LAST EPISODE OF SERIAL  
PICTURE DREW CROWD

A capacity house greeted the  
last installment of the Million  
Dollar Mystery serial picture at  
the Dixie Theatre last night. This  
has been one of the most interest-  
ing pictures ever shown at the  
Dixie. The serial picture, "Exploits  
of the Dixie," now running at the  
Dixie, featuring Pearl White, is  
also drawing good houses. Unlike the Million  
Dollar Mystery picture the Exploits  
of the Dixie picture is complete in  
each part, every installment be-  
ing a complete picture, with a  
connection all during the series.  
Theatre goes everywhere are  
charmed and delighted with the  
new serial picture which has just  
come out, "The Black Box."  
This is said to eclipse anything  
that has ever been staged in the  
way of serial motion picture.  
This picture is just now being  
given to the theatres and only  
the first two or three installments  
have been shown in the larger  
cities. The Dixie will no doubt  
have this picture, as the policy  
of our local theatre is to give its  
patrons the very best, but owing  
to the expense required in obtain-  
ing it, the Dixie will very likely  
not put it, on until the  
weather gets a little warmer, in  
order to be insured of good  
crowds, which the picture will  
merit.

## MR. WOOTEEN TAKEN TO SAN- ANTONIO SANITARIUM

Mr. J. R. Wooten, one of Co-  
lumbus' highly respected and  
most beloved citizens, who has  
been quite ill the past several  
weeks, suffering a nervous break-  
down, and who improved consid-  
erably last week, was taken to  
San Antonio Sunday afternoon  
where he is in a sanitarium. He  
was accompanied by Mrs. Woot-  
en, Dr. Gordon and Miss Cole-  
man, a trained nurse, who has  
been at the bedside of Mr. Woot-  
en for about two months. Dr.  
Gordon returned from San An-  
tonio Tuesday and reports that  
Mr. Wooten stood the trip well  
and is doing fine. The Citizen  
hopes for this highly-respected  
Columbus citizen a speedy and  
complete recovery and that his  
familiar face will soon be seen  
upon our streets again.—Colo-  
rado Citizen.

## EPISCOPAL CHURCH WORK IS PROGRESSING AT SEALY

St. John's Episcopal church,  
Sealy, of which Rev. A. J. Gayner  
Banks is Rector-elect, is showing  
remarkable progress during the  
past two months. The attendance  
at public worship has more than  
doubled and there is promise of  
a record confirmation class on  
Good Friday evening when the  
Bishop will (D. V.) make his an-  
nual visitation. Last Sunday  
night more than one hundred  
people attended the service and  
at the close of the service three  
adult baptisms took place there  
on Wednesday evening when Mr. R.  
L. Cherry received the sacred  
rite. The outlook of the church  
there is most promising. The  
above item concerning the work  
of the Episcopal church at Sealy  
was put in type for our last issue  
but was crowded out.

## MIGRATORY BIRD LAW DECLARED TO BE INVALID

Tonika, Kan., March 20.—The  
federal migratory bird law was  
declared unconstitutional here  
today by Judge Pollock in the  
United States District Court.  
Judge Pollock held that congress  
has no jurisdiction over game in  
any of the states, and that state  
statutes only have the right to  
enact laws for the regulation or  
protection of game.  
The decision was made in the  
case of George I. McCullagh, a  
wealthy banker of Galena, Kan.,  
and two companions, arrested on  
complaint of the United States  
district attorney for shooting  
ducks out of season.  
The defendants filed a demur-  
er to the charge, attacking the  
law, and Judge Pollock today  
sustained their contentions.  
McCullagh is charged with shoot-  
ing 300 value, for a few days only  
at 25c. Sol. Ashendorf.

