Sideache Backache GARDOL The Woman's Tonic. "I have been taking Gardol" says Mrs. Lillie Solter, of Lake Providence, La. "I got down in bed half the time. I tried all kinds of medicine, but it did me no good. Finally I tried Gardol. It seems like it did me good from the very first. After I had taken half a bottle, I noticed an improvement. I continued its use and I got better and better. The pains in my legs and sides disappeared and I began to gain weight until now I weigh 115 pounds and feel better than I ever did in my life. I am perfectly well and strong. I have given it to my girls, and they are just as well as I.
