VOLUME XXXIII. EAGLE LAKE, TEXAS, FRIDAY, JUNE 5, 1936. NUMBER 12.

SPUD SHIPPING RESUMED HERE LAST MONDAY

Total of 214 Cars Shipped Up To Thursday Night, With 76 Cars Going Out This Week, Since Delay Caused By Rains.

Following the delay occasioned by the recent heavy rains, potato shipping was begun again Monday and up to last night 214 cars had been shipped from the Eagle Lake territory. Seventy-six cars have been shipped since digging was resumed Monday.

Of the total, the Southern Pacific up to last night, shipped 46 cars from Ramsey, where growers in the Ramsey-Bernardo section load, and the Santa Fe had shipped 168 cars. Sixty-three cars of the Santa Fe's total were shipped during this week from the immediate Eagle Lake territory, and 13 cars have been shipped from Ramsey over the Southern Pacific.

Practically all growers with the exception of J. C. Willis, are digging this week. Mr. Willis' crop is late and he does not expect to start before Monday. Matthews Bros. finished digging yesterday, having shipped 18 cars. But for overflow and frost damage they would have harvested probably 30 cars from the same acreage.

The price is good and demand strong, potatoes here yesterday bringing from $2.50 to $2.65. Had not late frosts, excessive rains and overflows damaged the crop, potato growers would have reaped a rich harvest with the prevailing prices.

Except Mr. Nevin who will not be digging next week, farmers in the Ramsey-Bernardo community will likely finish digging work this week, and it is expected that all other growers will wind up shipping by Wednesday night of next week.

The effect of frost damage to potatoes is very noticeable in the crop of this season since frost was spotted in the fields. Parts of potato fields where there was no frost have run an average yield of approximately 90 bushels to the acre. In the same fields on the frosted spots, the yield is not more than 40 bushels to the acre.

BOBBY THOMAS UNDERGOES NASAL OPERATION FRIDAY

Bobbie Thomas, son of Mr. and Mrs. Griff Thomas Jr., has returned home from Houston where he underwent a nasal operation at the Houston Eye, Ear, Nose and Throat Hospital, Friday. He is doing as nicely since the operation as could be expected.

LEAP YEAR DANCE AT MENTZ HALL ON SUNDAY

The Mobbes Orchestra will furnish music for a leap year dance at the Mentz Hall on Sunday night, June 7th. The admission price will be 40c for ladies, with gentlemen free.

MRS. BENTLEY IS SHOWING SLIGHT IMPROVEMENT

Word from the Memorial Hospital in Houston yesterday is that Mrs. C. W. Bentley is showing slight improvement in her condition. Owing to the very serious operation which she underwent two weeks ago, she is still very ill, but family and friends are much encouraged and hope for her recovery.

FREE MOVING PICTURE SHOW SATURDAY NIGHT

Mrs. Jesse Adams, local J. I. Case dealer, announces that the J. I. Case Machinery Company will stage a free moving picture show in the city park on Saturday night, beginning promptly at 8 o'clock. A feature-picture will be shown and the public is cordially invited to attend.

Miss Bettie Esser and Mr. Richard Valentine of San Antonio motored here Saturday for a visit at the A. E. Cearnal. Mrs. Henry Esser, who had been visiting her parents Mr. and Mrs. Cearnal, accompanied them to San Antonio Sunday.

LOCAL BOYS HAVE PET OF THREE-FOOT ALLIGATOR

Lee Barnett and Donald Arnold, local boys under the dozen year age, Saturday captured a three and a half foot alligator. The boys caught the gator in a city ditch in the west section of town, tied him and came back to town for their express wagon, and now they have a "pet." And, who is it among the boys raised in Eagle Lake, that some time or other in their boyhood days, hasn't owned a "pet" alligator?

VETERAN BONDS WILL BE RECEIVED AT EAGLE LAKE POSTOFFICE MORNING OF JUNE FIFTEENTH

Postmaster Wahrmund Will Register Bonds And Issue Them To Veterans on First Day. If Veteran Wishes To Cash His Bond, He Must Return Second Day And So Request.

