Items of more or less interest from the Headlight file of Twenty-Four Years ago.

OCTOBER 28, 1911

B. L. Vinyard and Henry Bray of Houston, the first formerly of Columbus, have formed a partnership in the real estate business in Houston, with an office in the Binz building—L. D. Roberts, formerly of Eagle Lake, now manager for the Southern Rice Growers' Association at Orange, Saturday sold an Orange mill 11,000 bags of Honduras, at association prices. Several Eagle Lake boys are making good in the rice business. Mr. Roberts is local association manager at Orange; John Gynn is association manager at Bay City, one of the important rice points, and W. C. Sauer is stationed as a local manager in Arkansas. The Headlight extends congratulations to Mr. and Mrs. Leo Breitkreutz on the arrival of a pretty little daughter at their home yesterday. William, a young son of Dr. and Mrs. J. B. Roberts of Garwood, suffered a broken arm last Sunday at that place when the girl broke while he was riding a horse. Mr. and Mrs. F. H. and children of Covington, Louisiana, arrived at Lissie Tuesday for a visit to Mr. and Mrs. C. Sauer. Mrs. W. E. Leubart returned home Tuesday from an extended stay at her old home in North Dakota. She was accompanied home by her sister, Miss Elsie, and her husband, Mr. J. H. Leubart, who will make Eagle Lake their home. Our countryman, Mr. and Mrs. Leubart, are extended Mr. and Mrs. Albert H. Leubart of Garwood on the arrival of a baby boy at their home, the youngest making his appearance on the 6th of this month. An infant child of Mr. and Mrs. W. B. Bricker of Cheslerville died Wednesday. The heartbroken parents have the sympathy of the entire community. The Heartlight wants a boy who is willing to work and learn the printing trade. Stafford Taylor who had his first printing lessons in this office, is now promoted to a full-fledged printer. The origin of the fire which burned a warehouse at Cheslerville Thursday still remains a mystery. The warehouse belonged to the Wallace estate, which carried insurance to the amount of \$600. J. E. Davidson lost 400 bags of rice which he had stored in the warehouse. A. C. McClanahan has been spending the week in Garwood, where a deal is being closed in which the lumber yards of the McClanahan-Parks Company and the Ed. R. Fritka Lumber Company are consolidated. The new concern is incorporated for \$20,000, with A. C. McClanahan, president; Ed. R. Fritka, vice president; P. J. Kalin, secretary and P. J. Bouks, treasurer. Word has been received from M. C. Yates, who is in charge of the Colorado County exhibit at the Dallas Fair, that the big preserves given and put up on Saturday Ridge, captured first prize. This is the most money expected as they don't make any better preserves than are being put up here by Kolberg & Anderson.

Mr. and Mrs. Hayes Stephens, H. W. Ahlers, Ben Howard, Walter Little, Nolan Nathan, and R. P. Wilson, spent Sunday in Houston where they were in attendance at an IGA business session and banquet, held in the ball room of the Rice Hotel.

SENATOR SHEPPARD TO SEEK OFFICE AGAIN

Senator Morris Sheppard (Dem.) Texas, who has the longest record of continuous congressional service of any living legislator, declared his intention to run for reelection in 1936, and that he will be a candidate for reelection in 1937.

Senator Sheppard was elected to the Senate in 1913. Prior to that he served five terms in the House of Representatives. He is re-elected, Sheppard will be completing his fifth Senate term.

