Vote Registration Never Closes Under New Law

Secretary of State Bob Bullock said this week that despite some newspaper articles and radio bulletins to the contrary, voter registration does not end on January 31. Secretary Bullock said, "I am aware of at least two newspaper articles and several radio announcements which state that January 31 is the last day for voter registration. Apparently there is some confusion about the new voter registration law passed by the last legislature. Under the new law, voters can register any time during the year. However, persons must register at least 30 days prior to an election, to be able to vote in that election."

Bullock stated that his office was mailing a reminder of the new voter registration law to all County Tax Assessor-Collectors who are responsible for issuing voter registration certificates. His statement to tax offices follows:

"It will NOT cease on January 31, as it has in past years. Those persons who have registered by that time will appear on the initial list of registered voters. Those persons registering after January 31 will appear on supplemental lists, which will be prepared 30 days prior to an election. Every person who registers after April 3, 1972, will be eligible to vote in the May 6 primary. Likewise, every person who registers by October 7, 1972, will be permitted to vote in the November 7 General Election."

New Texas Highway Maps Available

Cleaning new stretches of interstate highways, more miles of four-lane divided facilities, several new lakes and a new National Park make this year's 1972 Official Highway Travel Map better than ever.

The free map, published by the Texas Highway Department, is a perennial favorite with Texas motorists. Projections for 1972 call for distribution as high as 1.4 million.

The publication shows that about 120 miles of interstate highways have been added to the State's highway network. Texas now has 2,922 miles of interstate highways open to traffic. When the national interstate system is complete, Texas will have 3,175 miles of it.

Copies of the 1972 Official Highway Travel Map are available at Highway Department Tourist Bureaus and at Department district offices. The map is one of the most popular of the more than 7.3 million pieces of travel-oriented literature distributed each year by the Texas Highway Department.

The map also may be ordered directly by sending name, address and ZIP code to Texas Highway Department, Travel and Information Division, P. O. Box 5064, Austin, Texas 78763.

Rotarians Hear Talk on Energy Gap

Richard (Dick) Hickman, the Houston Production District Engineer for Humble Oil was the guest speaker at the meeting of the Eagle Lake Rotary Club on Wednesday of last week. Mr. Hickman told the Rotarians that the Texas provides 35 percent of the oil and 37 percent of the gas used for fuel sources in this nation.

He said, "For the first time in our history, the United States is experiencing an 'energy gap' or an uncomfortable widening between fuel supply and demand, especially in oil and natural gas. The latter two supply 75 percent of America's energy needs."

Mr. Hickman stressed the importance of continued quest for new sources of oil and gas and predicted that "if no new oil is discovered, the national security and the economic health of the country will be in jeopardy. The oil and gas industry is a major taxpayer, employer and purchaser."

Mr. Hickman was introduced by President T. J. Smith who made the introduction for Bill Pink, program chairman for the meeting.

During the business session before the address the Rotarians voted to send a girl selected from the Junior class at Rice High School to the annual Bluebonnet Girls State.

The Rotarians decided to hold the Hot Cakes Supper on Tuesday, Feb. 28 as advertised previously. The supper is normally held on Shrove Tuesday. The last Tuesday before Ash Wednesday.

Screwworm Cases Are Up

Texas recorded 44 screwworm cases in 1971, making the year the worst since 1965, according to the Texas Department of Agriculture. The Southwest Screwworm Eradication Program at Mission, Texas, reported that the state had recorded the fewest cases on record.

More than seven billion sterile flies were released last year in Texas, 3.2 billion being dropped on northern states in Mexico. More than 1.6 billion were dropped on Texas.

Sherridan Raiders Split Pair

The Sherridan Raiders basketball team were in action on their home court last week when they hosted Schulenburg, January 20th. The Sherridan girls, coached by Annette Tise, lost to Schulenburg by a score of 21-20.

The Sherridan Raiders boys' game followed the girls' game. The team, coached by James Moore, added another win by a score of 22-20. Gamepoints were scored as follows: Ron Ald Glover, 5; Steve Grammer, 7; Dan Paschal, 6; and John Grammer, 4.

Sheridan Parents Teachers Meet

The Parents and Teachers of Sheridan met at 3:30 P.M. in the Sheridan School Cafeteria on Wednesday, January 25th. The meeting was presided over by Mrs. Estelle Peebles and her third grade class. The meeting was held to discuss the school's progress and to hear reports from the various departments.

Before the business meeting, a program was presented by Mrs. Estelle Peebles and her third grade class. The program included a play about the importance of education and a song about the future.

Social At Baptist Church

A social was held last Saturday, January 28th, 1972 at the First Baptist Church of Sheridan. The youth of the church met at the church for a time of recreation and fellowship. A covered dish supper was served at 6:30 p.m.

Another activity that the church is involved in at the present is the compiling of a church history. In particular, the church is interested in the period of its formation in 1880 through 1929, plus any information as to how these pioneers lived, worked, and what their families in case of any past or present deceased. These records were destroyed in March, 1929 by fire. A list of church members from 1929 to the present is being compiled. Information about the 1880-1929 period of the church history should be sent to the church at 1000 S. Main St., Sheridan, Wyo. 82801.

\$12 Billion Texans' Share Of Fed. Taxes

Texas taxpayers will pay out approximately \$12.17 billion in federal taxes at the end of the year, according to a report by the Texas Chamber of Commerce.

This estimate was based on the calculations that Texas taxpayers bear 4.92 percent of all federal taxes.

That any change which Congress may make in this budget will reduce or increase the amount that Texas taxpayers will have to bear, depending on whether Congress cuts or spends more.

It was noted that while the \$12.17 billion spending estimate for fiscal 1972 represents a relatively modest increase of \$2.5 billion over the current estimate of \$9.67 billion for fiscal 1971, the 1972 total exceeds 1971 outlays by \$2.5 billion.

These two spending increases totaling \$3.9 billion compare with a two-year increase of \$17.7 billion from 1969 to 1971.
