> EDITORIALS Measure of a Town!!

Want to measure your town? Do you wonder what kind of a yardstick to use? If you want some guidelines as to how a city or

a fown is rated, here is a questionnaire which has frequently been used to determine just how a community rates in the minds of its residents. It has been printed in a number of newspapers

throughout the country. You might find it interesting to put in "yes" and "no" answers to all questions and see how Eagle Lake stacks up the way you figure it.

Incidentally, it is said that if you can answer "yes" to 30 or more of the 38 questions, it is likely. you live in a town of which you can be proud.

Here-are the questions: 1. Most high school graduates stay in town? 2. Getting a loan on a sound business venture is

3. There's a livewire Chamber of Commerce 4. Local traffic violators get the same treatment

as out-of-towners? 5. The local paper constantly pushes civic infprovements?

6. There's a place to swim within easy reach? . Young couples have little trouble finding a 8. The local government is a "get-things-done"

9. Town entrances are free from junk, shacks, and billboards? 10. Teachers' salaries are better than the state II) There's at least one doctor per 800 people?

12. There's a library, with a good collection of recent books? 13. Newcomers quickly feel they're part of the

15. Fire Insurance rates are low for your type of

16. Service, veterans' and women's clubs team up on projects? See active, well-organized, 4-H, Boy and Girl Scout groups? -18. A modern hospital is within the trading area?

-19. All streets are paved and sidewalks are to 20. There's a destate movel you'd enjoy if you

21. It's easy locate contain more to the hosiness 22. There's at least one restaurant which serves sutstanding meals?

23. The sewer extension program keeps pace with new housing? 24. It's easy to get volunteers for any worthwhile --

25. Public toilets are provided for people shopping 26. Prompt, reasonably priced ambulance service

27. Good-zoning keeps factories away from residential areas? 28. There's an annual Clean-Up, Fix-Up, Paint-Up

29. Streets throughout the community are well 30. More than half the church congregations are

under 40 years of age? 31. Shade trees line nearly all the streets? 32. There's an ample supply of good drinking

33. There's a recreation center where young 34. The business section has a modern, prosperous

35. There's as much interest in local as national elections?

36. The tax rate is attractive to new industry? 37. There's a community council to guide town; 38, There's an active P-TA?

There you have it. How do we rate? You figure out the answer and then do something about the