Postmaster A. L. Wahrmund yesterday attended a school of instruction at Wharton, called by Inspector A. C. Gahwe, in which postmasters were given instructions in the matter of handling veteran bonus bonds. At this meeting there were 56 postmasters of the district present, with 12 absent.

Mail and train schedules have been arranged so that all bonds will reach the various postmasters on the morning of June 15th. When the bonds are received by the postmaster, they will immediately be put on record in the postoffice and a notice will be posted in the lobby of the office when they will be ready for delivery to the veterans.

They will be delivered to the veterans on the first day, then if the veteran wishes to cash the bond he must return to the postoffice the following day and make his request for payment to the postmaster.

Every veteran receiving a bond must be identified. If he is known to the postmaster, that will be sufficient identification. If he is not known to the postmaster, they he must be identified by two witnesses who are known both to the veteran and to the postmaster.

Bonds cannot be forwarded to another postoffice for payment, but if there is a forwarding address for a veteran the post office will mail the bonds back to the center, Dallas, and the Dallas office will forward them to the proper address. In case of death or incompetency matters pertaining to veteran bonds will be taken up with the treasury department at Washington.

PRESBYTERIAN PASTOR HAS RETURNED FROM GEORGIA

Rev. W. M. Logan, pastor of the Presbyterian church, returned Sunday night from a two weeks' visit to Georgia. He attended General Assembly of the Presbyterian Church in Augusta, which was held in the same church building in which the first assembly was held seventy-five years ago, and later visited relatives at Acworth, Ga.

Mr. Logan has been given a two months' leave of absence by the churches here and at Sugar Land that he may go to Austin and complete his thesis for a BA degree. He expects to leave next Tuesday for the Young Peoples' Conference at Kerrville, and then will begin his work at Austin, driving to Eagle Lake each Sunday to fill his preaching appointments here.

Unlike here, Mr. Logan says that section of Georgia he visited is experiencing a severe drouth which has badly damaged crops, to such an extent that unless farmers there get rains shortly crops will be almost a total failure.

JOHNNY GATES IN REFORM SCHOOL AT GATESVILLE

Deputy Sheriff B. L. Townsend, Wednesday, took Johnny Gates, Eagle Lake negro youth to Gatesville State Training School for a sentence of four and a half years, or until he is twenty-one years of age.

The boy was arrested here some weeks ago on charges of having burglarized the local bakery and the Burger sandwich shop. At the time of his arrest, officers recovered a quantity of clothes and other articles stolen from Rev. C. G. Marmion's car some months previous, and a pistol stolen from the car of H. W. Ahlers.

Deputy Townsend stated that there are 800 negro boys and 500 white boys in the reform school, with some as young as thirteen years, charged with murder.

MR. DAILY RETURNS HOME FROM ROCHESTER CLINIC

Mr. B. H. Daily returned home Wednesday, after an absence of two months, one of which he was under care of doctors in Houston and a month under treatment at the Mayo Bros. clinic in Rochester. He is looking much improved in health and says he is feeling good again. Many friends rejoice over his improvement and sincerely hope that he may continue to improve and grow strong and well again.

EAST BERNARD LEGION HOLDS ENJOYABLE MEET

The Wharton Post of the American Legion held the regular monthly luncheon meeting at Riverside Park, East Bernard, Monday evening. Barbecued veal and pork, with cold beer and sodawater were served. After the eats, the members and guests enjoyed a dance at the park hall.

DUCHESS AND DUKE OF EAGLE LAKE IN PARADE AT YOAKUM

Miss Eleanor Reese, Eagle Lake's Representative, With Her Escort, Leaves Today To Join Royal Party At Yoakum.

Miss Eleanor Reese, chosen some weeks ago by the Eagle Lake Rotary Club as the Duchess of Eagle Lake to the Yoakum Tom-Tom, left this morning, accompanied by Doyle Browning Duke of Eagle Lake, to take part in the Yoakum festivities.

In the parade of royalty which featured in the big Tom-Tom celebration at 11 o'clock this morning, this beautiful girl representing Eagle Lake wore pink organdie with ruffles, and carried an old fashioned followed hat.

During the afternoon, she, with thirty-one other duchesses and dukes, will be entertained at a tea this afternoon, and the coronation exercises will be held at Bulldog Stadium tonight.