## Compliments From Exchanges.

Through rush of work last  
week the Citizen failed to make  
mention of the twelfth anniver-  
sary of the Eagle Lake Headlight  
which without week's issue be-  
gan on its thirteenth year of use-  
fulness. The writer calls the  
Headlight his second home, for  
it has been a place where he has  
often worked for Editor Bruce W.  
McCarty and under whom dur-  
ing the seven or eight years  
while under his guidance we  
mastered the printer's trade, and  
to say the least we have never  
worked for a better man than  
Mr. Bruce. The McCartys, while  
still going to school, pub-  
lished a little two-column sheet  
which they called their "Head-  
light," doing the work after  
school hours and on Saturdays.  
After their school days Bruce,  
with his brother S. O., estab-  
lished the present Headlight start-  
ing with a "G. Wash" and a  
supply of new type. They con-  
tinued together until the second  
year when Mr. Odom McCarty  
has since that time had full and  
active charge of the paper which  
he improved from year to year,  
until now it ranks as one of the  
best, neatest and most up-to-date  
weekly papers in the state. That  
he has labored hard to make the  
paper what it is today we well  
know, for Bruce is over sixty  
and on his job. During times  
the newspaper business in Eagle  
Lake was a hard proposition,  
for we know there were months  
when the revenue of the office  
was not enough to pay his labor  
bill, not counting the other heavy  
expenses attached to a printing  
office. But now since the busi-  
ness men of his town have found  
the real value of a newspaper as  
a medium of drawing business,  
they are giving him a patronage  
that he justly deserves, and which  
we hope will increase with leaps  
and bounds. Last week Editor  
McCarty bought a new high  
speed press, to replace the old

one of the best exchanges that  
comes to this office. It is soon  
to install a big cylinder press.  
The people of Eagle Lake should  
stand by Editor McCarty for his  
paper is a credit to their city,  
not only on account of its me-  
chanical get-up but because it  
has a man of character and ability  
behind it.—Hamilton Herald.

## WEIMAR LETTER.

Sunday morning just after  
Mr. Joe Burger, wife and daugh-  
ter had left the Catholic church  
and turned the corner in front  
of the Racket Store, their horse  
attached to the buggy became  
frightened at passing train and  
became unmanageable and ran  
away, the buggy striking a tree  
near the sidewalk, turning the  
vehicle over and throwing out the  
occupants. Mr. and Mrs. Burger  
were unhurt, but the young  
lady sustained a sprained wrist  
and several bruises about the  
knee. The injuries are not serious  
and the young lady will soon  
recover. The buggy was very  
much damaged and will have  
to have a general overhaul.

Rev. Mr. Stephens, an evangel-  
ist of the Christian church, is  
holding a meeting at the Chris-  
tian church in this city, and is  
drawing large crowds. The gen-  
tleman is a very forceful talker  
and a very interesting speaker,  
and has Biblical points at his  
finger's end, and is a perfect  
Christian man and says nothing  
to offend any member of any de-  
nomination.

The weather has been exceed-  
ingly cold and freakish, wind  
coming from all directions, and  
especially from the north, which  
has been especially severe the  
last few days. Sunday night it  
was so cold that the next morn-  
ing ice was seen in all the water  
troughs and outside water tubs.  
Pears are entertained that great  
damage has been done to the  
fruit crop and the gardens gen-  
erally.

Mr. John Rogers of Houston  
was a pleasant caller in Weimar  
Sunday, visiting his uncle and  
aunt, Mr. and Mrs. A. B. Rogers,  
at the same time becoming very

"Campbell" and "MacK Brown,"  
which he expects to have in oper-  
ation the latter part of this  
month. He is also contemplating  
installing a linotype in the near  
future. No one but a newspaper  
man knows that printing materi-  
al costs big money, and the im-  
portance he is putting in and  
the paper, Eagle Lake is getting  
should be more than doubly ap-  
preciated by the citizens, for  
there are mighty few towns in  
the state of the size of Eagle  
Lake that have as good a print-  
shop and paper. We congratulate  
the Headlight and its effi-  
cient editor on its twelfth anniver-  
sary, for the good work they are  
doing for its town and Colorado  
county, and that both may live  
many, many more years, and  
that in passing, each mile post  
they may feel their labor is  
more and more appreciated and  
that they may see it to add more  
and valued improvements.—Colo-  
rado Citizen.

Changes in newspaperdom are  
frequent of late; the Mathis In-  
former has been sold by Fisher  
Townsend to Franklin Humph-  
ries, of Liberty Hill, who will  
publish that newsy little sheet in  
future. The Eagle Lake Head-  
light, one of the best exchanges  
that reaches our desk, announced  
the purchase of a Babcock press,  
while Chas. Mrazek, the steer-  
ing gear of the Columbus Citizen,  
announces that his manager of  
the Garwood Express has folded  
his tent and departed for fields  
unknown, necessitating Charlie  
closing down the Express until a  
competent man can be secured  
to run it.—Rosenberg News  
Herald.

much interested in well, we  
know who.