Agriculture Boys Have Exhibit

The agriculture boys were very busy last week getting ready for the fair and short course. We had splendid poultry exhibits and several of the boys took home prize money. Mr. Smith from El Campo judged the poultry. We all think him very much for his fine work. There were beef cattle exhibited in the fair business. Mr. Roberts, former manager of the Binz building, is local association manager at Orange; John Gynn is association manager at Bay City, one of the important rice points, and W. C. H. E. Girls Win Prize

The home economics classes are very proud of the many people who they liked their exhibit. We are going to have a better one next time. Almost everyone liked our exhibit. Elsie, Vivian and Evelyn can really yell bingo numbers. The H. E. girls were very surprised when they found that they had won first prize on their float in the parade. Cleo and Eddie really look ducky in their cowboy hats. A. Ola and Cleo like to ride on six wheel trucks on top of tables. Emma was really angry when a certain boy wouldn't get out of the cab of a truck Wednesday. We don't blame her. Riding habits seemed to be a bad at the short course. The H. E. girls' smocks are cute, especially when they have not been pressed. Who were the cute boys from Columbus Thursday night? Robert and Herman were certainly good patrons of the H. E. girls' stand. Did Gertrude really go to Mexico? Why was Charlene so angry Friday? Was it because a certain person from El Campo was present? The agriculture boys can make wonderful hamburgers. That is if you stand around and tell them how to do it. Elsie, Evelyn and Vivian were really getting ahead Thursday afternoon but it was all right because Mr. Lewis liked raw oysters.

Art Class Exhibits Work

The art class had on exhibit at the short course several very interesting things. They had portraits and still life done in charcoal, woodwork, tapestries, still life sketches, baskets, sketch books, painted vases, dresses they designed and a few other things.

Campus News

The conversationists in the study hall have one very popular subject since the Short Course. Someone can really burn from about twelve thirty to one every day. Is the person in question conscious of it? What would prompt a girl to take agriculture, now besides the desire to be a farmer? We really wonder. Most of the prizes the boys won in the games of chance Thursday and Friday are now possessed by girls. It's rather a riddle you see. Every one needed a souvenir. The H. E. girls had better start managing their elbows. It's going to be a job to keep all those pretty little smocks that way. Elsie and Jim Ella enjoy riding to Nada, or was it to El Campo, when they are in a hurry. Charlene would make a perfect treasurer, Sylvia too on her parting.

Quite a few children spent Monday when they took a trip in the study hall Monday morning, but it was really funny how many had a tough week-end. Who was it that made the remark that there was a

FIELD GOAL FEATURES WIN OF EAGLES AT ROSENBERG

Coach W. B. Hinton's Eagles won their second district game when they defeated the classy Rosenberg Brahmos 10 to 9 last Friday night on the Brahmos field. The Eagles scored via touchdown and field goal, the latter something unusual in high school circles. The touchdown was scored in the opening minutes of play, after they had kicked off to Rosenberg and then held them. A series of end runs, featuring Earl Braden, took the ball to the four yard line, where Powers plunged over. Smith's kick for extra point was good. The field goal was kicked in the fourth quarter. The ball had been carried to the 25 yard line and was in the middle of the field. J. C. Smith kicked the ball squarely between the uprights for a field goal. This is the first time in many years that Eagle Lake has scored with a field goal.

THE JOKESMITH

Some few made, mostly stolen, some nearly bought. If you run across a good one, mail it to me.

Father, angry: "Do you know where little boys go to that smoke?" Son: "Yes, up the alley."

Brown: "There goes Ezra Shank. Old Ed ain't the man he used to be." Jones: "No, and god darn his [yin] hide, he never was!"

Chaufeur: "Sir, your car is at the door." Tourist: "Yes, I hear it knocking."

Excited young father: "Quick! Tell me! Is it a boy?" Nurse: "Well, the one in the middle is."

Plapper: "If you kiss me I'll yell for help."

After I kiss you, baby, if you think I need any help, go ahead and yell.

Druggist: (to stout wife)—Don't come into the store for a minute. I am trying to sell six bottles of my fat reducing medicine.

"The first woman who started to do the driving from the back seat is said to have had a husband who did the cooking from the dining table."

Patner (intense with excitement): "Well, boy, what happened when you asked the boss for a raise?" Son: "Why, he said I was a lamb." Father: "What did he say?" Son: "Baw."

Wife, (thetically): "You're lazy, you're worthless, you're bad-tempered. You're shiftless. You're a thorough liar."

Husband (reasonably): "Well, my dear, no man is perfect."