Following the crowning of the queen, a grand ball will take place in which all members of the royal party will be signally honored.

Most of the larger schools of Texas and many towns of South Texas are represented in royalty at Yoakum today.

LOCAL GIRL IS BRIDE OF MINNESOTA YOUNG MAN

A pretty wedding took place at the Christian Church at three-thirty Wednesday afternoon with Rev. Bruner S. Lee, local Baptist pastor officiating, when Miss Mildred Wilkins became the bride of Mr. L. H. Butterworth of Minnesota.

The bride is one of Eagle Lake's attractive girls, and a graduate of the Eagle Lake High School. She has grown into beautiful young womanhood among us, and is loved and esteemed by all who know her.

The groom, a cousin of Mr. O. E. Butterworth of our city, has made many friends among our people during his visits here.

Following the ceremony, Mr. and Mrs. Butterworth left in their car for a short visit to Houston, from where they go for a visit to the Texas Centennial in Dallas, and after a stay in the Centennial City will motor to Minnesota where they will make their home.

Though the bride is changing the state of her residence, the home town will be the same. They will make their home in Eagle Lake, Minnesota.

The Headlight joins the friends of this fine girl in extending congratulations and all good wishes for a long, happy and prosperous wedded life.

LOCAL GIRL IS MARRIED ON EVE OF GRADUATION

Miss Maudie Longmire of Eagle Lake, a member of the 1936 graduating class of the Eagle Lake high school, was joined in marriage on Thursday afternoon of last week in Columbus, to Mr. Harry Barton of that city. The wedding, however, was kept a secret until the following day, since the bride was a member of the graduating class and received her diploma with the class members Thursday night.

Mr. and Mrs. Barton, who are making their home in Columbus, are receiving congratulations and all good wishes from a host of friends.

A. L. Wagner of Corpus Christi and his daughter, Mrs. Frank O'Dowd of Refugio were called here Wednesday by the sudden death of his brother, F. W. Wagner. Mrs. O'Dowd was formerly Miss Daisy Louise Wagner of this city.

EAST BERNARD WELL DRILLING BELOW 6000

The Sterling Oil and Refining Company well, Genzer No. 1, three miles northwest of East Bernard, was drilling Thursday below 6000 feet.

The well caved in several weeks ago when the drilling mud thinned during the period of heavy rains. Drilling was resumed at the 4300 foot level, from which an entirely new hole is being made.

LAST RITES FOR MRS. RICHARD KRENEK AT NADA MONDAY

Funeral Services For Prominent Young Woman of Nada Community One of Most Largely Attended Ever Held There.

The Nada community grieves over the sorrowful death of Mrs. Wilhelmina Krenek, wife of Mr. Richard Krenek, who died Saturday morning.

She was the eldest daughter of Mr. and Mrs. J. F. Kubesch, and was 25 years, 1 month and 14 days of age.

She was married to Mr. Krenek in 1930, and to this union one daughter was born, Dorothy, three years of age.

Mrs. Krenek was a member of several lodges and was a young woman highly esteemed by all who knew her.

Funeral services were held at the Nada Catholic church Monday morning at 9 o'clock, with Rev. C. J. Benes officiating. Interment was made in the Nada Catholic cemetery.

The pallbearers were Fred and Henry Kubesch, Alfance and Leo Dornak, and Ben and Lawrence Krenek.

She leaves to mourn her departure her husband, Richard Krenek, their three year old daughter, Dorothy; her parents, Mr. and Mrs. J. F. Kubesch, three sister, and two brothers.

CHANGE MADE IN NEW FARM PROGRAM

Land owners having multiple tenants on a contiguous block of farms may fill out a master work sheet instead of separate work sheets for each farm, it has been announced by the State Soil Conservation Committee. They also pointed out that payments were distributed and the land owner will be held responsible for compliance.

Of great importance to Texas farmers, members of the state committee commented, is the new rule that two rows of corn or grain sorghum interplanted with one row of cowpeas will count as two-thirds soil-depleting crops and one-third soil-conserving. The county committee will determine the percentage of land occupancy.