Among the arrivals in Weimar  
Saturday were Hon. H. A. Town-  
send, Editor Chas. Mrazek of the  
Colorado Citizen, and Thos. P.  
Boulden, all of Columbus.

Mr. J. R. Pinchback, postmas-  
ter, and Prof. A. P. Bolton of  
Garwood, were in Weimar Sat-  
urday on business and pleasure.  
Both gentlemen are well known  
in Weimar and their many friends  
in this city were very much  
pleased to see them.

Messrs. L. D. Allen and Chas.  
von Lengerke of Eagle Lake,  
motored into Weimar Saturday  
on business and pleasure. Both  
are old-time Weimar boys, who  
have kindly remembrances of  
their old times in the Prairie  
City.

Mr. Elmo Blair of Osage, who  
has been serving on the Federal  
grand jury at Houston, dropped  
in the latter part of the week to  
visit the family, returning to  
jury service at Houston Monday.

This paper and the entire com-  
munity extends congratulations  
to Mr. and Mrs. A. P. Shatto,  
Jr., upon their marriage, which  
happy event occurred in San An-  
tonio on Wednesday of last week.  
The groom is the bright and in-  
tellectual son of Agent A. P.  
Shatto of the Southern Pacific  
at this place, while the bride is a  
daughter of Mrs. Kyle of San  
Antonio. Miss Zantle is a beau-  
tiful and accomplished young  
lady and has visited here before  
her marriage and made many  
friends while visiting this city.  
We wish them a life long hap-  
piness and prosperity.

## Of Special Interest to Housekeepers

This is the first of a series  
of practical talks that will  
appear in this space every week.  
It will pay you to read them care-  
fully. They will contain nothing  
that is not absolutely true, and  
will prove helpful to the house-  
keeper in the selection or use of a  
common, everyday food necessity.

No article used in such small  
quantities occupies a more impor-  
tant place in household economy  
than baking powder. On it depends  
not only the successful prepara-  
tion but the healthfulness of the  
food.

Therefore, the character and  
quality of the baking powder she  
should use is one of the most  
important questions which con-  
fronts the housewife, and to help  
her solve it in a satisfactory  
manner is the purpose of these  
"little articles."

CITY MARSHAL HARVEY  
VINEYARD OFFERS REWARD

I have been informed that  
while I was at the picture show  
on Friday night, March 20th,  
some party or parties fired sev-  
eral shots in the nature of a dis-  
turbance of the peace. I have  
made diligent inquiry of persons  
in the vicinity of where the dis-  
turbance is alleged to have oc-  
curred at the time, but they all  
deny any knowledge of any such  
occurrence. It being my desire  
to impartially enforce all laws  
against all offenders, no matter  
who the guilty party or parties  
may be, I, therefore, to this end  
offer a reward of five dollars  
(\$5.00) for information leading to  
the arrest and conviction of the  
above offender or offenders,  
should such offense have been  
committed.

## WOMAN'S MISSIONARY MET LAST TUESDAY

The Woman's Missionary So-  
ciety of the Methodist church  
held its regular business meeting  
at the Methodist church Tuesday  
afternoon at 3 o'clock. The var-  
ious reports handed in on League  
work from the Juniors as well as

very encouraging. Mrs. Geo. W.  
Cross was elected to go as a dele-

conference which is to be held in  
San Marcos in April. The Fifth  
Tuesday Social Tea will be given  
at the home of Mrs. H. Lee John-  
son.

Ruth, at the Baptist Sanitarium

## THE LOSING SIDE OF MAIL ORDER TRADING

Hans Garbus, a German far-  
mer of Iowa, has discovered that  
the benefits which appear on the  
surface as attaching to the mail  
order plan sometimes spell disas-  
ter and has written a very inter-  
esting story of his views in a  
certain farm paper. Here is a  
part of his story.

"We farmers need awakening  
to the fact that we have unmis-  
takeably reached the period where  
we must think and plan. I am  
one of the slow German farmers  
that had to be shown, and I am  
now giving my experience that  
others may profit, for knowledge  
is more expensive now than ten  
years ago.

