Someone has defined money eally is. This is probably the reason why Jesus had so of possessions. He based all if his teachings about posses-

Everything we have has been placed in our hands as a trust the word steward. He pointed out that we are simply stewards or caretakers handling responsible to God for the way that we manage what we we are responsible to God for how we make what we get, how we spend what we

have, how we invest what we can, and how we give what God requires. He made it clear that we are responsible to God for everything we get. Apparently we Americans measure up very poorly at this point. Just a quick glance at American spending habits tells us a lot. We give about eight billion dollars a year for all religious and welfare activities. We spend about nine and seven-tenths billion for tobacco and fifteen and sixa real imbalance, We can correct this problem only when we realize that God should be

the secrets of making more spending less money. us what we really are. If we are poor stewards of a small free to ask questions about amount of money we would be of much more. If we manage well the little God entrusts us with, He will entrust us with more. If a little money the absolute slaves of a forwill never possess us.