Sudan grass has been ruled a soil-conserving crop, regardless of use, and can be harvested for hay or seed, used as a pasture, or left on the land. The same is true of oats if followed by a summer legume after harvesting. The State Soil Conservation Committee assumed that crops will be grown and compliance will be sufficiently late to allow for this purpose.

It was also announced at the same time that the base rice acreage and production for 1936 will be the base that was established in 1935, except where producers are eligible for upward adjustments. Upward adjustments will be made where the years of 1929 and 1930 were excluded from the previous base calculations; where the producer did not grow rice in one or more years in base period; where production was below a 10-barrel acreage on account of uncontrollable natural causes.

RAINS PUT LOWER BRIDGE ON BERNARD UNDER WATER

The low water bridge over the Bernard River between Kendleton and Hungerford, which replaced the wooden bridge destroyed by fire some months ago, was entirely under water during the high waters of last week. All highway traffic was detoured via East Bernard. It is stated that much of the earthen dump approaching the bridge was washed away.

Citizens of that section are hopeful now that the Highway Department will undertake a permanent structure at that point.

Mr. and Mrs. J. F. Brokaw expect to leave during the latter part of the month to spend the summer in San Antonio and at Kerrville. They hope to be able to find some one who would like to live in their home and take care of the place while they are away.

Mr. and Mrs. Natt Holman and Rev. C. G. Marmion left this morning for Houston where Mr. Holman is going through the Dr. A. E. Greer clinic. He has been in ill health since early last fall. The Headlight joins with his friends in the hope that his troubles may be determined and corrected and that this good friend may be restored to health and strength.

PROTEST COMMITTEE TO MEET RAILROAD OFFICIALS SHORTLY

Representatives From Towns On Sap Line Will Go In Body To Houston To Protest Railroad Service Abandonment.

The general committee, representing towns along the line of the old San Antonio & Aransas Pass railroad, from Kenedy to Eagle Lake, decided at a meeting held in Yoakum last Friday, on a plan for presenting recently signed petitions. The petitions, protesting abandonment of railroad service of that section of the T. & N. O. railroad lines, are signed by citizens and shippers of the towns affected.

The plan calls for two or more representatives from each of the towns, who are to arrive in Houston on the east bound Sap Monday morning, June 15th. This delegation will meet with the Houston Chamber of Commerce officials at 11 a. m. and with the Southern Pacific railway officials at 1 p. m.

The committee will present a strong plea to the railroad officials, asking them to provide a reasonable local freight service from Kenedy to Houston and to make certain reasonable improvements in passenger train schedules and equipment. Advisability of the extension of this line, 120 miles, from Kenedy via Three Rivers to Laredo is also to be discussed.

PORT ARTHUR BOY SCOUTS WILL SPEND A NIGHT HERE

Boy Scout Troop No. 63 of Port Arthur, under Scoutmaster George C. Scully, Assistant Scoutmaster Herbert Steck, Senior Patrol Leader Pat Gallager and Junior Assistant Scoutmaster Edgar Dionne, will pay a visit to Eagle Lake on Friday, June 19th, making night camp here.

This troop is traveling like modern soldiers travel. They have their own truck, their own outfit; they prepare their own meals and the boys are getting quite a practical lesson in self-maintenance, as well as an education geographically and otherwise.

The troop is scheduled to reach Eagle Lake late Friday and will remain here until 7 o'clock the following morning.

In addition to the leaders already mentioned, the party will contain Patrol Leaders Bob Goodwin, Billy Burch, Bob Butler and George Sculley, and Scouts Ray Hollier, Louis Pickard, Fred Davis, Ralph Burch, Mike Gallager, Harry Dionne, Sidney Puddicomb, Billy Tooley, Tom Culp, Bart Ownsby, John Steck, Raymond Mulligan, Walter Breaux and Wallace Verret.

OLD-TIME DANCE AT AUSTIN HALL, TUESDAY, JUNE 9TH

The Boca New Deal Orchestra will play for an old-time program from 9 to 1 o'clock. The management invites you to come out to this dance and make it one of the most largely attended of the season, Austin's Hall, Eagle Lake, June 9th.