"Twenty-nine years ago I be-  
gan my farm career. I had an  
old team and \$50. Our furniture  
was mostly home-made—chairs,  
cupboard and lounge made from  
dry goods boxes, neatly covered  
with ten-cent cretonne by my  
girl wife. We rented eighty  
acres. Being a boy of good habits  
I got all needed machinery and  
groceries from our home  
merchants on credit, until fall  
crops were sold. The first year  
was a wet season and I did not  
make enough to pay creditors. I  
went to each on date of promise,  
and explained conditions, paying  
as much as possible, and they all  
carried the balance over another  
year. They continued to accom-  
modate me until I was able to  
buy a forty-acre piece of my own.

"As soon as I owned these few  
acres the mail order house began  
sending me catalogs, and gradu-  
ally I began sending my loose  
change to them, letting my ac-  
counts stand in my home town  
where I had received my accom-  
modation when I needed it.  
"We then had one of the thrift-  
iest little villages in the state—  
good line of business in all the  
branches, merchants who were  
willing to help an honest fellow  
over a bad year, and a town full  
of people who came twice a week  
to trade and visit. Our little  
town was a success.

Mr. H. L. McKnight of Austin,  
state organizer for the Farmers'  
Association, will speak to the  
farmers at the Dixie Theatre  
Saturday afternoon at 2 o'clock.  
Everybody is invited to attend.

Messrs. Martha Fitzgerald and  
Helen Chew accompanied Miss  
Josephine Northampton for a  
short visit to the home of the  
latter at Egypt last Saturday.

Mrs. James T. Trigg and cute  
little daughter left Tuesday af-  
ternoon for their home in Smith-  
ville after a pleasant visit here to  
Miss Nell Green and Mrs. T. P.  
Doyle.

Each bidder is requested to  
present his bid, stating the  
amount of interest he is willing  
to pay on the daily deposits of  
the county funds in his hands as  
county depository, and to attach  
to his bid, a certified check for a  
sum not less than \$500.00.

## BASEBALL BOYS WILL PUT ON VAUDEVILLE ACTS

Next Wednesday night is base-  
ball night at the Dixie. The High  
School baseball team will get a  
certain percent of the door re-  
ceipts. The school team this  
year is a good one, and it takes  
money for the boys to book  
travels. So they have decided to  
raise some money in this way.  
The Dixie management has  
agreed to give the boys a per-  
centage. The regular price, 5 and  
10c, will be charged. Four good  
reels of pictures will be shown.  
There will be good piano music,  
and the boys are making at-  
tempt to put on a couple of va-  
udeville acts and a magic act. So  
turn out Wednesday night and  
help the baseball boys along as  
you will be sure to get your  
money's worth, as there will be  
no advance in price and the team  
needs, your help. The High  
School "Middy Blouse Brigade"  
will be around with tickets. Get  
yours, and fall in line at the Dixie  
Theatre Wednesday night.

The ladies of the Episcopal  
Guild will have a cake, candy and  
pie sale in the Lee Hughes build-  
ing, formerly the P. S. Uery &  
Son jewelry stand, on Saturday  
afternoon, March 27th. They in-  
vite you to visit them and give  
them your patronage on this oc-  
casion.

days and Fridays, but will ac-  
cept any day and pay for same

Don't waste a dollar over a  
twenty-five cent mistake. To do  
that is just as foolish as sewing a  
piece of new cloth on rotten  
clothing.

## CALOMEL DYNAMITES YOUR LIVER! MAKES YOU SICK AND SALIVATES

"Doddson's Liver Tonic" Starts Your Liver  
Better Than Calomel and You Don't  
Lose a Day's Work

Liver is your stomach's life! Feel  
fine and cheerful; make your work a  
pleasure; be vigorous and full of en-  
ergy; and all this can be done by  
calomel because it makes you sick and  
you may lose a day's work.

Calomel is merely a purgative  
which causes the bowels to move.  
Calomel causes the liver to secrete  
bile, breaking it up. That's what  
you need for your liver and stomach.  
Liver Tonic starts your liver and  
stomach, and you can't get a  
second of Calomel's Liver  
Tonic.

Doddson's Liver Tonic is real liver  
medicine. You'll know it next morning  
because it makes you feel better.  
Your liver will be working; headache  
and dizziness gone; stomach will be  
empty and bowels regular.

Doddson's Liver Tonic is entirely  
vegetable, harmless and can be  
sustained. Give it to your children.  
Children of people are suffering from  
Liver Tonic instead of dangerous  
drugs. Your druggist will tell you that  
Doddson's Liver Tonic is a safe and  
effective liver.
