Root. Used five bottles, and it has been five years since I used it, and I have never been bothered a day since I took the last bottle of it. I am thoroughly convinced that Dr. Kilmer's Swamp-Root cured me and would recommend it to others suffering as I did. My husband was troubled with kidney and bladder trouble and he took your Swamp-Root and it cured him. This was about five years ago. You may publish this letter if you choose.

Very truly yours,
Mrs. Mattie Campbell,

SYMPTOMS

Slight Symptoms Sometimes Presage Serious Results

Do you feel tired, have you a sallow complexion, constipation, headache, bad breath, sleeplessness or circles around your eyes? If so, you are undoubtedly suffering from some liver complaint. Perhaps you don't feel very badly now, but delay is dangerous. To allow your liver to continue out of order, is to invite a serious chronic illness.

Whenever you have the slightest symptoms of liver trouble, stop it immediately. You can do it harmlessly and mildly by taking Liv-Ver-Lax, the natural vegetable compound that is replacing calomel everywhere. It has all the effectiveness, not the effect of calomel. Insist on getting the original Liv-Ver-Lax, bears the likeness and signature of L. K. Grigsby, which is guaranteed to give satisfaction or money refunded. For sale by Eagle Lake Drug Company.

He Was Stuck.

Papa was becoming impatient at the lateness of the hour when he remarked: "I can't see why that young fellow who is calling on Minnie hasn't sense enough to go home. It's near midnight." The dear little brother of the family just then came in, heard his father's remark, and ventured some light: "He can't go father. Sister's sitting on him."

Butcher (who is waiting on a customer who has stepped ahead of her place in line)—Excuse me for keeping you waiting, madam, but this—indicating his customer—"is Mrs. Billions cook. Modestly Dressed Customer (who has waited half an hour)—Certainly, sir, don't let that trouble you at all. I am only Mrs. Billions.

Where Alice Failed.

Husband: (to second wife) "You don't look like Alice, my first wife, used to do, Mary," he said, in tones of gentle, exasperating reproach. "No: it seems to me you can't cook like she used to."

On another occasion he remarked: "You are not so smart at getting about as Alice was. You don't appear to catch on where she left off."

About this time a heavy rolling pin came in contact with his head.

"What do you mean by that?" he exclaimed, in agony.

"I am doing the work that Alice neglected," she replied with evident satisfaction.

There was more peace in that household afterward.

Recognized Advantages

You will find that Chamberlain's Cough Remedy has recognized advantages over most medicines in use for coughs and colds. It does not suppress a cough but loosens and relieves it. It aids expectation and opens the secretions, which enables the system to throw off a cold. It counteracts any tendency of a cold to result in pneumonia. It contains no opium or narcotic, and may be given to a child as confidently as to an adult. For sale by all dealers.—Adv.

Little Willie was missed by her mother one day for some time and when he reappeared she asked: "Where have you been my pet?" "Playing postman," replied her mother. "I gave a letter to all the houses in our road. Real letters too."

"Where on earth did you get them?" questioned the mother in amazement.

"They were those old ones in your wardrobe drawer, tied up with ribbon," was the innocent reply.

Old Miggs repeated the words

to himself dully and uncomprehendingly as he tramped along to the court, where he was to appear as witness in a local libel suit.

Nervously he entered the witness box.

The fierce-looking lawyer eyed him calculatingly.

"Do you swear," he asked, "that this is not your own handwriting?"

"I don't think so," stammered Miggs.

"Now, be careful," intimated the lawyer. "Are you prepared to swear that this handwriting does not resemble yours?"

"Yes," answered Miggs, trembling.

"You take your oath that this does in no way resemble your handwriting?" solemnly queried the learned man.

"Y-yes, sir," stammered the witness, now thoroughly frightened.

"Well then, prove it!" denounced

ed the lawyer, triumphantly, as

he thrust his head toward the witness.

The action awoke the last spark of drooping courage in poor Miggs, and, thrusting forth his head, he yelled:

"Cos I can't write!"

Colds Are Often Most Serious Stop Possible Complications.

The disregard of a cold has often brought many a regret. The fact of sneezing, coughing, or a fever should be warning enough that your system needs immediate attention. Certainly Loss of Sleep is most serious. It is a warning given by Nature. It is man's duty to himself to assist by doing his part. Dr. King's New Discovery is based on a scientific analysis of Colds, 50c at your Druggist. Buy a bottle today.—Adv.

"Does you want to buy him?" inquired Uncle Kasbury, cautiously.