Miss Johnnie Graham, who recently staged the "Sky High" show here for the benefit of the Eagle Lake Fire Department, is at Edna where she has begun rehearsals for the production there. She will advise her friends here when show dates are arranged, and says she would be mighty glad to see some of her Eagle Lake cast among the audience.

GUNTER HOTEL ORCHESTRA EAST BERNARD SATURDAY

On Saturday night, June 6th, Mack Rogers and his Gunter Hotel orchestra will play for a modern dance at Riverside Park, East Bernard.

Sunday night, June 7th, there will be a free dance at the same pavilion, with music by John Rusk and his old-time orchestra, furnishing a program of old-time numbers.

F. W. WAGNER, WELL KNOWN FARMER, IS CALLED BY DEATH

Mr. Wagner's Body, With Faithful Dog At Side, Found Early Wednesday Midway Between His Home And Nearest Neighbor's.

W. F. Wagner, well known farmer and priminent citizen of this section, died suddenly some time Tuesday night.

Mr. Wagner had been ill for a week or more, but still was up and about attending to his affairs of business. He was in town from his farm a few miles west of Eagle Lake Sunday.

Mr. Wagner's body was found in a lane about midway between his home and that of his nearest neighbor, Will Walker, early Wednesday. It is believed that death came to him some time between 10 and one o'clock Tuesday night.

Farm hands about the place stated that Mr. Wagner was reading in his room shortly after 10 o'clock. It is thought that after he had retired for the night he became ill, dressed and started for the Walker home. This belief is held from the fact that his shoes were not laced.

Funeral services were conducted from the McCreary Funeral home in Eagle Lake at 3 o'clock Thursday afternoon, with interment in the Masonic Cemetery, with Rev. C. G. Marmion conducting the services. The pallbearers were Max Conner, G. W. Keith, R. A. Walker, Will Walker, H. W. Ahlers and M. C. Truitt.

Mr. Walker was born at old Indianola on May 2, 1871, and was 65 years and 1 month of age at the time of his death. As a child of four years, he went through the three-day hurricane in 1875, the storm which destroyed that then thriving Texas coast town of three thousand population. His mother, Mrs. Louisa Sullivan, 87 years of age, who with another son, A. L. Wagner of Corpus Christi, survives, was one of the original settlers at Indianola.

Mr. Wagner moved to Eagle Lake thirty-two years ago and has been engaged in farming here since that time. He was a splendid citizen, an honest man, one who enjoyed the respect and high esteem of every one who knew him, and truly a citizen our community can ill afford to lose.

To his aged mother and surviving brother, the Headlight joins with a host of friends in extending sympathy deep and sincere.

ROCK ISLAND GIRL MARRIED IN HOUSTON

An announcement of more than usual interest covers the wedding of Miss Rosalie Maze, daughter of Postmaster and Mrs. R. E. Maze of Rock Island, to Mr. T. J. DeNeffe, of Houston.

It had been intended to have the wedding ceremony in the bride's home town of Rock Island, but due to the uncertainty of flood and road conditions, the marriage took place Friday, May 29th, at 7 p. m. at the First Christian Church in Houston. The pastor, Dr. J. T. Knowles officiated.

The wedding was attended by only a few close friends and relatives of the couple. Following the ceremony, the bridal party repaired to the home of the bride's aunt, Mrs. A. G. Peacock, for a reception and supper in their honor. The bride was the recipient of many pretty presents and has been the honor guest for many pleasant occasions in the short time she has been in this section.

The young couple made the honeymoon occasion for a visit over the week-end to the bride's parents and sister, Mrs. Owen Miller, at Rock Island.

The bride has been for some time a valued employee of the United States Federal Reserve Bank at Houston, and Mr. DeNeffe is an official of the Hughes Tool Company. They will make their home in Houston.

COLUMBUS CITIZENS VISIT DON MARTIN LAKE RESORT

Dr. S. H. Kirkham and Walter Dick of Columbus spent the last week-end at Dr. H. E. Craig's fishing resort, at Villa Juarez, Coah., Mexico, which is on the headwaters of the Sabinas river, near the famous Don Martin Lake.

In three hours' fishing time Saturday afternoon, the two caught 82 bass and fishing two hours Sunday they caught 25 more.

It is a wonderful place, Mr. Dick says, and it is a fisherman's paradise. The expense, too, he says, is nominal.

Don Martin Lake, which is fed by three rivers, is an immense lake, fifteen miles wide and eighteen miles long.

Dr. Craig is a former citizen of Eagle Lake and is a brother-in-law of S. C. Smothers of this city.

MRS. HAYES STEPHENS GETS FIRST AWARD IN BEST YARD CONTEST

Expert Flower Man of Houston Is Judge In Pretty Yard Contest, Awarding First To Mrs. Stephens, Second To Mrs. Colly.

The pretty yard of Mrs. Hayes Stephens scored high and she was awarded first prize in the "Prett Yards Contest," sponsored by the Eagle Lake Garden Club and the local Rotary Club, which were judged Wednesday.

Second prize went to Mrs. J. R. Colly, and honorary mention was given to Mrs. Frank Stephens and Mrs. C. B. Stephens, the blue ribbon; Mrs. O. J. Wintermann, a red ribbon and Mrs. B. L. Vineyard, white ribbon.

Judging of the yards was done by S. J. Mitchell, flower expert of Houston. He was accompanied on his rounds over the city by Mrs. H. W. Ahlers, secretary of the Garden Club, and Mrs. T. P. Hales, who drove the car.

Due to the intense heat of the afternoon and an army of mosquitoes, Mr. Mitchell did not list the yards that rated under 60 points, though he saw every yard.

Mr. Mitchell stated that most of the yards judged were at least creditable and a few really excellent in horticultural neatness and good landscaping. Color, as from flowers, in many cases, was absent, but rain Trees growing in the lawns sometimes seen, brought criticism.

Had the yards here been judged a month ago, or before the heavy recent rains, all scores would probably have gone higher, Mr. Mitchell stated.

"The Garden Club is doing fine work," Mr. Mitchell said, "and a full flower show should by all means be held during the month of November."

GARWOOD EASILY DEFEATS FREISBURG IN SUNDAY GAME

Howard Harry, newly elected manager of the Garwood nine, got off to a good start Sunday, as he steered his club to a 14-3 victory over Freisburg.

Lou Labay, star pitcher and prize of Nada, had plenty of stuff on his fast ball and held Freisburg to eight scattered hits. Freisburg used Schutte and Schmidt on the mound, both pitching a fair brand of ball, but due to errors by their teammates, failed to be effective.

Coach Hinton, Howard Harry, Buck Harry and Herman Trammell were the hitting stars for the Garwood Club, while Schmidt was the only Freisburg player to gather more than two hits.

Bridge Valley plays Garwood at Garwood next Sunday.

Score by innings:

Freisburg	002	001	000—3
Garwood	340	002	320—14

STERLING EAST BERNARD WELL HOLE COLLAPSES

The Sterling well, three miles northwest of East Bernard, collapsed during last week and when this item was mailed in Friday drilling had been resumed at about the 4300 foot depth. More than 2500 feet of the hole caved in.

The drill was below 6800 feet where a core was being taken from the top of the Cockfield. Rains halted drilling for a few days and the mud thinned. When drillers started back into the hole they found that it had caved in, due partly to gas pressure, which the drillers had been fighting.

CONDITION OF MRS. MARTIN IS SHOWING IMPROVEMENT

Robert Samuel and Billy Martin spent Sunday in Temple visiting their mother, Mrs. Robert Martin, who is under treatment at the Scott & White Hospital. Both Robert Samuel and Billy state that they saw a marked change of improvement in her condition since she has been at the hospital.

TAVENER GETS BRUNT OF RAINFALL IN THIS SECTION

While all communities in this area suffered from the heavy rains of last week, the Tavener section between East Bernard and Lissie apparently received the brunt of it. Water is said to have reached a depth of approximately a foot all over the section, giving an appearance of an inland sea. In the section around Pierce it is reported that ten inches of rain fell within two hours' time.

CALHOUN WOMEN'S CLUB HOLD MEETING JUNE 9TH

The Calhoun Woman's Home Demonstration Club will hold its regular semi-monthly meeting at the home of Mrs. Frank Dietrich on Thursday afternoon, June 9th, at 2 o'clock.
